William Histaspas Stewart

Alabama State Constitution A Reference Guide:

The Alabama State Constitution William Histaspas Stewart, 1994 This first comprehensive history and reference guide on the Alabama State Constitution fills a major gap in the literature needed by political scientists legal and state historians and lawyers Stewart an authority on the state s political and constitutional history gives a short overview of important developments since 1819 and then analyzes the constitution the longest operative written constitution in the world providing an article by article commentary The full text of the constitution a table of cases selected bibliography and a general index add to the usefulness of this important new reference guide and teaching tool for academics and professionals

State Constitutions for the Twenty-first Century, Volumes 1, 2 & 3 G. Alan Tarr, Frank P. Grad, Robert F. Williams, 2007-06-01 State Constitutions for the Twenty first Century Volume 1 The Politics of State Constitutional Reform State Constitutions for the Twenty first Century Volume 2 Drafting State Constitutions Revisions and Amendments State Constitutions for the Twenty first Century Volume 3 The Agenda of State Constitutional Reform

The Alabama State Constitution William Histaspas Stewart, 2016 The Alabama State Constitution provides an outstanding constitutional and historical account of the state s basic governing charter In this book William H Stewart an authority on the state s political and constitutional history provides an overview of important developments since 1819 along with an in depth section by section analysis of the entire constitution detailing the many significant changes since its initial drafting The second edition includes updates to current provisions new rulings on gay marriage and touches on immigration environmental protection energy and taxation This treatment along with a table of cases index and the bibliography provides an unsurpassed reference guide for students scholars and practitioners of Alabama s constitution

The American State Constitutional Tradition John J. Dinan, 2006-04-14 For too long the American constitutional tradition has been defined solely by the U S Constitution drafted in 1787 Yet constitutional debates at the state level open a window on how Americans in different places and at different times have chosen to govern themselves From New Hampshire in 1776 to Louisiana in 1992 state constitutional conventions have served not only as instruments of democracy but also as forums for revising federal principles and institutions In *The American State Constitutional Tradition* John Dinan shows that state constitutions are much more than mere echoes of the federal document The first comprehensive study of all 114 state constitutional conventions for which there are recorded debates his book shows that state constitutional debates in many ways better reflect the accumulated wisdom of American constitution makers than do the more traditional studies of the federal constitution Wielding extraordinary command over a mass of historical detail Dinan clarifies the alternatives considered by state constitution makers and the reasons for the adoption or rejection of various governing principles and institutions Among other things he shows that the states are nearly universal in their rejection of the rigid federal model of the constitutional amendment process favoring more flexible procedures for constitutional change they often grant citizens greater direct participation in law making they have debated

and at times rejected the value of bicameralism and they have altered the veto powers of both the executive and judicial branches. Dinan also shows that while the Founders favored a minimalist design and focused exclusively on protecting individuals from government action, state constitution makers have often adopted more detailed constitutions, sometimes specifying positive rights that depend on government action for their enforcement. Moreover, unlike the federal constitution, state constitutions often contain provisions dedicated to the formation of citizen character, ranging from compulsory schooling to the regulation of gambling or liquor. By integrating state constitution making with the federal constitutional tradition, this path-breaking work widens and deepens our understanding of the principles by which we've chosen to govern ourselves.

State Constitutions for the Twenty-first Century, Volume 3 G. Alan Tarr, Robert F. Williams, 2012-02-01 This third and final volume in a series devoted to state constitutions analyzes how these documents address major constitutional issues such as the protection of rights, voting and elections, constitutional change, the legislature, the executive, the judiciary, taxing, spending, and borrowing, local government, education, and the environment. Contributors identify the strengths and weaknesses of current state constitutions, highlight the major issues confronting the states, and assess various approaches for reform.

Understanding State Constitutions G. Alan Tarr, 2018-06-05 For many Americans, the word constitution means just one thing: the national Constitution. According to a recent survey, almost half do not know that individual states also have constitutions. Scholars have also paid little attention to state constitutions, favoring the apparently more dynamic and significant federal scene. G. Alan Tarr seeks to change that in this landmark book. A leading authority on state legal issues, he combines history, law, and political science to present a thorough and long-needed account of the distinct and important role of state constitutions in American life. Tarr shows that state constitutional politics are dominated by three crucial issues with little salience at the national level: the distribution of power among groups and regions within states; the scope of state and local governmental authority; and the relation of the state to economic activity. He explains how state constitutions differ from the national Constitution in treating not only matters of high principle but also such mundane subjects as ski trails and motor vehicle revenues. He also explores why state constitutions, unlike their federal counterpart, have been so frequently amended and replaced. Tarr concludes that the United States not only has a system of dual constitutionalism but also has dual constitutional cultures. Powerfully argued and meticulously researched, the book fills an important gap in political and legal studies and finally gives state constitutions the scholarly attention they richly deserve.

State Constitutions for the Twenty-first Century, Volume 1 Robert F. Williams, G. Alan Tarr, 2006-06-01 Through illuminating case studies of reform efforts in Alabama, California, Colorado, Florida, New York, and Virginia, this book, the first of three volumes, provides the first systematic analysis of the political obstacles to state constitutional reform. For those seeking constitutional reform, this useful resource can spell the difference between success and failure, and for those interested in state politics or constitutional politics, it offers rare insight into a distinctive aspect of American constitutionalism. Written by eminent scholars who were in

many cases also active participants in the reform campaign the essays provide practical experience expert analysis and lessons for future constitutional reformers *State Constitutions for the Twenty-first Century, Volume 1* G. Alan Tarr, Robert F. Williams, 2006-06-01 The first systematic analysis of the obstacles to state constitutional reform *State Constitutions of the United States* Robert Maddex, 2005-09-23 Newly updated and reflecting the diversity of state policies and the issues that are important to them *State Constitutions of the United States* collects explains and offers comparison of each of the fifty state constitutions Its in depth explorations and easy to follow structure reveal individual state priorities the significance of state constitutions and their impact on issues that affect the day to day lives of citizens This major revision incorporates specific details and describes trends and patterns in state constitutions drawing on over 380 amendments passed since the first edition of this resource was published in 1998 These amendments address at the state level important issues that are also being debated on the national level such as freedom of religion Alabama tobacco Arizona death penalty Florida and same sex marriage in a number of states The new edition addresses all of these issues and more in well organized state by state chapters including a new chapter on Washington DC Beyond the extensive state by state coverage this resource provides further insights through supplemental materials including an overview of state constitutions comparative tables new rights such as privacy and victim s rights special provisions such as the environment and home rule and much more This is the only one volume resource on state constitutions designed to inform non specialists including students non constitutional scholars and interested citizens about the variety influence and continual revision and innovation that define state constitutions in the U S A wide range of libraries including those that serve college students AP high school students and the general public will want to update their collections with this unique and essential reference work **Searching the Law - The States** Francis R Doyle, 2022-11-14 This revised two volume set reproduces the easy to use logically organized format of *Searching the Law* for each of the 50 U S states Arranged by state and by topic within each state it features a complete list of all the legal research materials available for each state jurisdiction thousands of citations to the legal literature of each state materials applicable to more than one topic listed under each topic repeated listings under each state and topic where they apply and author title publisher format and the latest known supplement for each citation *Searching the Law The States* is the companion text to *Searching the Law Together* the sets form one of the most comprehensive logical legal reference sources available Published under the Transnational Publishers imprint The print edition is available as a set of two volumes 9781571052872 **The Law of American State Constitutions** Robert F. Williams, Lawrence Friedman, 2023 The second edition of *The Law of American State Constitutions* provides complete coverage of the legal doctrines surrounding applying to and arising from American state constitutions and their judicial interpretation Drawing on examples from specific states Professors Williams and Friedman analyze the nature and function of state constitutions in contrast to the federal Constitution including rights separation of powers issues of interpretation and the processes for amendment and revision In

this edition Williams and Friedman focus on recent developments including the state constitutional dimensions of same sex marriage and the reaction of state courts to U S Supreme Court decision making This edition of *The Law of American State Constitutions* remains an important analytical tool that explains the unique character and the range of interpretive approaches to these constitutions It covers the structure of state governments under state constitutions as well as the distribution of powers among the legislative executive and judicial branches Like the first edition this edition presents a complete picture of state constitutional law and the attributes and features that make this body of law so distinctive *State Constitutions* ,1996

The Constitution of the State of Alabama Timothy Ball,2018-02-11 This Quick Reference Guide contains the Constitution of the State of Alabama as adopted by the Constitutional Convention September 3 1901 and in effect November 28 1901 The book does not contain the amendments to the state constitution Those amendments can be found in a separate volume companion to this work As of the printing of this work there are nearly 1000 amendments to the State constitution of Alabama making it one of the longest constitutions in the world This edition contains an Improved and Easy to Read table of content facilitating quick reference when needed *Alabama Politics in the Twenty-First Century* William H. Stewart,2016-09-06 An expansive and accessible primer on Alabama state politics past and present which provides an in depth appreciation and understanding of the twenty second state s distinctive political machinery Why does Alabama rank so low on many of the indicators of quality of life Why did some of the most dramatic developments in the civil rights revolution of the 1960s take place in Alabama Why is it that a few interest groups seem to have the most political power in Alabama William H Stewart s *Alabama Politics in the Twenty First Century* explores these questions and more illuminating many of the often misunderstood details of contemporary Alabama politics in this cohesive and comprehensive publication The Alabama state government especially as a specimen of Deep South politics is a topic of frequent discussion by its general public second only to college football However there remains a surprising lack of literature focusing on the workings of the state s bureaucracy in an extensive and systematic way Bearing in mind the Yellowhammer State s long and rich political history Stewart concentrates on Alabama s statecraft from the first decade of the twenty first century through the November 2010 elections and considers what the widespread Republican victories mean for their constituents He also studies several different themes prominent during the 2010 elections including the growing number and influence of special interest groups the respective polarization of whites and blacks into the Republican and Democratic parties and the increasingly unwieldy state constitution This fascinating and revealing text provides a wealth of information about an extremely complex state government Featuring detailed descriptions of important concepts and events presented in a thorough and intelligible manner *Alabama Politics in the Twenty First Century* is perfect for scholars students everyday Alabamians or anyone who wants the inside scoop on the subtle inner workings of the Cotton State s politics Legal Information Buyer's Guide and Reference Manual Kendall F. Svengalis,Rhode Island LawPress,2008 **Tracing Your**

Alabama Past Robert Scott Davis, 2011-09-06 Searching for your Alabama ancestors Looking for historical facts Dates Events This book will lead you to the places where you ll find answers Here are hundreds of direct sources governmental archival agency online that will help you access information vital to your investigation Tracing Your Alabama Past sets out to identify the means and the methods for finding information on people places subjects and events in the long and colorful history of this state known as the crossroads of Dixie It takes researchers directly to the sources that deliver answers and information This comprehensive reference book leads to the wide array of essential facts and data public records census figures military statistics geography studies of African American and Native American communities local and biographical history internet sites archives and more For the first time Alabama researchers are offered a how to book that is not just a bibliography Such complex sources as Alabama s biographical genealogical materials federal land records Civil War era resources and Native American sources are discussed in detail along with many other topics of interest to researchers seeking information on this diverse Deep South state Much of the book focuses on national sources that are covered elsewhere only in passing if at all Other books only touch on one subject area but here for the first time are directions to the Who What When Where and Why

Framing the Solid South Paul E. Herron, 2017-06-02 The South was not always the South In the eighteenth and early nineteenth centuries those below the Potomac River for all their cultural and economic similarities did not hold a separate political identity How this changed and how the South came to be a political entity that coheres to this day emerges clearly in this book the first comprehensive account of the Civil War Era and late nineteenth century state constitutional conventions that forever transformed southern politics From 1860 to the turn of the twentieth century southerners in eleven states gathered forty four times to revise their constitutions Framing the Solid South traces the consolidation of the southern states through these conventions in three waves of development Secession Reconstruction and Redemption Secession conventions Paul Herron finds did much more than dissolve the Union they acted in concert to raise armies write law elect delegates to write a Confederate Constitution ratify that constitution and rewrite state constitutions During Reconstruction the national government forced the southern states to write and rewrite constitutions to permit re entry into the Union recognizing federal supremacy granting voting rights to African Americans enshrining a right to public education and opening the political system to broader participation Black southerners were essential participants in democratizing the region and reconsidering the nature of federalism in light of the devastation brought by proponents of states rights and sovereignty Many of the changes by the postwar conventions Herron shows were undermined if not outright abolished in the following period as Redeemers enshrined a system of weak states the rule of a white elite and the suppression of black rights Southern constitution makers in all three waves were connected to each other and to previous conventions unlike any others in American history These connections affected the content of the fundamental law and political development in the region Southern politics to an unusual degree has been a product of the process Herron traces

What his book tells us about these constitutional conventions and the documents they produced is key to understanding southern history and the South today **Alabama Governors** Albert P. Brewer, 2014-08-31 This collection of biographical essays written by thirty four noted historians and political scientists chronicles the times careers challenges leadership and legacies of the fifty seven men and one woman who have served as the state s highest elected official The book is organized chronologically into six sections that cover Alabama s years as a US territory and its early statehood the 1840s through the Civil War and Reconstruction the late nineteenth century Bourbon era twentieth century progressive and wartime governors the Civil Rights era and George Wallace s period of inf **Politics in Georgia** Robert M. Howard, Arnold Fleischmann, Richard N. Engstrom, 2017-10-15 This new edition has been extensively updated to reflect developments in Georgia politics and government since 2007 a decade that has seen three presidential election cycles two midterm elections and a census Updates reflect not only changes in how Georgia is governed but also the economic and social trends helping to drive those changes These include the continued growth and dispersal of His panic and Asian populations the decline by a variety of measures of rural areas and the moderating effect of probusiness government factions on social conservative agendas This edition maintains the book s comparative approach which examines the state from three revealing perspectives This allows readers to determine the extent to which Georgia is similar to its peers on such topics as the length and features of the constitution the organization of the state government and the nature of policies All this allows students and scholars to have a better understanding of the political and economic dynamics of Georgia and the relationship of those dynamics to national political and economic developments The result is a thorough up to date resource on Georgia s dynamic political system Features Coverage of trends and events since the prior edition appeared in 2007 Analysis of the most recent state elections A rewritten chapter on the judiciary that reflects greater representation of women and minorities on the bench and a sharp rise in Republican appointees A rewritten chapter on policy with added detail on such topics as transportation the environment education social welfare and public safety and security Extensive revisions to sections on the U S Constitution The removal of a chapter on public opinion so that its contents can be more tightly woven throughout the book Greater attention to the increased power of interest groups Acknowledgment throughout of the impact of the web and social media in politics and government **The Constitutionalism of American States** George E. Connor, Christopher W. Hammons, 2008 This comparative study of state constitutions offers insightful overviews of the general and specific problems that have confronted America s constitution writers since the country s founding Each chapter reflects the constitutional theory and history of a single state encompassing each document s structure content and evolution Provided by publisher
