A. Liem, William Alex Pridemore, 2011-10-17 This comprehensive work provides a sourcebook of information about the substantive methodological and policy oriented aspects of homicide research in Europe Part one of this work covers the most recent substantive and methodological information about European homicide research The second part will contain detailed case studies on homicide research in 15-20 individual European nations This work will be both conceptual and practical Conceptual aspects will focus on theoretical frameworks and patterns and trends of violence in Europe Practical aspects will examine the results of empirical research topics relating to different data sources and the variation of legal definitions of violence throughout Europe and policy issues relating to variation in homicide prevention and punishment of homicide offenders throughout Europe This handbook will not only provide an up to date reference that brings together known information but will also offer previously unpublished comprehensive literature reviews and original research findings The editors distinctive approach is to provide readers with

an English language central source of information about the voluminous literature on European homicide research that is currently spread widely in dozens of different European and American journals

Recent Developments in Alcoholism

Marc Galanter, 2006-01-02 From the President of the Research Society on Alcoholism On behalf of the Research Society on Alcoholism I am pleased to introduce this thirteenth volume of Recent Developments in Alcoholism about alcohol and violence Current concepts are presented in well organized sections that focus on epidemiology neurobiology psychology and family issues It is coming increasingly clear that age gender socioeconomic circumstances and genetics affect aggressive behavior and vulnerability to alcoholism This volume contains up to date discussions of these issues Indeed the information presented here will help all alcohol researchers to identify biological and social factors that contribute to the comorbidity of alcoholism and aggression The editors and associate editors should be congratulated for bringing together such important information This volume will be a valuable resource for investigators and therapists alike Ivan Diamond M D Ph D President Research Society on Alcoholism From the President of the American Society of Addiction Medicine The American Society of Addiction Medicine is honored to continue its sponsorship with the Research Society on Alcoholism of Recent Developments in Alcoholism The topic of alcohol and violence is a particularly timely one given the growing number of studies that are examining the relationship between the two These studies are consistent with the hypothesis that alcohol can increase aggression and contribute to both domestic and criminal violence Intoxicating blood levels of alcohol have been found to be especially prevalent in those injured in fights and assaults

Encyclopedia of Criminological Theory Francis T.

Cullen, Pamela Wilcox, 2010-09-23 Consistently excellent The level and coverage of the content make this an invaluable reference for students studying criminology or taking criminal psychology modules at degree level and beyond Adam Toccock Reference Reviews In discussing a criminology topic lecturers and course textbooks often toss out names of theorists or make a sideways reference to a particular theory and move on as if assuming their student audience possesses the necessary background to appreciate and integrate the reference However university reference librarians can tell you this is often far from the case Students often approach them seeking a source to provide a quick overview of a particular theory or theorist with just the basics the who what where how and why if you will And reference librarians often find it difficult to guide these students to a quick one stop source In response SAGE Reference is publishing the two volume Encyclopedia of Criminological Theory available in both print and electronic formats This serves as a reference source for anyone interested in the roots of contemporary criminological theory Drawing together a team of international scholars it examines the global landscape of all the key theories and the theorists behind them presenting them in the context needed to understand their strengths and weaknesses In addition to interpretations of long established theories it also offers essays on cutting edge research as one might find in a handbook And like an unabridged dictionary it provides concise to the point definitions of key concepts ideas schools and figures Coverage will include contexts and concepts in criminological theory the social construction of crime

policy implications of theory diversity and intercultural contexts conflict theory rational choice theories conservative criminology feminist theory **Alcohol Research & Health** ,2001 **Studying and Preventing Homicide** M. Dwayne Smith, Margaret A. Zahn, 1999 A comprehensive exploration Studying and Prevention of Homicide offers thoroughly researched chapters by a distinguished group of contributors Leading scholars in the field editors M Dwayne Smith and Margaret A Zahn have compiled an extensive range of topics including mass and serial murders homicides by youth gang homicides domestic homicides homicides by female offenders and alcohol drug related homicides
