

Alabama Constitutional Revision Commission

- Created by 2011 Legislature to review and recommend revisions to the Alabama Constitution
- Four initiatives on the November ballot based on the Commission's proposed revisions
- Two of the ballot initiatives were recommended by the ACCA

Alabama Constitutional Commission

**United States. Federal Power
Commission**

Alabama Constitutional Commission:

The Alabama Constitutional Commission William Histaspas Stewart, 1975 *The Alabama State Constitution* William Histaspas Stewart, 2016 The Alabama State Constitution provides an outstanding constitutional and historical account of the state's basic governing charter. In this book William H. Stewart, an authority on the state's political and constitutional history, provides an overview of important developments since 1819 along with an in-depth section-by-section analysis of the entire constitution detailing the many significant changes since its initial drafting. The second edition includes updates to current provisions, new rulings on gay marriage, and touches on immigration, environmental protection, energy, and taxation. This treatment, along with a table of cases, index, and the bibliography, provides an unsurpassed reference guide for students, scholars, and practitioners of Alabama's constitution.

Proposed Constitution of Alabama Alabama Constitutional Commission, 1973 **State Constitutions for the Twenty-first Century, Volume 1** Robert F. Williams, G. Alan Tarr, 2006-06-01 Through illuminating case studies of reform efforts in Alabama, California, Colorado, Florida, New York, and Virginia, this book, the first of three volumes, provides the first systematic analysis of the political obstacles to state constitutional reform. For those seeking constitutional reform, this useful resource can spell the difference between success and failure, and for those interested in state politics or constitutional politics, it offers rare insight into a distinctive aspect of American constitutionalism. Written by eminent scholars who were in many cases also active participants in the reform campaign, the essays provide practical experience, expert analysis, and lessons for future constitutional reformers.

State Constitutions for the Twenty-first Century, Volume 1 G. Alan Tarr, Robert F. Williams, 2006-06-01 The first systematic analysis of the obstacles to state constitutional reform.

Alabama Government & Politics James D. Thomas, William Histaspas Stewart, 1988-01-01 For most of the nation, Alabama government is emblemized by Governor George Wallace blocking the entry to the University of Alabama, defying court-ordered integration, and championing states' rights slogans. But Wallace's return to power in the 1980s witnessed sweeping social and political changes in Alabama. Today the state, for the most part, enjoys the aura of the new South. James D. Thomas and William H. Stewart, both natives of Alabama, bring a detailed sense of its colorful past to their forward-looking book about its government and political institutions. In the course of writing about Alabama's legislative, administrative, and judiciary branches, its local politics, and its historic relations with the federal government, Thomas and Stewart reveal much about life today in this southern state. Low taxes, industrialization, and urbanization, the civil rights movement, and a trend toward two-party politics have helped to usher in dramatic changes. Although continued change is in the wind, the authors do not think that Alabama's political institutions will soon lose their distinctive Alabama character, and no book has ever described that better than *Alabama Government and Politics*.

Constitutional commission to set the compensation of members of the Congress United States. Congress. Senate. Committee on the Judiciary. Subcommittee on the Constitution, 1984 **The Law of American State Constitutions** Robert

F. Williams, Lawrence Friedman, 2023 The second edition of *The Law of American State Constitutions* provides complete coverage of the legal doctrines surrounding applying to and arising from American state constitutions and their judicial interpretation Drawing on examples from specific states Professors Williams and Friedman analyze the nature and function of state constitutions in contrast to the federal Constitution including rights separation of powers issues of interpretation and the processes for amendment and revision In this edition Williams and Friedman focus on recent developments including the state constitutional dimensions of same sex marriage and the reaction of state courts to U S Supreme Court decision making This edition of *The Law of American State Constitutions* remains an important analytical tool that explains the unique character and the range of interpretive approaches to these constitutions It covers the structure of state governments under state constitutions as well as the distribution of powers among the legislative executive and judicial branches Like the first edition this edition presents a complete picture of state constitutional law and the attributes and features that make this body of law so distinctive *Interim Report of the Alabama Constitutional Commission* Alabama. Constitutional Commission, 1971

Summary of Selected Programs of State and Local Bicentennial Commissions and Other State Organizations

Jay Price, Steve McManus, Ron Morrisson, 1987 *The Mississippi State Sovereignty Commission* Yasuhiro Katagiri, 2001-11-02 A history of the Magnolia State's notorious watchdog agency established for maintaining racial segregation *Alabama Politics in the Twenty-First Century* William H. Stewart, 2016-09-06 An expansive and accessible primer on Alabama state politics past and present which provides an in depth appreciation and understanding of the twenty second state's distinctive political machinery Why does Alabama rank so low on many of the indicators of quality of life Why did some of the most dramatic developments in the civil rights revolution of the 1960s take place in Alabama Why is it that a few interest groups seem to have the most political power in Alabama William H Stewart's *Alabama Politics in the Twenty First Century* explores these questions and more illuminating many of the often misunderstood details of contemporary Alabama politics in this cohesive and comprehensive publication The Alabama state government especially as a specimen of Deep South politics is a topic of frequent discussion by its general public second only to college football However there remains a surprising lack of literature focusing on the workings of the state's bureaucracy in an extensive and systematic way Bearing in mind the Yellowhammer State's long and rich political history Stewart concentrates on Alabama's statecraft from the first decade of the twenty first century through the November 2010 elections and considers what the widespread Republican victories mean for their constituents He also studies several different themes prominent during the 2010 elections including the growing number and influence of special interest groups the respective polarization of whites and blacks into the Republican and Democratic parties and the increasingly unwieldy state constitution This fascinating and revealing text provides a wealth of information about an extremely complex state government Featuring detailed descriptions of important concepts and events presented in a thorough and intelligible manner *Alabama Politics in the Twenty First*

Century is perfect for scholars students everyday Alabamians or anyone who wants the inside scoop on the subtle inner workings of the Cotton State s politics

The Rise of the States Jon C. Teafor d,2002-02-21 A noted historian explores the development of U S State governments from the end of the 19th century to the so called renaissance of States in the 20th It is a common misperception that America s state governments were lethargic backwaters before suddenly stirring to life in the 1980s In *The Rise of the States* Jon C Teafor d presents a very different picture Teafor d shows how state governments were continually adapting and expanding throughout the past century assuming new responsibilities developing new sources of revenue and creating new institutions *The Rise of the States* examines the evolution of the structure function and finances of state government during the Progressive Era the 1920s the Great Depression the post World War II years and into the 1960s State governments not only played an active role in the creation governance and management of the political units that made up the state but also in dealing with the growth of business industries and education Different states chose different solutions to common problems and this diversity of responses points to the growing vitality and maturity of state governments as the twentieth century unfolded

A Century of Controversy Bailey Thomson,2002 State constitutions don t get the attention they deserve They are important historical documents and they have considerable influence on state and local government Alabama s constitution is according to the scholars and journalists who know it well one of the longest more than 315 000 words and worst
