

Aleksandr Fedorovich Kerenskii

Bernice Glatzer Rosenthal

Aleksandr Fedorovich Kerenskii:

The Fall of Tsarism Semion Lyandres,2013-02-07 Reveals to the world for the first time a unique and hitherto undiscovered selection of interviews with leading participants in the February Revolution of 1917 representing the most significant contemporary testimony on the overthrow of Europe s last old regime **The Catastrophe** Aleksandr Fyodorovich Kerensky,1927 Bog skrevet af russeren Kerenskij som blev regeringschef efter martsrevolutionen 1917 Forfatteren giver kritik af den russiske revolution og omtale af interessante politiske eller milit re personer frem til bolsjevikernes magtovertagelse i november 1917 **World War I Almanac** David R. Woodward,2009 Presents a day by day chronology of the events of World War I and a biographical dictionary of people involved in the conflict **Comrade Kerensky** Boris Kolonitskii,2020-10-22 As one of the heroes of the 1917 February Revolution and then Prime Minister at the head of the Provisional Government Alexander Kerensky was passionately even fanatically lauded as a leader during his brief political reign Symbolic artefacts sculptures badges and medals featuring his likeness abounded Streets were renamed after him his speeches were quoted on gravestones and literary odes dedicated to him proliferated in the major press But by October Kerensky had been unceremoniously dethroned in the Bolshevik takeover and had fled to Paris and then to the US where he would remain exiled and removed from his former glory until his death The breakneck trajectory of his rise and fall and the intensity of his popularity were not merely a symptom of the chaos of those times but offer a window onto a much broader historical phenomenon which did not just begin with Lenin and Stalin the cult of the leader In this major new study of the Russian leadership cult Boris Kolonitskii uses the figure of Kerensky to show how popular engagement with the idea of the leader became a key component of a cultural re imagining of the political landscape after the fall of the monarchy A parallel revolution was taking place on the level of creating a resonant political vocabulary where one had not existed before and it was in the shared exercise of bestowing and dissolving authority that a politicised way of seeing began to emerge Kolonitskii plots the unfurling of this symbolic revolution by examining the tapestry of images woven by Kerensky and those around him and in so doing exposes his vital role in the development of nascent Soviet political culture This highly original portrait of a revolutionary sheds new light on the cult of Kerensky that developed around this charismatic leader during the months following the overthrow of the tsar It will be of value to students and scholars of Russian history and to those interested in political culture **National Union Catalog** ,1978 Includes entries for maps and atlases **European Powers in the First World War** Spencer Tucker,2018-12-07 First published in 1996 The First World War was the single most important event of the twentieth century This volume concentrates on non U S aspects of the conflict Organized alphabetically its more than 600 detailed entries offer information and insight on such subjects as the causes of the conflict major battles and campaigns weapons systems including military aviation chemical warfare the submarine and the tank and the terms of the peace Some 350 biographies provide information on the roles played in the conflict by generals admirals and

civilian leaders There are also biographies of individuals who were shaped by the war such as Charles De Gaulle Adolf Hitler Benito Mussolini and Joseph Stalin essays on each of the countries involved in the conflict new appraisals of such subjects as military medicine and artillery tactics and essays on such diverse subjects as art literature and music in the war Each entry has references for additional reading and a subject index provides easy access The volume is an excellent reference source for scholar and neophyte alike

Russian Women, 1698-1917 Robin Bisha, 2002-09-16 Women can do everything men can do the rest Between a woman's yes and a woman's no it's hard to pass a needle What goes in with mother's milk goes out with the soul Russian proverbs This rich anthology of source materials makes available for the first time in any language an extensive variety of primary sources on the lives of Russian women from the reign of Peter the Great to the Bolshevik revolution The selections are drawn from a wide variety of sources published and unpublished including memoirs diaries legal codes correspondence short fiction poetry ethnographic observations and folklore with primacy given to sources produced by women and previously unavailable in English translation Organised thematically the documents focus on women's family life work and schooling public activism creative self expression and sexuality and spirituality as well as on the cultural ideals and legal framework which constrained women of all social classes Introductions to chapters and to individual selections provide context for the sources and highlight both the continuities and changes that occurred in Russian women's lives over time This compendium serves as a unique guide to the social economic political and cultural history of women in Imperial Russia The volume includes illustrations a chronology a glossary of Russian terms a map and a guide to further reading Russian Women Experience and Expression is an ideal collection for classroom use in Russian history literature and culture courses and in comparative courses in women's history

Who's Who in Russia since 1900 Martin McCauley, Martin McCauley, 2002-09-11 Who's Who is Russia and the Soviet Union is a unique reference guide which examines the leading political economic cultural military scientific and sporting personalities from 1900 1991 Through analysis of figures such as Stalin Brezhnev Khrushchev Yeltsin Ratushinskaya and Sakharov a comprehensive portrait of Russian and Soviet society in this era emerges The book takes the reader up to the collapse of the Soviet Union and provides detailed biographical information on each leading figure bibliographical references with entries as an aid to further research a comprehensive glossary of Russian terms concepts and institutions and a useful chronology of events an accessible and user friendly A Z layout an invaluable guide for students teachers researchers and the general reader alike

Parliaments in the Late Russian Empire, Revolutionary Russia, and the Soviet Union Ivan Sablin, 2024-02-12 This book examines the meanings that were attached to the terms parliament and parliamentarism in the different historical and discursive contexts of the late Russian Empire revolutionary and Soviet Russia and the Soviet Union It discusses those institutions referred to as parliaments by contemporaries gives special attention to their functions and traces the broader debates on parliamentarism within Russia and the Soviet Union in Russian migr circles and among foreign observers It highlights that

only the late imperial and perestroika assemblies can be considered legislative institutions that expressed dissensus but argues that other assemblies often referred to as rubber stamp parliaments due to their lack of legislative competence and influence over other authorities should not be dismissed The Supreme Soviet for instance provided an integrative function binding society and elites in a top down manner while its deputies engaged in information acquisition and state micromanagement through interactions with their constituents It also played an important role in interparliamentary relations and as one of the first institutions of nominal parliamentarism in an autocratic single party regime of which there were many in the twentieth century served as a model for numerous state socialist regimes By addressing the role of parliaments in reassembling imperial spaces through political representation and the functions of nominal legislative institutions the book explores the contribution of Russian and Soviet assemblies to global political modernity

Passage Through Armageddon W. Bruce Lincoln, 1994 Invaded by foreign armies and threatened by the terrors of civil strife Russia's leaders mobilized more than fifteen million fighting men between 1914 and 1918 only to find that at least a quarter of them had no boots rifles or ammunition With field casualties soaring into the millions scourges of starvation and disease joined the enemy's guns to double and treble Russia's human losses Never in modern history had war so devastated a nation Recounting the tale of the Russians' passage through the shattering experience of the First World War and the revolutions of 1917 W. Bruce Lincoln offers a profoundly intelligent and detailed chronology of the watershed events and devastating hardships that led to the Bolshevik Revolution Mining an abundance of resources including letters diaries memoirs government reports military dispatches and testimony given to the revolution's first Supreme Commission of Inquiry he allows the reader to step directly into army headquarters state council chambers boudoirs trenches and underground revolutionary hideaways of the men and women who shaped the events of this crucial era

The Russian Revolution and Civil War 1917-1921 Jonathan Smele, 2006-04-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves However until now historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature *The Russian Revolution and Civil War 1917-1921* offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history The Bibliography focuses on the key years of 1917 to 1921 starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921 and covers all the key events of the intervening years As such it identifies these crucial years as something more than simply the creation of a communist state

A Catalog of Books Represented by Library of Congress Printed Cards Issued to July 31, 1942, 1942

An Anti-Communist on the Eastern Front Vladimir Kovalevski, 2023-02-16 Vladimir Kovalevskii's memoirs record in graphic detail a remarkable military career As a soldier a committed anti-communist and Russian patriot he saw from the inside a series of conflicts that

ravaged Europe in the first half of the twentieth century In the First World War he fought the Germans as a White Russian he opposed the Bolsheviks He joined the French Foreign Legion and served in Africa before fighting for Franco in the Spanish Civil War and for Hitler in the Spanish Blue Division on the Eastern Front in the Second World War His memoirs give a vivid insight into the armies he fought with and the causes he fought for and they show how eventually the mental toll became so great that he was devoured by his own contradictions and the contradictions of his times His experiences on the Eastern Front during the Second World War were shocking He hoped the German campaign in the Soviet Union would liberate the Russian people but after witnessing the grim suffering inflicted on the civilian population by a brutal occupying army he was deeply disillusioned and tormented by a sense of guilt In the late 1940s in order to make sense of his life as a soldier and to document the extraordinary sights he had seen he wrote these memoirs in Russian They were buried in an archive for over seventy years but they have now been edited annotated and translated for this first English edition *The Bloomsbury Handbook of the Russian Revolution* Geoffrey Swain, Charlotte Alston, Michael C. Hickey, Boris Kolonitskii, Franziska Schedewie, 2023-01-12 Through 30 interpretative essays The Bloomsbury Handbook of the Russian Revolution sees an international team of leading scholars comprehensively examine Russia's revolutionary years In the wake of the 2017 centenary this handbook is the first reference point for anyone wishing to learn more about the changes which took place in Russia between 1917 and 1921 and subsequently the 20th century Split into six sections covering political crises politicians and parties social groups identities regions and peoples and civil war the volume covers the collapse of Tsarism and the February Revolution the emergence of the Provisional Government and major historical figures such as Lenin Kerensky and the Socialist Revolutionary leader Viktor Chernov It also explores the events surrounding the Bolshevik seizure of power in October 1917 the first year of Soviet Government until the Bolshevik dictatorship was established and the impact on Russia of the subsequent civil war The focus is broader than these issues of high politics however since this handbook also considers events in the provinces as well as revolutionary Petrograd and examines the social impact of the revolution in terms of class gender age and culture

Catalog of Foreign Books & Microfilms in the Possession of the Library of the Faculty of Economics, the University of Tokyo Tōkyō Daigaku. Keizai Gakubu, 1962 **Readings on the Russian Revolution** Melissa K. Stockdale, 2020-09-03 Melissa K Stockdale's Readings on the Russian Revolution brings together and contextualizes 16 of the most important writings on the history of the Russian Revolution It is structured in such a way as to highlight key debates in the field and contrasting methodological approaches to the revolution in order to help readers better understand the issues and interpretative fault lines that exist in this contested area of history The book opens with an original introduction which provides essential background and vital context for the pieces that follow The volume is then structured around four parts Actors and Agency War Revolution Empire Revolutionary Dreams and Identities and Outcomes and Impacts that ensure a detailed exploration of the beginnings events and outcomes of the Russian Revolution as well as

examinations of the central figures key topics and major historiographical battlegrounds Stockdale selects and individually introduces vital scholarship from leading US and UK based academics and also provides translations of two crucial Russian language works published here in English for the first time The book also includes 20 images 10 maps and useful pedagogical features such as further reading lists a glossary and a chronology to further aid study Readings on the Russian Revolution is an essential collection for anyone studying the Russian Revolution The Occult in Russian and Soviet Culture Bernice Glatzer Rosenthal,1997 A comprehensive account of the influence of occult beliefs and doctrines on intellectual and cultural life in twentieth century Russia The Making of Three Russian Revolutionaries Ziva Galili y Garcia,Richard Wortman,1987 This book presents the life histories of three prominent survivors of the Menshevik party Lydia Dan Boris Nicolaevsky and George Denike **Canadian-American Slavic Studies** ,1992 A quarterly journal devoted to Russia and East Europe *The Bolsheviks Come to Power* Alexander Rabinowitch,2004 For generations in the West Cold War animosity blocked dispassionate accounts of the Russian Revolution This history authoritatively restores the upheaval s primary social actors workers soldiers and peasants to their rightful place at the center of the revolutionary process

Aleksandr Fedorovich Kerenskii Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Aleksandr Fedorovich Kerenskii PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Aleksandr Fedorovich Kerenskii PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and

publishers who make these resources available. In conclusion, the availability of Aleksandr Fedorovich Kerenskii free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Aleksandr Fedorovich Kerenskii Books

What is a Aleksandr Fedorovich Kerenskii PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Aleksandr Fedorovich Kerenskii PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Aleksandr Fedorovich Kerenskii PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Aleksandr Fedorovich Kerenskii PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Aleksandr Fedorovich Kerenskii PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by

their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
