Alchemist Assault D K Holmberg, Dan Michaelson, 2021-08-30 Alchemy is the key to stopping the Nighlan but no Alchemists remain The dangerous alchemy key has bonded to Sam giving him access to the almanac that is the key to the ancient power of true Alchemy He s made an enemy of the Nighlan but it s those inside of the Academy he worries more about Though he has no magic he has continued to excel which puts a target on his back He has allies inside of the Academy but remains an outsider When the Nighlan attack in the city and Sam is targeted his connection to the key is threatened

Without that and the almanac the Academy lacks the defenses that can protect it If Sam can't find his connection to the key not only might another claim it from him but he could be permanently scarred This time his knowledge of Alchemy and the arcane arts might not be enough Sam must find real power within himself for failure means that more than the Academy will fall to the Nighlan *The Languages of Alchemy* Gareth Roberts, 1997
