Moose,Alison Aves,1999-11 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who s who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual s life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual s place in history All entries conclude with a fully annotated bibliography *Alan Paton* Edward Callan,1982

**A History of South African Literature** Christopher Heywood,2004-11-18 This book is a critical study of South African literature from colonial and pre colonial times onwards Christopher Heywood discusses selected poems plays and prose works in five literary traditions Khoisan Nguni Sotho Afrikaans English and Indian The discussion includes over 100 authors and selected works including poets from Mqhayi Marais and Campbell to Butler Serote and Krog theatre writers from Boniface and Black to Fugard and Mda and fiction writers from Schreiner and Plaatje to Bessie Head and the Nobel prizewinners Gordimer and Coetzee The literature is explored in the setting of crises leading to the formation of modern South Africa notably the rise and fall of the Emperor Shaka s Zulu kingdom the Colenso crisis industrialisation the colonial and post colonial wars of 1899 1914 and 1939 and the dissolution of apartheid society In Heywood s study South African literature emerges as among the great literatures of the modern world **The 20th Century O-Z** Frank N.

Magill,2013-05-13 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who s who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual s life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual s place in history All entries conclude with a fully annotated bibliography *X-kit Fet G10 English Home Language* Gosher, S,2009 **Persuade Us to Rejoice** Robert McAfee Brown,1992-01-01 Studying such literary figures as Frederick Buechner Albert Camus George Dennison Ursula Le Guin C S Lewis Alan Paton Ignazio Silone Alice Walker Elie Wiesel and Charles Williams Robert McAfee Brown illustrates the liberating power of fiction by enabling the reader to enter their worlds Brown asserts that although

there is no faith that offers ironclad guarantees against future struggles the wisdom of these authors can help us toward praising and rejoicing

**Insights into Ethical Theory and Practice** Francis Fallon, 2022-02-06

Ethical issues hold great importance for all of us but expert accounts of them are difficult to access for those outside academics This volume bridges that gap by framing a variety of essays within the field in a way that renders them accessible to experts and non experts alike Many collections on ethics re publish classic essays and offer contextualization and analysis while other volumes of emerging innovative work presuppose a background in the field This book uniquely borrows from both approaches offering emerging innovative work carefully curating its order for sense and presenting the work so that non experts may understand it The field of ethics is an eclectic one Where other collections on ethics may intimidate the reader by representing the field as an organized monolith or as impenetrable to outsiders this volume is designed to give readers confidence and enthusiasm in approaching a diverse and lively subject
