Alcohol And Homicide A Deadly Combination Of Two American Traditions

Alex Thio, Jim Taylor

Alcohol And Homicide A Deadly Combination Of Two American Traditions:

Alcohol and Homicide Robert Nash Parker, Linda-Anne Rebhun, 1995-01-01 The authors show how and why alcohol and violence are so often linked today **Drunks, Drugs & Debits** Doug Thorburn, 2000 How to identify the addicts in your life and their negative impact **The Nature of Homicide** Homicide Research Working Group. Annual Workshop, 1997 The Topography of Violence in the Greco-Roman World Werner Riess, Garrett G. Fagan, 2016-06-15 Examines how location confers cultural meaning on acts of violence and renders them socially acceptable or not **Neurobiology of Aggression** Mark P Mattson, 2003-03-24 Aggression is a highly conserved behavioral adaptation that evolved to help organisms compete for limited resources and thereby ensure their survival However in modern societies where resources such as food shelter etc are not limiting aggression has become a major cultural problem worldwide presumably because of its deep seeded roots in the neuronal circuits and neurochemical pathways of the human brain In *Neurobiology of Aggression Understanding and Preventing Violence* leading experts in the fields of the neurobiology neurochemistry genetics and behavioral and cultural aspects of aggression and violence provide a comprehensive collection of review articles on one of the most important cross disciplinary issues of our time Rather than summarize the topics covered by each author in each chapter I present a schematic diagram to guide the reader in thinking about different aspects of aggressive and violent behavior from its neurobiological roots to environmental factors that can either promote or prevent aggression to visions of some of the most horrific acts of violence of our times and then towards the development of strategies to reduce aggressive behavior and prevent violence It is hoped that *Neurobiology of Aggression Understanding and Preventing Violence* will foster further research aimed at understanding the environmental genetic and neurochemical roots of aggression and how such information can be used to move forward towards the goal of eliminating violence Substance Use and Abuse: Oxford Bibliographies Online Research Guide Amie L. Nielsen, 2010-05 This ebook is a selective guide designed to help scholars and students of criminology find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated related A reader will discover for instance the most reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic In criminology as in other disciplines researchers at all levels are drowning in potentially useful scholarly information and this guide has been created as a tool for cutting through that material to find the exact source you need This ebook is a static version of an article from *Oxford Bibliographies Online Criminology* a dynamic continuously updated online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study and practice of criminology *Oxford Bibliographies*

Online covers most subject disciplines within the social science and humanities for more information visit [www aboutobo com](http://www.aboutobo.com)

Alcoholism and Other Drug Problems James E. Royce,1996 **Latino Homicide** Ramiro Martinez, Jr.,2014-10-24 Latino Homicide is the first empirically based but readable book for courses to counter the conventional wisdom that immigrant populations only contribute crime to their communities For this second edition Martinez further emphasizes his argument with updated data and the addition of a new city San Antonio With fascinating case studies from police reports and actual cases from six varied cities Latino homicide rates are revealed to be markedly lower than one would expect given the economic deprivation of these urban areas Far from dangerous or criminal these communities often have exceptionally strong social networks precisely because of their shared immigrant experiences Martinez skillfully refutes negative stereotypes in a coherent and critically rigorous analysis of the issues **Violent Crime** Christopher J.

Ferguson,2009-01-13 Offering a unique and interdisciplinary focus on the roots of violence Violent Crime Clinical and Social Implications explores cutting edge research on the etiology nature assessment and treatment of individuals who commit violent crimes This edited volume covers the foundations of criminal behavior offers a balanced discussion of both environmental and biological research and includes articles written by top researchers and scholars in the field In Part I Violent Crime examines the origins of violence including family and other social factors media violence genetics biochemistry and head injuries Part II delves into research on specific subgroups of offenders including sex offenders domestic violence perpetrators murderers and serial murderers Part III focuses on issues related to victimology prevention and the treatment of violent offenders Key Features Draws from a wide range of disciplines including criminology sociology biology medical science genetics clinical psychology and psychiatry Introduces students to cutting edge research on genetic biochemical and traumatic brain injury related causes and correlates of violent crime Presents a systematic introduction to the current state of the field and its likely future through articles from leading researchers in the various subfields of violent crime Includes case studies with salient fascinating examples of actual crimes and criminals to help students understand key points Offers an international focus with authors from Canada England Greece and Spain as well as from the United States Provides end of chapter learning aids including summaries discussion questions Internet resources and suggestions for further reading A must read for any student of criminological research Violent Crime Clinical and Social Implications can be used as a core or supplementary text in undergraduate and graduate courses on Violent Crime Interpersonal Violence and Social Deviance

Out of Control Erich Goode,2008 A supplemental textbook that examines the self control theory of crime from a range of perspectives both supportive and critical **Special Report to the U.S. Congress on Alcohol and Health from the Secretary of Health and Human Services** ,2000 *Contemporary Social Problems in the UK* Selwyn Stanley,2022-09-30 Social problems are endemic to all societies The UK is no exception and is grappling with a plethora of issues including poverty family breakdown domestic violence teenage pregnancy child abuse and neglect youth offending alcohol and drug

misuse mental health issues homelessness and ethnic and religious discrimination These problems have huge implications for the individual the family unit and society at large and take their toll on health wellbeing and community resources They place an enormous amount of strain on government finances and the welfare state and add to the burden on social institutions such as the National Health Service and the social work and criminal justice systems Contemporary Social Problems in the UK explores a wide range of social problems in the UK Each social problem has been explored using a range of psychosocial theories to generate an understanding of various causal factors and to examine the linkages between different social problems Government policy and legislation remedial measures preventive approaches and strategies of intervention are also considered for each social problem that has been dealt with Each chapter deals with a particular social problem and has been penned by an expert in that topic The endeavour has been to provide a multi dimensional overview of the social problem in a manner that is engaging and easy to read The end of chapter content includes supplementary reading useful topic related websites besides a quiz and individual group activities to generate discussion and stimulate learning This informative yet accessible textbook will be an invaluable resource for instructors and students in the social sciences as well as professionals who work with people who experience some of these problems

Resource Papers for the Secretary's Youth Substance Abuse Prevention Initiative ,1997 **10th Special Report to the U.S. Congress on Alcohol and Health** ,2000 **How**

Ottawa Spends, 2006-2007 Doern G. Krohn,Alan J. Lizotte,Gina Penly Hall,2010-01-15 **Special Report to the U.S. Congress on Alcohol & Health** ,2000

The Sociology of American Drug Use Charles E. Faupel,Gregory Weaver,Jay Corzine,2014 Thoroughly revised and updated in its third edition The Sociology of American Drug Use presents a broader sociological perspective on drug use in American society than any other text The authors all sociologically trained criminologists include extensive coverage of various methods and statistics for measuring drug use a topic that is particularly relevant for sociology students The book opens with an examination of the construction of drug use as a social problem setting the stage for the rest of the text The

first section addresses basic conceptual methodological and theoretical issues in the study of drug use while the second section analyzes its various social correlates demographic institutional health economic cultural and subcultural and violent and criminal The final section focuses on societal reaction to drug use with discussions of prohibition decriminalization and legalization policy options and drug treatment drug education and drug testing New to the Third Edition Increased material on legal drugs like salvia and an expanded discussion of the recreational use of prescription drugs including the misuse of such drugs as Adderall OxyContin and Vicodin among college students New and updated Drug Controversies boxes Updated information on the pharmaceutical industry and an expanded discussion of the drug approval process with a new flowchart More in depth discussion of cartels and the current drug violence along the U S Mexican border Greater emphasis on cross cultural issues and perspectives including new material on crime and the American dream drug trafficking to the U S and opium production in Afghanistan and the European roots of harm reduction An expanded discussion of the role of the media and more material on family as a social institution An updated and streamlined glossary and bibliography

The Dynamics of Murder R. Barri Flowers, 2012-11-26 In recent years there has been a surge in school shootings workplace homicides hate violence and deadly terrorist attacks in the United States This has resulted in a greater focus on homicidal behavior its antecedents ways to recognize warning signs of at risk victims and offenders and preventive measures It has also led to increased efforts by lawmakers to create and pass tough crime legislation as well as improved federal state and local law enforcement response to murder and other violent crimes The Dynamics of Murder Kill or Be Killed is a multifaceted probe of murder offenses offenders victims and characteristics of homicide in American society This book breaks new ground in homicide studies by examining issues generally ignored or neglected among researchers Topics include murders occurring in the workplace and in schools those perpetrated by gangs and terrorists those incited by bias and intimate and intrafamilial murders The book discusses sexual killers serial and mass murderers and suicide It also examines psychological and sociological theories on murder and violence as well as the increasing role the Internet plays in these crimes Case studies of actual murderers are included including serial killers Gerald and Charlene Gallego mass murderer Byran Koji Uyesugi the murder suicide case of Sahel Kazemi and the intrafamilial murders committed by Charles Stuart and Sarah Marie Johnson A comprehensive exploration of the crime of murder in American society this fascinating study is an essential resource for researchers criminologists and other professionals in a wide range of disciplines

Social Problems Alex Thio, Jim Taylor, 2011-02-11 This comprehensive text provides a constructionist conflict approach to the various kinds of social problems that relate to deviance institutions and globalization Social Problems consists of 16 chapters divided into 5 parts Each chapter opens with a vignette that provides the nature and extent of a social problem the conflicting views of the problem various sociological theories of the problem global aspects of the problem social policies for dealing with the problem and sociological insights on the problem that students can use to enhance their lives Each chapter concludes with

key terms critical thinking questions and internet resources Key Features Provides an accessible engaging writing style designed to help students master core concepts so you can spend less classroom time explaining basic concepts Includes interdisciplinary examples throughout making it ideal for courses taught out of Criminal Justice or Sociology departments Written to reflect the 2010 Census Update this text is the most up to date and relevant resource on the subject Instructor Resources include Instructor Manual Includes tips for instructors for creating the course syllabus and both in class and online student activities Additionally the manual includes answers to the questions in the student study guide and lecture outlines Complete TestBank includes multiple choice and true or false questions all with answers and page references Also includes short answer questions and essays Microsoft PowerPoint lecture slides Student Resources will include a Companion Website featuring practice quizzes chapter outlines summaries interactive flashcards links to relevant research databases newsfeed updates
