Alcohol Problems In Older Adults Prevention And Management:

Alcohol Problems in Older Adults Kristen Barry, PhD, Frederic Blow, PhD, 2001-03-05 This manual provides state of the art practical materials to detect prevent and intervene with older adults who are at risk and problem drinkers It provides the first systematic practical approach for working with the growing vulnerable population of older adults who use alcohol at risk levels often unnoticed in everyday clinical practice Including guides to alcohol screening protocols for managing withdrawal care and an English Spanish Health Promotion Workbook for Older Adults this book is designed as a hands on text for use in a range of primary and mental health care settings Physicians nurse practitioners nurses social workers psychologists and case managers will all be able to use it profitably

Handbook of Psychosocial Interventions with Older Adults Sherry M. Cummings, Nancy P. Kropf, 2013-09-13 In the past decade evidence based practice EBP has emerged as one of the most important movements to improve the effectiveness of clinical care As the number of older adults continues to grow it is essential that practitioners have knowledge of effective strategies to improve both the medical and the psychosocial aspects of older persons lives The purpose of this work is to present systematic reviews of research based psychosocial interventions for older adults and their caregivers The interventions presented focus on a variety of critical issues facing older adults today including medical illnesses cardiac disease diabetes arthritis pain cancer and HIV AIDS mental health cognitive disorders depression anxiety dementia substance abuse and social functioning developmental disabilities end of life dementia caregivers grandparent caregivers For each of these areas the prevalence of the problem the demographics of those affected and the nature and consequences of the problem are discussed The empirical literature is then reviewed A treatment summary highlights the type and nature of research supporting the interventions reviewed and is followed by a conclusion section that summarizes the status of intervention research for the specified issue A Treatment Resource Appendix for each area is included These appendices highlight manuals books articles and web resources that detail the treatment approaches and methodologies discussed This book was previously published as a special issue of the Journal of Gerontological Social Work

Principles of Addiction Medicine Richard K. Ries, Shannon C. Miller, David A. Fiellin, 2009 This respected text from the American Society of Addiction Medicine is valuable for all physicians and mental health personnel who specialize in addiction medicine and who treat patients with addiction disorders The chapters blend scientific principles underlying addiction with the practical essentials of clinical addiction medicine Many of the contributors are affiliated with leading government agencies that study addiction and its science such as the National Institute on Alcohol Abuse and Alcoholism and the National Institute on Drug Abuse The book will appeal to a wide and interdisciplinary range of professionals especially those with interest or duties relating to addiction related disorders and in particular physicians seeking certification status via either the American Board of Addiction Medicine or the American Board of Psychiatry and Neurology A companion Website will offer the fully searchable text

Addiction in the Older Patient Maria Sullivan, Frances R. Levin, 2016 An

evidence based review of diagnostic and treatment strategies for successfully managing alcohol and substance use disorders in older adults With contributions from leaders in the field of addiction treatment this volume offers the most current clinical recommendations and describes best practices for implementing effective treatments in this growing patient population

Principles of Addiction Medicine Christopher A. Cavacuiti, 2012-03-28 Principles of Addiction Medicine The Essentials is a compact and portable distillation of the American Society of Addiction Medicine's flagship text Principles of Addiction Medicine This handbook presents the clinically essential points from the larger text in an easy to follow outlined and bulleted format Each chapter follows a template with structured headings such as pharmacokinetics pharmacodynamics therapeutic uses effects liability and withdrawal Principles of Addiction Medicine The Essentials is an excellent reference for a wide variety of addiction medicine professionals including psychiatrists psychologists psychiatric nurses social workers internal medicine primary care physicians and substance abuse counselors The Oxford Handbook of Clinical Geropsychology

Nancy A. Pachana, Ken Laidlaw, 2014 The Oxford Handbook of Clinical Geropsychology is a landmark publication in this field providing broad and authoritative coverage of the research and practice issues in the field today as well as innovations expanding the field's horizons It includes chapters from the foremost scholars in clinical geropsychology from around the world

Social Work Practice with the Elderly Marvin David Feit, Michael J. Holosko, 2004 The third edition describes significant practice issues and challenges facing gerontological social workers working with the fastest growing demographic cohort in North America Insightful and creative practitioners provide current accounts and case examples from their work in a variety of settings The material includes both micro and macro practice and offers a focus on advanced specialty practice while also providing an advanced generalist model All the chapters have been rewritten and updated by adding related additional readings and websites Six new chapters have been added on sensory impairment HIV AIDS elder abuse community assisted living rural elderly retirement and volunteerism Social Work Practice with the Elderly offers an exciting collection of well crafted readings and will be useful for any social work student at the undergraduate or graduate level It will also be a valuable resource for those in other helping professions who work side by side with social workers in this field nurses physiotherapists music and art therapists psychologists physicians recreational therapists speech and language therapists and clergy

Clinical Work with Substance-Abusing Clients, Third Edition Shulamith Lala Ashenberg Straussner, 2013-12-12 This volume offers practical guidance for working with substance abusers and their families in a variety of clinical contexts Expert contributors present major assessment and treatment approaches together with detailed recommendations for intervening with specific substances and meeting the needs of different populations Throughout helpful case vignettes illustrate how to translate the ideas presented into practice and overcome common stumbling blocks

Reichel's Care of the Elderly Jan Busby-Whitehead, Samuel C. Durso, Christine Arenson, Mary H. Palmer, Rebecca Elon, William Reichel, 2022-07-21 A clinical guide for all health specialists offering practical relevant and comprehensive

information on managing the elderly patient

Gabbard, Judith S. Beck, Jeremy Holmes, 2007 With the publication of this book psychotherapy finally arrives at the mainstream of mental health practice This volume is an essential companion for every practising psychiatrist clinical psychologist psychotherapy counsellor mental health nurse psychotherapist and mental health practitioner It is integrative in spirit with chapters written by an international panel of experts who combine theory and research with practical treatment guidelines and illustrative case examples to produce an invaluable book Part One gives a comprehensive account of all the major psychotherapeutic approaches Parts Two and Three systematically describe psychotherapeutic approaches to the major psychiatric disorders and personality disorders Many chapters are multi authored and describe the psychodynamic cognitive behavioural and other approaches for treating these illnesses Part Four examines applications and modifications of psychotherapy across the lifecycle Part Five describes psychotherapy with specific populations such as medical patients and those where gender is an issue and finally Part Six tackles some of the special topics of concern to psychotherapists including ethics legal issues and psychotherapy and neuroscience The first of its kind this is a must have volume for all trainee and practising psychological therapists whatever their background psychiatry psychology social work or nursing Alcohol

Problems in Older Adults Kristen Lawton Barry, David W. Oslin, Frederic C. Blow, 2001-03-05 This manual provides state of the art practical materials to detect prevent and intervene with older adults who are at risk and problem drinkers It provides the first systematic practical approach for working with the growing vulnerable population of older adults who use alcohol at risk levels often unnoticed in everyday clinical practice Including guides to alcohol screening protocols for managing withdrawal care and an English Spanish Health Promotion Workbook for Older Adults this book is designed as a hands on text for use in a range of primary and mental health care settings Physicians nurse practitioners nurses social workers psychologists and case managers will all be able to use it profitably **Handbook of Gerontology** James A. Blackburn, Catherine N.

Dulmus, 2007-06-15 A multidisciplinary resource that combines the latest research with the best practices for working with older adults The Handbook of Gerontology Evidence Based Approaches to Theory Practice and Policy provides an essential source of important theoretical and applied information on gerontology for all mental health professionals interested in optimizing the health and well being of older adults Interdisciplinary and incorporating the most current evidence based practices in its focus this timely book considers the many factors that affect the way this growing population experiences the world and provides a positive and proactive guide to administering care Integrating the latest research findings with important practice implications for working with an older client population the Handbook of Gerontology draws on a multidisciplinary team of expert contributors who provide coverage and insight into a diverse range of topics including A global perspective on aging Elder abuse Family caregiving Parenting grandchildren Depression Substance abuse Alzheimer s disease Successful aging and personality Biological and cognitive aspects and theories of aging An exceptional resource for practitioners researchers policymakers and students the Handbook of Gerontology is essential reading for anyone who works with older adults *Social Work Practice in the Addictions* Michael G. Vaughn, Brian E. Perron, 2012-12-09 Social workers

represent the largest body of addiction and mental health service providers and there is a consistent need for up to date information Social Work Practice in the Addictions is a comprehensive evidence based volume Contributing authors of this volume have been carefully selected to ensure representation of the leading social work addiction researchers Additionally researchers from other allied fields including psychiatry psychology and public health will also be involved to ensure a strong interdisciplinary perspective Unlike other texts on addiction this book incorporates ideas of social justice practice with diverse communities and ethics to represent the entire knowledge base of social work *Evidence-Based Geriatric Nursing*

Protocols for Best Practice Marie Boltz, 2012 Print CourseSmart Addictive Disorders in Medical Populations Norman S. Miller, Mark S. Gold, 2011-07-26 This book has a much wider focus than traditional books written about drug and alcohol addictions This unique book is written by medical specialists who diagnose treat and research addictive disorders in their specialities Thus it meets the needs of the typical medical practitioner who wants to learn about and treat patients with addictive disorders in their practices Because alcohol and drug problems are so prevalent and affect medical conditions

profoundly the medical specialist will improve their knowledge and skill to diagnose and treat addictive disorders in their specialties Drug and alcohol addictions occur commonly in medical populations 25 50% of patients seen by primary care physicians have alcohol and drug disorders with even higher prevalence in certain medical specialty populations Drug use including illicit drug use and actual or perceived misuse of prescribed medications alcohol use and what has been called unhealthy drinking are even more common in trauma centers and our society Currently there are no authoritative addiction texts that focus on the identification intervention and management of either addictive disorders in medical populations or medical complications in addiction populations Neurobiological progress in the field of addiction has been amazing and evidence based treatments have developed at a phenomenal pace with bench to office applications for tobacco alcohol and drugs Pharmacological and psychosocial treatments are described here in detail and in practical terms The medical and mental complications of addiction are explained comprehensively throughout the text Clinical considerations are the predominant theme with the standards of clinical practice grounded in the most current research The chapters include practical presentations of both clinical and research materials with instruments for screening and assessment and treatment It will be useful for all those seeking information to help a patient or family with a tobacco alcohol or drug problem We hope this book can give answers and direction to the identification and management of addictions and their medical complications in patient populations

Psychotherapy with Older Adults Bob G. Knight, 2004-02-20 This Third Edition of the bestselling Psychotherapy with Older Adults continues to offer students and professionals a thorough overview of psychotherapy with older adults Using the contextual cohort based maturity specific challenge CCMSC model it draws upon findings from scientific gerontology and life span developmental psychology to describe how psychotherapy needs to be adapted for work with older adults as well as when it is similar to therapeutic work with younger adults Sensitively linking both research and experience author Bob G Knight provides a practical account of the knowledge technique and skills necessary to work with older adults in a therapeutic relationship This volume considers the essentials of gerontology as well as the nature of therapy in depth focusing on special content areas and common themes Psychotherapy with Older Adults includes a comprehensive discussion of assessment and options for intervention Numerous case examples illustrate the dynamics of the therapeutic task and issues covered in therapy and stress the human element in working with older adults A concluding chapter considers ethical questions and the future of psychotherapy with older adults The author has updated the Third Edition to reflect new research findings and has written two entirely new chapters covering psychotherapy with persons with dementia and psychotherapy with caregivers of frail older adults Since its initial publication in 1986 the book has been used as a course text and a professional reference around the world including translations into French Dutch Chinese and Japanese It is a vital resource for practicing therapists and counselors who work with older adults and is also ideally suited as a text for advanced students in psychology social work gerontology and nursing Praise for Previous Editions Bob G Knight s largest

contribution is his excellent discussion of therapy The book is clearly written with a good use of summaries and case examples to clarify the major points By linking research findings to practice experience Knight has provided a pragmatic introduction which should be helpful to psychiatrists psychologists social workers and psychiatric nurses working with older adults JOURNAL OF APPLIED GERONTOLOGY I recommend this book to anyone interested in working with the elderly partly because of the content and partly because the author presents the case for doing psychotherapy with the elderly with realism and enthusiasm BEHAVIOR RESEARCH THERAPY

The ASAM Principles of Addiction Medicine Shannon C. Miller, Richard N. Rosenthal, Sharon Levy, Andrew J. Saxon, Jeanette M. Tetrault, Sarah E. Wakeman, 2024-02-15 Principles of Addiction Medicine 7th ed is a fully reimagined resource integrating the latest advancements and research in addiction treatment Prepared for physicians in internal medicine psychiatry and nearly every medical specialty the 7th edition is the most comprehensive publication in addiction medicine It offers detailed information to help physicians navigate addiction treatment for all patients not just those seeking treatment for SUDs Published by the American Society of Addiction Medicine and edited by Shannon C Miller MD Richard N Rosenthal MD Sharon Levy MD Andrew J Saxon MD Jeanette M Tetrault MD and Sarah E Wakeman MD this edition is a testament to the collective experience and wisdom of 350 medical research and public health experts in the field The exhaustive content now in vibrant full color bridges science and medicine and offers new insights and advancements for evidence based treatment of SUDs This foundational textbook for medical students residents and addiction medicine addiction psychiatry fellows medical librarians and institution also serves as a comprehensive reference for everyday clinical practice and policymaking Physicians mental health practitioners NP PAs or public officials who need reference material to recognize and treat substance use disorders will find this an invaluable addition to their professional libraries

Late-Life Depression Steven P. Roose, Harold A. Sackeim, 2004-07-15 We live in an aging world Illnesses that are prevalent and cause significant morbidity and mortality in older people will consume an increasing share of health care resources One such illness is depression This illness has a particularly devastating impact in the elderly because it is often undiagnosed or inadequately treated Depression not only has a profound impact on quality of life but it is associated with an increased risk of mortality from suicide and vascular disease In fact for every medical illness studied e g heart disease diabetes cancer individuals who are depressed have a worse prognosis Research has illuminated the physiological and behavioral effects of depression that accounts for these poor outcomes The deleterious relationship between depression and other illnesses has changed the concept of late life depression from a psychiatric disorder that is diagnosed and treated by a psychiatrist to a common and serious disorder that is the responsibility of all physicians who care for patients over the age of 60 This is the first volume devoted to the epidemiology phenomenology psychobiology treatment and consequences of late life depression Although much has been written about depressive disorders the focus has been primarily on the illness as experienced in younger adults The effects of aging on the brain the physiological and behavioral

consequences of recurrent depression and the impact of other diseases common in the elderly make late life depression a distinct entity There is a compelling need for a separate research program specialized treatments and a book dedicated to this disorder This book will be invaluable to psychiatrists gerontologists clinical psychologists social workers students trainees and others who care for individuals over the age of sixty **Psychiatric Mental Health Nursing** Patricia G. O'Brien, Winifred Z. Kennedy, Karen A. Ballard, 2012-02-15 A comprehensive easy to read introductory text for nursing students The book is organized into three sections Introduction to Psychiatric Mental Health Nursing Mental Health Disorders and Nursing Management of Special Populations This unique text is the most comprehensive psychiatric mental health resource available
