**Gore** Rebecca Stefoff,2008-09-01 Al Gore s mission to help the environment started during his early days in Congress and continued during his terms as a U S senator a vice president and a presidential candidate Since then he has focused all of his energies on environmental activism In 2007 Gore won the Nobel Peace Prize for his relentless efforts to protect the

environment stop global warming and spread the message about how we all can make a difference **Al Gore** Tracey

Baptiste,2013 Al Gore grew up in two worlds in Washington D C where his father was a U S senator and on a Tennessee farm

*Inventing Al Gore* Bill Turque,2014-02-14 A balanced insightful biography of the politician that shows how the pressure to succeed has shaped virtually every aspect of Gore s career Publishers Weekly starred review Why did Al Gore after angry opposition to the Vietnam War submit to the draft What happened in Vietnam that made him sullen and bitter After he renounced politics what set this son of a Tennessee senator back on the track mapped out for him What was the real nature of his partnership with Bill Clinton and how was it altered by the Lewinsky affair *Inventing Al Gore* addresses these issues and more as it unveils the true motivations ideals and idiosyncrasies of one of America s most inscrutable political figures Bill Turque who covered both of Gore s vice presidential campaigns and the Clinton White House draws on extensive access to Gore s key advisers friends and family He unmaskes a man who in private can sing and dance to George Strait s music but in public measures every comment and gesture with legendary caution As Turque details Gore s great political albatross a lack of empathy was hatched during his lonely childhood as the product of ambitious political parents who groomed him for the presidency Turque s keen analysis also uncovers the genesis of Gore s questionable fund raising and of a political platform laden with worthy but emotionally safe planks such as bioethics and global warming In addition *Inventing Al Gore* illuminates how personal tragedies have shaped his political life and the remarkable influence that women from his mother to Naomi Wolf have had on his career Refreshing Turque finds Gore to be like so many of the rest of us occasionally decent usually flawed always conflicted *Newsday*

**Earth in the Balance** Al Gore,1992 A U S senator convinced that the global environment is on the brink of disaster draws on the latest research on air water and soil pollution to develop a strategic plan for a worldwide clean up effort *Vice President Al Gore's Perspective on Global Warming* United States. Congress. Senate.

Committee on Environment and Public Works,2011 **Albert Gore, Sr.** Anthony J. Badger,2018-12-07 In chronicling the

life and career of Albert Gore Sr historian Anthony J Badger seeks not just to explore the successes and failures of an important political figure who spent more than three decades in the national eye and whose son would become Vice President of the United States but also to explain the dramatic changes in the South that led to national political realignment

Born on a small farm in the hills of Tennessee Gore served in Congress from 1938 to 1970 first in the House of Representatives and then in the Senate During that time the United States became a global superpower and the South a two party desegregated region Gore whom Badger describes as a policy oriented liberal saw the federal government as the answer to the South's problems He held a resilient faith according to Badger in the federal government to regulate wages and prices in World War II to further social welfare through the New Deal and the Great Society and to promote economic growth and transform the infrastructure of the South Gore worked to make Tennessee the atomic capital of the nation and to protect the Tennessee Valley Authority while at the same time cosponsoring legislation to create the national highway system He was more cautious in his approach to civil rights though bolder than his moderate Southern peers he struggled to adjust to the shifting political ground of the 1960s His career was defined by his relationship with Lyndon Johnson whose Vietnam policies Gore bitterly opposed The injection of Christian perspectives into the state's politics ultimately distanced Gore's worldview from that of his constituents Altogether Gore's political rise and fall Badger argues illuminates the significance of race religion and class in the creation of the modern South

**Senator Albert Gore, Sr.** Kyle Longley, 2004-10-25 Best remembered as the father of Vice President Al Gore Albert Gore Sr worked tirelessly in politics himself a Democratic congressman and senator from 1939 to 1971 and a representative of southern liberalism and American reformism In the first comprehensive biography of Gore Kyle Longley has produced an incisive portrait of a significant American political leader and an arresting narrative of the shaping of a southern and American political tradition His research includes archival sources from across the country as well as interviews with Gore's colleagues friends and family Longley describes how the native of Possum Hollow Tennessee became known during his political career as a maverick a man who according to one journalist would rock almost anybody's boat For his actions Gore often paid a heavy price personally and professionally Overshadowed by others in Congress such as Lyndon Johnson J William Fulbright Richard Russell and Barry Goldwater Gore nonetheless played a major role on the important issues of taxes the Interstate Highway system civil rights nuclear power and arms control and the Vietnam War Longley situates Gore as part of a generation of politicians who matured on the messages of William Jennings Bryan Woodrow Wilson and Franklin Roosevelt In the South Gore belonged to a staunch group of liberals who battled traditional conservative forces often within their own party He and others such as Estes Kefauver Frank Porter Graham and Ralph Yarborough set the stage for subsequent generations including that of Jimmy Carter and Jim Sasser and later Bill Clinton Al Gore Jr and John Edwards From his career shines one encapsulating moment in 1952 squared off on the floor of the Senate against Strom Thurmond who wanted Gore to sign the Southern Manifesto declaring southern resistance to desegregation Gore responded simply classically Hell no
