## **Alaska Yukon Adventures:**

**Alaska-Yukon Adventures** Fraser Bridges, 1992      **The Unofficial Guide to Adventure Travel in Alaska** Melissa DeVaughn, 2008-03-04 From the publishers of The Unofficial Guide to Walt Disney World A Tourist's Best Friend Chicago Sun Times Indispensable The New York Times Four Great Features and Benefits offered ONLY by The Unofficial Guide Lodging and dining rated for quality and value Great ideas for family travel An insider's guide to the top outfitters for every activity Complete planning information for escorted tours or travel on your own      *Running North* Ann Mariah Cook, 1999-01-11 What happens when a woman and her husband move their family from New Hampshire to Alaska to train a team of purebred Siberian Huskies for the world's toughest dogsled race the Yukon Quest They endure thousands of miles of lonely training in the Yukon trying to avoid thin ice wolves and rogue moose they put up with the amused skepticism of Alaskan locals and they pit themselves against the ultimate fickle adversary nature RUNNING NORTH is the true story of how Ann Cook her husband George and their young daughter Kathleen moved to Alaska and how their Siberians became the first team from the lower forty eight states to finish the Yukon Quest It tracks George on his horrific journey through the Yukon recording the frostbite the hallucinations that come with exhaustion the wolves and the nights out on the ice at minus ninety degrees Fahrenheit This is the great story of man struggling against nature and surviving But unlike most accounts of high adventure that center solely on the adventurer and the quest RUNNING NORTH is also the story of Ann Cook who drove the truck and carried the gear and kept the family together In the tradition of MY OLD MAN AND THE SEA she tells both stories in simple elegant prose that reveals the tragedy joy and folly that lie on either side of the curtain separating the adventurer from the world left behind They run up against crazy landlords win over gruff neighbors drive a broken down truck that sucks oil like Alaskans suck coffee listen to a radio show that keeps trappers in contact with the world meet mysterious fishermen who appear without notice and disappear without a sign fight with a young cousin who will betray them in the end protect their young daughter from the dangers of their new wild world and stare awestruck at the wide sweep of Alaskan landscape RUNNING NORTH is the story of two very different adventures on the edge one among the racers braving the Yukon and the other among the people they leave behind      **An Alaskan Adventure** Alan R. Adaschik, 2014-02 Alan Adaschik's dream was to visit Alaska America's last frontier and a place which abounds with wildlife and unspoiled wilderness Upon retirement Al and his wife Gayle sold everything and bought a thirty seven foot Damon Intruder motor home to make his dream a reality An Alaskan Adventure is a narrative about Al and Gayle's trip which highlights the places they visited and the wonderful things they experienced along the way An Alaskan Adventure commences in Indiana following a visit with Al's relatives who live there After negotiating the traffic jams of Chicago Al and Gayle traveled I 94 across the northern Great Plains visiting Minnesota North Dakota and Montana along the way Heading north they visited Glacier National Park and continued on to tour Yoho Banff and Jasper national parks in Canada Afterwards Al Gayle picked up the Alaskan Highway which took them to

a realization of Al's dream. The remainder of the book is about Al Gayle's travels around the Great Alaskan Triangle, a circuit of 900 miles defined by the cities of Tok, Fairbanks, and Anchorage. While negotiating this triangle, Al and Gayle's primary goals were to find gold in one of the many streams they crossed and to also find a Woolly Mammoth frozen in a glacier. Toward this end, they took side trips to the White Mountains National Recreation Area, Denali National Park, The Top of the World Highway, and the towns of Homer and Chicken. **An Alaskan Adventure** is not just a book about touring Alaska; Al is an environmentalist, and a theme evident throughout the book is that the beauty we find around us is fleeting and that if we, as a species, continue to overpopulate our world, what we see and value so highly is sure to go away.

**An Alaskan Adventure** Frederick James Currier, 2018-08-01. As the descendant of early miners, a grandfather who prospected for gold in the Fairbanks area in 1908 and a father who mined from the 1920s through the early 1940s, my interest and fascination with Frederick Currier's manuscript was easily spiked. Currier's quest for gold from 1893 into the 1900s was an admirable pursuit. His account of prospecting ventures in 1898 on the Chena River near Fairbanks is spellbinding, especially in his use of a sternwheeler and his building of cabins as he prospected toward the headwaters. I have great admiration for the early gold prospectors like Frederick Currier, since I have sunk a couple of shafts to bedrock with a windlass and know the effort and determination required. The power of a few nuggets can change a person's direction in life. Currier's **An Alaskan Adventure** is well worth reading more than once.

**Alaska Adventure Guide** Melissa DeVaughn, 2011-01-15. The author has worked to answer all your questions about travel and recreation in a state so remote. This guide attempts to target your interests and save you time, money, and effort so that nothing is wasted during your trip. Because Alaska is so big and your options so varied, the guide is organized so you can zero in on the activity or activities that appeal to you most. Thirteen chapters focus solely on adventure travel, each devoted to a single activity. The five regional chapters that follow focus primarily on the basics in a given area of the state: getting around, shopping, lodging, dining, and entertainment. Once you've chosen the adventure of your dreams, you can go to the appropriate regional chapter to get the scoop on the best places in the vicinity to stay, eat, buy gear, rent a car, and learn about local culture and history. Outdoor travelers also are likely independent travelers. A multitude of companies offer exciting, sounding jaunts to scenic places all over the state, but many of these outfits work only with tour providers such as cruise ship operators to obtain large numbers of clients per trip, thus excluding people who wish to travel on their own. In this guide, all our listings are available to independent travelers as well as those in tour groups. The objective is not to provide the most information about destinations or attractions but rather the most useful information. The guide is opinionated, and for good reason. Any destination or outfitter listed here has made the cut by proving itself a wonderful place to visit or a reliable company with which to do business. If, for example, you want to learn more about sea kayaking in Alaska, you will not be supplied with every operation in the business, and believe us, there are many of them competing for your dollars. What you will get is a select assortment of those we consider best, and why. After all, isn't the point of a guidebook to

help you make the most informed choices      **Adventure Guide Alaska Highway** Ed Readicker-Henderson, Lynn Readicker-Henderson, 2006 The most detailed up to date guide to traveling the highway from BC through the Yukon and Alaska to Prudhoe Bay Fairbanks Anchorage Dawson City Skagway Denali National Park Valdez these are just some of the destinations covered Also included are details on alternate highways such as the Stewart Cassiar the Yellowhead Top of the World the Richardson and Glenn Highways The authors talk about where to find wildlife and how to get the best photos they share their knowledge about the most coveted camping areas they tell you which historic sites you should take in An entire chapter is dedicated to the Alaska Marine Highway a ferry service that serves as a lifeline to Alaska s coastal towns 30 maps color photos      An Alaskan Adventure Dolores Palata Vician, 2004 From the fall of 1962 to the spring of 1963 my husband Ed our five children and myself lived in an Eskimo village on the vast tundra land of Alaska We were thousands of miles from our suburban home outside of Chicago IL Ed had accepted a job as the superintendent of the largest state operated school in Alaska We were living in an Eskimo village Bethel so named by the Moravian missionaries who had established a church on the Kuskokwin River many years before The Kuskokwin River is the second largest river in Alaska surpassed only by the mighty Yukon River As for Bethel it was over four hundred miles from Anchorage Alaska on the same line of longitude as Honolulu Hawaii By November it could only be reached by airplane weather permitting This is the story of our year in Alaska living in a Quonset hut situated next to the school It is based on a daily journal I kept of our experiences there We had left behind many conveniences such as an automatic washer dryer and dish washer Instead we had accepted a comparatively primitive way of life I cooked on an oil burning stove which also served as a space heater for the front of the Quonset hut Our water had to be delivered by truck Our bathroom had a chemical toilet called a honey bucket which needed to be emptied several times a week Our accommodations were cramped compared to the split level home we had left in Illinois However there were many compensations We soon realized that we were surrounded by many kind and caring people Although we led a simple life in our year in the Alaskan Eskimo village the experience was an enriching one for the entire family This is that story      **Yukon** Polly Evans, 2010 Canada s Yukon is one the world s last great wildernesses where bears moose and caribou roam It s a place where hikers paddlers skiers and mushers can travel for days without seeing another human soul where the northern lights dance green and red across starry skies and where glaciers tumble mountain peaks soar and tundra shrubs scream scarlet as summer turns to fall Bradt s Yukon is the only guidebook dedicated to this natural and historical wonderland Offering practical advice on everything from where to pan for gold to how to avoid being eaten by a bear alongside quirky anecdotes such as the story behind the sourtoe cocktail a shot of whisky garnished with a severed human toe it s the perfect companion for highway drivers cruise ship passengers and outdoors enthusiasts alike      **Rocky Mountain Adventures** Fraser Bridges, 1996 Road Trip Adventures are for people who want to know what s around the next bend If you like to take your time turn off on side roads stop at cafes to dine with the locals and explore out of the way towns

this is the travel series for you From Banff to Telluride this book covers everything you need for a wonderful time in the Rockies including complete information on The ten best Rocky Mountain destinations Spectacular scenic routes and side trips Resorts bed and breakfasts inns and lodges RV parks and campgrounds Restaurants cafes pubs and taverns Places to take a walk picnic or swim Special attractions from street fairs to music festivals Landmarks parks and historic monuments Trailheads hot springs rivers and lakes Includes focus maps and detailed highway logs to follow as you go

**The Alaska Chronicles - Our Alaskan Cruise Adventure** Paul R. Wanning, An Alaskan cruise is a wonderful experience Taking an Alaskan cruise can be the experience of a lifetime The Alaska Chronicles Our Alaskan Cruise Adventure relates our experiences on an Alaskan cruise The Alaska Chronicles Our Alaskan Cruise Adventure contains not just experiences about our cruise It also contains information about both big ship and small ship Alaskan cruises Use this guide to help you decide just what kind of Alaskan cruise you want to take A big ship cruise experience offers luxury convenience and plenty of Alaskan culture A small ship Alaskan cruise provides a more intimate of Alaska because it can put you into places a big cruise cannot get into The smaller ships have fewer passengers and thus the crew personnel can give more personal attention This guide contains cruise line contact information and the possible itineraries of the cruises alaska cruise excursion cruise adventures alaskan cruise guide
