Kathleen Louise Hancock,2007 **St. Joseph's College** Kenneth Munro,2015-12-02 When Archbishop Henry O Leary became the second archbishop of Edmonton in 1920 he had a dream to build a western Canada Catholic college that would educate students in the Christian intellectual tradition This is the story of how a small Roman Catholic institution confronted daunting challenges to become a Christian beacon of enlightenment at the very heart of the secular University of Alberta Scholarship and community life in residence was always supplemented with teaching from the Christian Ministry Team to form Christian citizens who would go out into the world to serve the larger community following graduation In 1963 the Congregation of St Basil took over the administration of the College from the Christian Brothers de la Salle who had

administered the College from its founding in 1926 Since its establishment almost ninety years ago the College has continued to provide young men and women with post secondary courses grounded in Roman Catholic thought while pursuing their undergraduate degrees at the University of Alberta Initially a residence was built for men but O Leary s dream of also constructing a women s residence never died and was finally realized in 2015 Faced with slender means misunderstandings student mischief and personality clashes the mission of St Joseph s College has guided faculty administrators staff and Board members throughout its history and melded them into a close knit community whose example is the envy of other units at the University of Alberta

Calgary's Stampede Queens Jennifer

Hamblin, 2014 Alongside images of racing chuckwagons cowboys on bucking broncos and Aboriginal people in full regalia one of the most recognizable and enduring symbols of the Calgary Stampede is a trio of pretty cowgirls wearing white hat crowns Not surprisingly modern day Stampede Queens and Princesses make more than 450 public appearances per year promoting the show and the city of Calgary both at home and abroad But the fair was nearly six decades old before it appointed a royal representative to promote its interests In 1946 Patsy Rodgers became the Stampede's first rodeo queen The following year a local service club raised funds by sponsoring a contest for Queen of the Stampede Although it bore little resemblance to its modern counterpart this early competition based on ticket sales was widely popular and over the next few decades raised the equivalent of one million dollars for local charities and service projects From the beginning the Stampede recognized the promotional potential of the royal figureheads and worked to ensure that winners were credible representatives of what quickly became a year round public relations job In 1966 the Stampede officially took over and modernized the contest but it would take many decades of trial and error evolution to perfect the process of selecting and training its royalty Against a backdrop of changing times and drawing on contemporary sources and personal interviews the author traces the origin and development of the Calgary Stampede Queen contest and profiles its lucky young winners over seven exciting decades Complete with a large selection of archival photos Calgary's Stampede Queens tells the story from this fascinating corner of The Greatest Outdoor Show on Earth
