## **Albert Schweitzer A Biography:**

**Albert Schweitzer** James Brabazon,1975 James Brabazon updates his critically acclaimed biography of humanitarian Albert Schweitzer to include a wealth of recently discovered documents including the letters between Schweitzer and Helene Bresslau written during the ten years before their marriage Brabazon s research has also included recently released documents from the State Department regarding Schweitzer s battle with the United States Atomic Energy Commission to halt H bomb tests Copyright Libri GmbH All rights reserved

**Albert Schweitzer** Nils Ole Oermann,2016-11-10 This biography provides a versatile insight into the life work and thought of Albert Schweitzer 1875 1965 Nils Ole Oermann offers a detailed account of the multifaceted life of Albert Schweitzer who was a theologian organist philosopher physician and medical missionary Schweitzer s life was not a straight path from the parsonage in Alsace to the University of Strasbourg then on to the hospital in Lambarene and ending with the Nobel Peace Prize in Oslo In every life there are highs and lows victories and defeats and Schweitzer s life was no exception These ups and downs however are barely discernible in Schweitzer s 1931 autobiography *Out of my Life and Thought* where he presents his life as an enormous purposefully constructed edifice the cornerstone of which was the principle of Reverence for Life and the almost inevitable outcome of which was the Nobel Peace Prize To date biographers journalists and hagiographers have told and retold the story of Schweitzer following this basic pattern with relatively little critical modification Their Schweitzer was a man whose demeanour and charisma set him apart from other intellectual giants of his time But not everything Schweitzer records in his autobiography corresponds with what is found in the archives and in his unpublished writings It is on the basis of these historical sources and more recent publications that Oermann attempts to sketch a more realistic picture of Albert Schweitzer Oermann draws on newly uncovered personal papers which shed light on Schweitzer s dealings with the East German authorities and his role in the anti nuclear movement He also builds on a number of interviews from those associated with Schweitzer most notably his daughter

**Albert Schweitzer** James Brabazon,2022-09-01 The second edition of this biography of humanitarian Albert Schweitzer has been updated to include documents discovered since the work was originally written including the letters between Schweitzer and Helene Bresslau written during the ten years before their marriage This correspondence tells of a complicated love story and throws a completely new light on Schweitzer s personality and the genesis of his decision to go to Africa The author s ongoing research has also included more recently released documents from the State Department regarding Schweitzer s battle with the United States Atomic Energy Commission to halt H bomb tests

**Out of My Life and Thought** Albert Schweitzer,2014-10-07 Published to commemorate Albert Schweitzer s only visit to the United States 60 years ago this anniversary edition of his autobiography gives 21st century readers a unique and authoritative account of the man John F Kennedy called one of the transcendent moral influences of our century Schweitzer is celebrated around the world as a European pioneer of medical service in Africa

a groundbreaking philosopher and musical scholar and a catalyst of environmental and peace activism Yet people most revere Schweitzer for his dedication to serving others and his profound and influential ethic of reverence for life For Schweitzer reverence for life was not a theory or a philosophy but a discovery a recognition that the capacity to experience and act on a reverence for all life is a fundamental part of human nature a characteristic that sets human beings apart from the rest of the natural world This anniversary edition coincides with several high profile celebrations of his 1949 visit as well as the release of a new feature film starring Jeroen Krabbe and Barbara Hershey In addition to a foreword by Nobel Laureate and former U S President Jimmy Carter this edition features a new foreword by Lachlan Forrow president of The Albert Schweitzer Fellowship This text refers to the Paperback edition      **Schweitzer** George N. Marshall, David Poling, 2000 He was an accomplished organist and interpreter of Bach a crusader for world peace and a winner of the Nobel Peace Prize He made his philosophy of reverence for life an ethic for the world The hospital he founded in Lambaré in Gabon is still in operation in present day Gabon is a model of what Europeans might have given to Africans throughout colonial history But above all Albert Schweitzer 1875-1965 was a talented and compassionate human being This biography probes beyond the timeworn image of Schweitzer as the old man in the pith helmet to reveal the philosopher scholar husband father humanitarian and liberal rebel in a conservative church      **Albert Schweitzer** Carol Greene, 1993 Examines the life of the humanitarian who pursued medical missionary work in the jungles of Africa while developing his spiritual beliefs about the value of all life

1965 was already famous as a musician philosopher and theologian when he qualified as a medical doctor and forsook Europe's comforts to live ethically with what he called Reverence for Life. In pursuit of this aim in a jungle in equatorial Africa he built a hospital and a leper village for isolated hunter gatherers. His achievements were recognised with international awards, honorary degrees and the Nobel Peace Prize in 1952. In his last years Schweitzer was a vehement protester against the development of nuclear arms and against foreign interference in the Congo. Suddenly he became an easy target for criticism. Schweitzer's biography reminds us of the sacrifice required to live a moral life including that our well intended actions are as likely to arouse exorciation as admiration. In Part One of *Albert Schweitzer: the Difficulty of Doing Good* the author takes a fresh look at Schweitzer's life story acknowledging the often grinding toil and emotional demands that interrupt even preclude success. Her account illuminates Part Two the brief diary kept by her father Cecil Morris an orthopaedic surgeon on his working visit to Schweitzer. The characters are very human and portrayed sometimes in what seems like a hard light so you may feel disappointed if you are hoping for a hagiography or even just a feel good story. But the story is about how hard it is to do good and not just to be good. A man with a profound and ultimately prophetic view of the world could not in the end maintain an apolitical stance. From his overwhelming reverence for life Schweitzer felt compelled to condemn nuclear weapons and to engage with this and some other issues on a world stage. This book is not just an encouragement but also an elemental and tangible part of the story towards nuclear weapons abolition. Martin Birdseye Christian CND

\_\_\_\_\_ Patricia Morris is a psychoanalytic psychotherapist. She is the author of *Freud Politics and Civilisation* and *Love Sex 50 therapy lessons about problems in relationships that bring people into therapy*.

\_\_\_\_\_ **Answering the Call** Ken Gire, 2013. Enduring hardship, conflict and personal struggles he and his beloved wife Helene became German prisoners of war during WWI and Helene later battled persistent illnesses.

*Albert Schweitzer* George Seaver, 1947      **The Story of Albert Schweitzer** Anita Daniel, 1957. The great doctor and humanitarian comes to life in this biography.      **Albert Schweitzer** Oskar Kraus, 1950      *Albert Schweitzer* Robert Jungk, 2003-01-01      **A Treasury of Albert Schweitzer** Albert Schweitzer, 2014-12-02. Collected here in a single volume are the most important philosophical writings of Albert Schweitzer, one of the greatest thinkers and humanitarians of our time. Carefully chosen from among his many written works, the selections in this anthology illuminate and amplify Dr Schweitzer's cardinal principle of belief: a reverence for life. Among the important and revealing works included are *Pilgrimage to Humanity* which outlines his philosophy of culture, the early influences in his life and his ideal of world peace, *The Light Within Us*, one of the twentieth century's most significant and beautiful statements of one man's faith in his fellow man and *Reverence for Life* which states with great clarity and conviction the essence of Schweitzer's wisdom. Because of his legendary fame as a medical missionary, other equally important and outstanding aspects of Schweitzer's life are not as well known. Readers of this book will realize that Albert Schweitzer was a truly creative thinker whose concern with the problems

of the human spirit and whose methods of expressing this concern have raised him to the stature of one of the world's foremost philosophers      **Albert Schweitzer** Nils Ole Oermann, 2017 This new biography provides a rich and varied insight into the life work and thought of Albert Schweitzer an individual of mythical stature who was active as a theologian musician philosopher physician and missionary Schweitzer's life was not however a straight path from his provincial birthplace in Alsace to his university studies in Strasbourg then leading directly to his missionary work at a jungle hospital in Lambarene and ending with the Nobel Peace Prize in Oslo In every life there are detours and setbacks and Schweitzer's life was no exception The actual course of Schweitzer's life however is barely discernible in his autobiography *Out of my Life and Thought* This idealized life story has been told and retold by biographers and journalists with relatively little critical scrutiny Drawing on published and unpublished material including newly released personal papers shedding light on Schweitzer's dealings with the East German authorities and his role in the anti nuclear movement as well as a number of interviews most notably with his daughter Rhena Oermann succeeds in creating not only a more realistic but also a more humane portrait of Albert Schweitzer      **Reverence for Life** Albert Schweitzer, 1979 Though I was well aware that Albert Schweitzer preached a great deal both before and after he became a physician I never encountered any of his sermons until I was privileged to read the present collection prior to publication What I find in this increases my sense of wonder though it does not increase my surprise It pleases me to find that like other speakers and writers the famous missionary doctor preached many of his ideas before they were cast into essay form thus following the experimental method On the whole the sermons seem contemporary Very early in the twentieth century he understood that Christianity is not a merely spiritual religion and that the popular arguments against missions are superficial ones What pleases me most about the new publication is its revelation of the author's deep personal piety D Elton Trueblood from the Foreword      **Albert Schweitzer** Jean Pierhal, Robert Jungk, 1957      *Albert Schweitzer* George Seaver, 2016-11-11 The definitive biography of one of the titans of our time together with a full appreciation of his revolutionary thought and writings is now revised to include new materials on the eighth decade of Dr Schweitzer's life and work at Lambar n The book tells two exciting stories the outward events of Schweitzer's life his childhood in Alsace his career in Strasbourg his organ studies and recitals his decision to become a medical missionary in Africa and his long labors there and a review of his great intellectual and spiritual contributions his upsetting of Biblical criticism his profound insights into Christ St Paul Bach and Goethe his philosophy of civilization and reverence for life Seaver's book is without equal in opening to us simply and clearly a view of the life and mind of Schweitzer of Lambar n Africa Europe and the World Christian Century Mark this down as a great biography of a man whom many regard as our greatest living contemporary Living Church Step by step Seaver leads the reader to look at life with Schweitzer in order to understand his attitude toward Greek eudaemonism Kant Schopenhauer Nietzsche and finally the building up of his affirmation Reverence for Life Those of us who seek to understand the meaning of Schweitzer's life and thought and

realized fellowship with the living Christ's must master this tiny book so filled with spiritual reality EDWARD H HUME Dr Seaver's excellent work should appeal not only to Schweitzer's many admirers but to those anxious to find a way out of the baffling labyrinth of current world conditions Christian Century This swift yet fundamental survey of one whole trend in the intellectual life of man is a remarkable piece of work It proves that Schweitzer is one of the great thinkers of our time JOHN HAYNES HOLMES     *Albert Schweitzer as I Knew Him* Edouard Nies-Berger, 2003 In this book Nies Berger a fellow Alsatian who had known Schweitzer since childhood chronicles their collaboration during the final decade and a half of Schweitzer's life and presents his candid observations of this extraordinary man and the people around him     **Albert Schweitzer** Oskar Kraus, 1955
