Anderson,2012-07-26 Albert is a duck billed platypus who has escaped from a zoo in Adelaide to look for somewhere that may or may not exist Old Australia a place where humans never venture and animals still rule Albert knows it s somewhere in the middle of the Outback not the ideal habitat for a water loving animal but now he s lost and close to death He s saved though by Jack a pyromaniac sardine loving wombat who promptly gets him into even worse trouble taking him to a marsupial only bar run by a kangaroo called O Hanlin getting him drunk and then burning the bar down And this is just the beginning of Albert s adventure A glorious romp of a novel Albert of Adelaide is a story of friendship loyalty and heroism And marsupials Pacy and poignant it s completely original a book for people and animals of all ages     **Before the Roads, Before the Mines** Robert Jarvenpa,2024-10 Before the Roads Before the Mines is a narrative based ethnohistory of a Denesu in community also known as the Chipewyan Keseyhot ine or Poplar House People The discovery of high grade uranium deposits in northern Saskatchewan Canada in the mid to late 1970s ushered in an era of mining and roadbuilding that largely replaced the traditional livelihoods of these subarctic hunter fishers with wage labor in mining construction and related industries The advent of new communications technologies and consumer goods and a road to the outside world created ruptures in the social fabric of the community Robert Jarvenpa highlights the historical experiences of middle aged and older individuals who vividly recall a time before the roads and mines existed when young and old alike spoke the Denesu in language and when entire families lived in a seasonally nomadic fashion in the bush They continually invoke the past in the problematic present a ritualized form of communication integral to resisting or adapting to the erosive changes of a rapidly industrializing resource extraction frontier Jarvenpa showcases the spoken words of the Denesu in informants as a means of documenting and interpreting their historical past in the face of contemporary peril as the subarctic permafrost recedes and multinational corporations eye Indigenous lands for their minerals     *Dinner is Served: A Short Story* Rhonda Denise Johnson ,2018-04-09 A fun twist on a well known fairy tale Albert is in for a surprise when the one woman who answered his discreet ad for a wife comes with her own plans for the evening     Congressional Record United States. Congress,1970     **Disenchanted Albert the Great** David J. Collins, S. J.,2024-07-14 Albert the Great 1200 1280 was a prominent Dominican friar a leading philosopher and the teacher of Thomas Aquinas He also endorsed the use of magic Controversial though that stance would have been Albert was never punished or repudiated for what he wrote Albert s reception followed instead a markedly different course leading ultimately to his canonization by the Catholic Church in 1931 But his thoughts about magic have been debated for centuries Disenchanted Albert the Great takes Albert s contested reputation as a case study for the long and complex history surrounding the concept of magic and magic s relationship to science and religion Over the centuries Albert was celebrated for his magic or it was explained away but he was never condemned In the fifteenth century members of learned circles first attempted to distance Albert from magic with the goal of

exonerating him of superstition irrationality and immorality Disenchanted Albert the Great discusses the philosopher's own understanding of magic an early adulatory phase of his reputation as a magician and the three primary strategies used to exonerate Albert over the centuries In the end Disenchanted Albert the Great tells the story of a thirteenth century scholar who worked to disenchant the natural world with his ideas about magic but who himself would not be disenchanted until the modern era This accessible and insightful history will appeal to those interested in Albert the Great Catholic Church history the history of magic and Western understandings of the natural and the rational over time
