The Three-cornered Hat Pedro Antonio de Alarcón, 1927 One of the best loved Spanish novels of all time The Three Cornered Hat is a hilarious tale of lust intrigue and corrupt authorities set in eighteenth century Andalusia When the hideous and lascivious corregidor Don Eugenio takes a fancy to the formidable and formidably desirable Senora Frasquita the wife of a local miller the couple set about foiling his plans for a seduction There ensues a fast paced comedy of moonlight flits clothes swapping mistaken identity and slapstick accidents as the characters struggle in vain to maintain both dignity and marital harmony Calm is eventually restored in a

scene of unmasking and mutual forgiveness of truly operatic proportions *Hugo Wolf* Susan Youens, 2024-01-09 A groundbreaking look at one of the great song composers of the late Romantic period In the virtual cottage industry of works on fin de siècle Vienna Hugo Wolf 1860-1903 has been somewhat neglected perhaps because he was the master of a small genre the late Romantic lied and never truly made his mark in the larger forms that command greater public attention But in the realm of song he is among the greatest inheritors of Schubert and Schumann one who was both a traditionalist and a modernist When the Viennese critic Eduard Hanslick disapprovingly dubbed Wolf the Richard Wagner of the lied he was paying oblique homage to Wolf's genius as a song composer in the most modern manner In this book Susan Youens examines five aspects of Wolf's compositional art each exemplifying a different synthesis of traditionalism and modernity and spanning his entire tragically brief creative life from his first efforts to his lapse into insanity in 1897 She discusses Wolf's youthful imitations of Schumann his genius for comic songs of a kind unlike any of his predecessors his part in the ballad revival of the late nineteenth century Wolf in relation to his contemporaries and his pursuit of operatic fame Youens looks as closely at the poetic texts as she does the music and includes numerous previously unpublished sketches and fragments examples from songs now long out of print and difficult to obtain and citations from Wolf's vivid letters and other sources of the period
