**Alchemy Rediscovered and Restored** A. Cochren, 2001-08 The object of this book is to place before the reader in language as simple as possible the story of alchemy Because the literature on this science has ever been an enigma to both the scientific and the lay mind it is the earnest desire of the author to present it stripped of its symbolism and to give some indication of its processes its achievements and its possibilities He wishes to show that this science is the Law operating behind all Manifestation in Man Man that is in his entirety physical mental and spiritual and to demonstrate how it is bound up in the further evolution and unfoldment of the race for without this understanding the vision of Man made perfect is impossible This is an excellent primer for anyone interested in alchemy Copyright Libri GmbH All rights reserved

Hermes' Treatise of Sexual Alchemy is a complete guide to sexual transmutation, the preservation and transformation of sexual energy, the basic requirement for spiritual development. Alchemy was once the most respected science, venerated and practiced by pharaohs, kings, and queens, priests and priestesses. Alchemy is the key of eternal life and the way to liberate ourselves from suffering. To protect it, that knowledge was always hidden from the public. The Medieval alchemists hid the Great Arcanum among innumerable symbols and esoteric allegories. This was in order to save it from profanity and in order for them to avoid being burned alive in the blazes of the Inquisition. Samael Aun Weor: The symbolism of alchemy is rooted in the myths of the Greeks and Egyptians. Moses, an Egyptian priest, taught alchemy in his writings. Adam and Eve are the basic symbol of alchemy. Even Jesus taught alchemy: his living waters and the stone the builders rejected are the alchemist's Mercury, whose development creates the famous philosopher's stone. Now in these moments of intense suffering, the time has arrived for all of humanity to know the truth about alchemy. Here Samael Aun Weor reveals that what was hidden by Hermes, Paracelsus, Basil Valentine, Roger Bacon, Villanova, Raymond Lully, Nicolas, and Perenelle Flamel are also hidden in the Egyptian Book of the Dead and the Judeo-Christian Torah and Bible. All are based on the same knowledge: humanity left Eden bliss because of sex and can only return to Eden through sex. Alchemy is the method. Most importantly

this book guides you to practice alchemy yourself Those who are tired of suffering can experience liberation from day to day by eliminating defects liberating virtues and devoting themselves to becoming pure expressions of the highest spiritual value of all love
