Albert Camus In New York:

Albert Camus John Foley, 2014-12-05 Adopting an interdisciplinary approach encompassing philosophy literature politics and history John Foley examines the full breadth of Camus ideas to provide a comprehensive and rigorous study of his political and philosophical thought and a significant contribution to a range of debates current in Camus research Foley argues that the coherence of Camus thought can best be understood through a thorough understanding of the concepts of the absurd and revolt as well as the relation between them This book includes a detailed discussion of Camus writings for the newspaper *Combat* a systematic analysis of Camus discussion of the moral legitimacy of political violence and terrorism a reassessment of the prevailing postcolonial critique of Camus humanism and a sustained analysis of Camus most important and frequently neglected work *L'Homme révolté* **The Rebel** **Journal of Camus Studies 2014** Camus Society, 2014-11-20 **Journal of Camus Studies 2014** Scholarly essays on the literature and philosophy of Albert Camus Contributors Ceylan Ceyhun Arslan Jeffry C Davis Joseph Ford Mary Gennuso Thomas P Izler Zachary James Purdue Matthew Sharpe and Giovanni Gaetani *The Stranger - Albert Camus* Harold Bloom, 2009 The condition of man is revealed as absurd in Camus's short novel **Casablanca's Conscience** Robert Weldon Whalen, 2024-02-06 A new look at a beloved classic film that explores the philosophical dynamics of *Casablanca* Celebrating its eightieth anniversary this year *Casablanca* remains one of the world's most enduringly favorite movies It won three Academy Awards for Best Picture Best Director and Best Adapted Screenplay It is still commonly quoted We'll always have Paris and Here's looking at you kid And who can forget You must remember this a kiss is just a kiss Yet no one expected much to come of this little film certainly not its blockbuster stars or even the studio producing it So how did this hastily cranked out 1940s film despite its many limitations become one of the greatest films ever made How is it that year after year decade after decade it continues to appear in the lists of the greatest movies ever produced And why do audiences still weep when Rick and Ilsa part The answer according to *Casablanca's Conscience* is to paraphrase Rick It's true Much has already been written about the film and the career defining performances of Bogart and Bergman *Casablanca* is an epic tale of love betrayal and sacrifice set against the backdrop of World War II Yet decades later it continues to capture the imagination of filmgoers In *Casablanca's Conscience* author Robert Weldon Whalen explains why it still resonates so deeply Applying a new lens to an old classic Whalen focuses on the film's timeless themes Exile Purgatory Irony Love Resistance and Memory He then engages the fictional characters Rick Ilsa and the others against the philosophical and theological discourse of their real contemporaries Hannah Arendt Dietrich Bonhoeffer and Albert Camus The relationships between fictional and historical persons illuminate both the film's era as well as perennial human concerns Both the film and the work of the philosophers explore dimensions of the human experience which while extreme are familiar to everyone It's the themes that resonate with the viewer that have sustained it as an evergreen classic all these years **Twentieth-century Modern Masters** Sabine Rewald, 1989 Published in conjunction

Often marginalised on the sidelines of both philosophy and literature the works of Albert Camus have in recent years undergone a renaissance While most readers in either discipline claim Camus and his works to be theirs the scholars presented in this volume tend to see him and his works in both philosophy and literature This volume is a collection of critical essays by an international menagerie of Camus experts who despite their interpretive differences see Camus through both lenses For them he is a novelist essayist who embodies a philosophy that was never fully developed due to his brief life The essays here examine Camus's first published novel The Stranger from a variety of critical and theoretical perspectives each drawing on the author's knowledge to present the first known critical examination in English As such this volume will shed new light on previous scholarship The Cambridge Introduction to Theatre and Literature of the Absurd Michael Y. Bennett, 2015-10-29

Michael Y Bennett's accessible Introduction explains the complex multidimensional nature of the works and writers associated with the absurd a label placed upon a number of writers who revolted against traditional theatre and literature in both similar and widely different ways Setting the movement in its historical intellectual and cultural contexts Bennett provides an in depth overview of absurdism and its key figures in theatre and literature from Samuel Beckett and Harold Pinter to Tom Stoppard Chapters reveal the movement's origins development and present day influence upon popular culture around the world employing the latest research to this often challenging area of study in a balanced and authoritative approach Essential reading for students of literature and theatre this book provides the necessary tools to interpret and develop the study of a movement associated with some of the twentieth century's greatest and most influential cultural figures **Reading the Modern European Novel since 1900** Daniel R. Schwarz, 2018-04-30

An exploration of the modern European novel from a renowned English literature scholar Reading the Modern European Novel since 1900 is an engaging in depth examination of the evolution of the modern European novel Written in Daniel R Schwarz's precise and highly readable style this critical study offers compelling discussions on a wide range of major works since 1900 and examines recurring themes within the context of significant historical events including both World Wars and the Holocaust The author cites important developments in the evolution of the modern novel and explores how these paradigmatic works of fiction reflect intellectual and cultural history including developments in painting and cinema Schwarz focuses on narrative

complexity thematic subtlety and formal originality as well as how novels render historical events and cultural developments Discussing major works by Proust Camus Mann Kafka Grass di Lampedusa Bassani Kertesz Pamuk Kundera Saramago Muller and Ferrante Schwarz explores how these often experimental masterworks pay homage to the their major predecessors discussed in Schwarz s ground breaking *Reading the European Novel to 1900* even while proposing radical departures from realism in their approach to time and space their testing the limits of language and their innovative ways of rendering the human psyche Written for teachers and students by a highly acclaimed scholar and including valuable study questions *Reading the Modern European Novel since 1900* offers a guide for a deeper understanding of how these original modern masters respond to both the past and present *Dark Feelings, Grim Thoughts* Robert C. Solomon,2006-07-27 In the same spirit as his most recent book *Living With Nietzsche* and his earlier study *In the Spirit of Hegel* Robert Solomon turns to the existential thinkers Albert Camus and Jean Paul Sartre in an attempt to get past the academic and political debates and focus on what is truly interesting and valuable about their philosophies Solomon makes the case that despite their very different responses to the political questions of their day Camus and Sartre were both fundamentally moralists and their philosophies cannot be understood apart from their deep ethical commitments He focuses on Sartre s early pre 1950 work and on Camus s best known novels *The Stranger* *The Plague* and *The Fall* Throughout Solomon makes the important point that their shared interest in phenomenology was much more important than their supposed affiliation with existentialism Solomon s reappraisal will be of interest to anyone who is still or ever has been fascinated by these eccentric but monumental figures

Albert Camus and the Philosophy of the Absurd Avi Sagi,2022-06-08 This book is an attempt to read the totality of Camus s oeuvre as a voyage in which Camus approaches the fundamental questions of human existence What is the meaning of life Can ultimate values be grounded without metaphysical presuppositions Can the pain of the other penetrate the thick shield of human narcissism and self interest Solipsism and solidarity are among the destinations Camus reaches in the course of this journey This book is a new reading of one of the towering humanists of the twentieth century and sheds new light on his spiritual world **Catalogue of the New York State Library, 1872** New York State Library,1872 **Report on the**

The Facts on File Companion to the French Novel Karen L. Taylor, 2006 French novels such as Madame Bovary and The Stranger are staples of high school and college literature courses This work provides coverage of the French novel since its origins in the 16th century with an emphasis on novels most commonly studied in high school and college courses in world literature and in French culture and civilization

The Literature 100 Daniel S. Burt, 2008 Here is the revised and expanded edition of Daniel S Burt s fascinating assessment of the 100 most influential novelists playwrights and poets of all times and cultures now with 25 additional entries and some reassessments as well as 25 new black and white photographs and illustrations From Doris Lessing and Gabriel Garc a M rquez to Homer and Marcel Proust the entries provide a compelling accessible introduction to significant writers of world literature All of the writers selected have helped to redefine literature establishing a standard with which succeeding generations of writers and readers have had to contend The ranking attempts to discern from the broadest possible perspective what makes a literary artist great and how that greatness can be measured and compared Each profile distills the essence of the writer s career and character to help prompt consideration of literary merit and relationships by the reader

We're Not Here to Entertain Kevin Mattson, 2020 Kevin Mattson offers a history of punk rock in the 1980s He documents how kids growing up in the sedate world of suburbia created their own culture through DIY tactics Punk spread across the continent in the 1980s as it found expression in different media including literature art and poetry Punks dissented against Reagan s presidency accusing the entertainer in chief of being mean and duplicitous especially when it came to nuclear war and his policies in Central America Mattson has dived deep into archives to make his case that this youthful dissent meant something more than just a style of mohawks or purple hair

The Transforming God Tyron Inbody, 1997-01-01 This book offers a bold new approach to the theological interpretation of human suffering Beginning with a description of suffering and evil as religious problems Inbody moves to a critique of the all loving and omnipotent deity in classical theism concluding with a radical interpretation of the Christian God as a vulnerable transforming God

Grace and Humanness Orlando O. Espin, 2007 These essays by one of the foremost U S Latino theologians offer far ranging insights on the relation between theology and culture Orlando O Espin addresses the challenge of culture and insightfully attempts to construct Christian theology from perspectives that are neither culturally historically nor ethically naive These essays open new theological ground and ask theologians to acknowledge and name their cultural perspectives and locations in the construction of their theologies
