Night Journey Murad Kalam,2010-05-11 Not since Richard Wright s Native Son has the education of a young man been rendered as daringly defiantly and emotionally galvanizingly as in Murad Kalam s Night Journey Night Journey is the story of Eddie Bloodpath beautiful oversized awkward child of South Phoenix s Third Ward Hefty and handsome quiet and strong like his long lost father Eddie is the good son seemingly immune to the powerful pull of the streets His older brother Turtle a frail stuttering grammar school dropout who was born to hustle isn t convinced that Eddie will stay out of trouble Acting on instinct Turtle plucks Eddie from the brink of the urban abyss and delivers him to the boxing gym A perpetual innocent and reluctant pugilist Eddie is adopted by a rogues gallery of melancholy prizefighters artful hustlers strung out mystics pubescent crack lords and drunken burnouts He falls in love with Tessa a hauntingly beautiful prostitute with whom he shares an unspeakable secret Waiting in the wings is Marchalina Eddie s high school crush a privileged bookish North Phoenix girl who could save him from his worst instincts When a senseless murder and its aftermath send Eddie running from the sun washed landscape of the American Southwest he tries to fight his way to safety first in Chicago at the national amateur competition and then in the surreal underworld of Las Vegas professional boxing Rushing pell mell toward manhood Eddie must discover where his true allegiances lie An American odyssey Night Journey is a first novel equally remarkable for its raw power and wise empathy borne up by Murad Kalam s unshakable belief in the ultimate grace of humanity

kindle interest in research on tracing the origins of the Indian Diaspora and the ancient ties that linked India to the rest of the world Reliving the memories of an Indian forester: Memoir of S Shyam Sunder Shivsharan Someshwar, 2020-01-01 Shyam Sunder's education in Mangalore and later in Madras followed a course predestined for entry in to the forest service In the Madras Presidency of the early 1950s selection to a Class I government post was highly coveted as well as restricted by numerous fences of exclusion However he succeeded due to several unusual events he narrates vividly in this memoir One of his early forestry mentors cautioned Shyam Sunder you'll either go very far or will lose your way I advise you to be careful As a researcher forest administrator and later as head of the forest department he always chose to do what felt right Inexplicably that hastened success throughout his career Except for a short period of two years when he lost most of his hair thanks to a despondent boss Shyam Sunder's career was a dream come true With the affection of 10 000 staff full support of the chief ministers he served under and ample confidence of the government Shyam Sunder made Karnataka a model state for forestry in India He retired in 1989 as the Principal Chief Conservator of Forests Shyam Sunder loved Jerome K Jerome's *Three Men in a Boat* To say nothing of the dog due to the similarity between the trip depicted in the book up and down the Thames and his own career In both cases life was interesting while not always smooth whether it was protecting forests in the Western Ghats from insatiable societal demands working with ministers intent on getting their way or striving to achieve conservation goals while being part of a labyrinthine bureaucracy Under his leadership partnering with a staff of ten thousand officials the forest department of Karnataka became the envy of departments across the country Shyam Sunder's memoir is a series of vignettes from numerous comedic to a tragic few The life narrated is varied and never short of excitement being ten yards from a charging tusker or a foot away from a King Cobra defying orders of the chief minister being hauled up for contempt of the high court and discussing with Indira Gandhi the best way to eat avocados Possessed of wit and passion the narration lays bare the hubris of popular discourse on noble forest livelihoods and unflinchingly narrates neglect of rural communities as well as of forests at times by the callous imposition of rules and regulations **Islamic Law in Early Modern Iran** Zahir Bhalloo, 2023-10-24 Historical studies on the practice of Islamic law *shari'a* tend to focus on practice in a Sunni setting during the Mamluk or Ottoman periods This book decenters Sunni and Mamluk and Ottoman normativity by investigating the practice of *shari'a* in a Twelver Shi'i Persian speaking milieu in early modern Iran between the sixteenth to twentieth centuries Drawing on documentary evidence and narrative sources it reconstructs who the practitioners of Islamic law were how they authenticated annulled and archived legal documents and how they intervened in the resolution of disputes over religious endowments *waqf* The study demonstrates that following Iran's conversion to Twelver Shi'ism under the Safavids the dominance of U'l Shi'i legal theory which conferred judicial authority on scholars recognized as Shi'i jurists *mujtahids* affected both the practitioners of Islamic law and the procedures of *shari'a* court practice in Iran Shi'i jurists in Iran as a result would come to exercise by the end of the nineteenth century a judicial monopoly over

valid sharia court practice thus laying the foundation for Ayatollah Khomeini's extension during the Iranian revolution of the authority of the Shi'i jurist over political affairs
