Alcoholism P. Golding, 2012-12-06 **The Treatment of Shame and Guilt in Alcoholism Counseling** Ron Potter-Efron, Patricia Potter-Efron, 2013-04-15 This insightful new book sheds light directly on shame and guilt interactive aspects of the human condition that are deeply involved in the development and treatment of alcoholism and chemical dependency Contributors to this valuable book discuss the process of healing internalized shame within the chemically dependent client and among the family members They explore creative techniques that foster understanding and coping strategies videotaping and storytelling with clay and stuffed animals Professionals who are experienced in treating chemically dependent clients and their families explore shame and the healing of shame while examining the culture within which both occur A major focus is the destructiveness of shame and guilt shame keeps the family from seeking help erodes self worth and produces destructive secrets that cannot heal and guilt may circulate freely between alcoholic and family members so that everyone begins to feel responsible for the pain of others **Research Advances in Alcohol and Drug Problems** Reginald Smart, 2013-11-22 This book continues the series of reviews of research advances first published in 1974 The editors aim here is to present critical and integrative reviews by internationally recognized scholars of areas in which there has been much recent research In this task we have been greatly helped by the staff of Plenum Press and the Advisory Panel listed at the front of this volume Several members of the Panel have retired Dr W M D Paton Dr K Bruun Dr K F Killam and Dr J R Seeley Dr Klaus Makela has accepted our invitation to join the Panel Unfortunately one member of the Panel Professor William McGlothlin died as a result of a tragic accident He was a gifted and sensitive researcher His work over many years was well known to those studying alcohol and drug problems We want to acknowledge his contributions to the Research Advances Series and to the field in general The editors wish to acknowledge the help of Julliana Newell Ayoub in preparation of this volume This volume contains three papers by H Fingarette R Room and B Kissin on The Disease Concept They were originally prepared for an earlier volume but could not be included because of scheduling problems The editors and not the authors are responsible for this delay Because they are primarily philosophical and theoretical in nature they are not diminished in value by the lesser number of references to recent research *Chemical Dependency and Intimacy Dysfunction* Eli Coleman, 1988 The failure to deal with social sexual issues may impair the progress of recovery in a chemically dependent individual and his or her family The failure to deal with sexual compulsivity in intravenous drug abusers may seriously impair our ability to deal with AIDS The failure to deal with chemical dependence may render family therapy ineffective in the treatment of sex offenders Despite the connection between chemical dependency and intimacy dysfunction the intimacy concerns are rarely recognized in the diagnosis treatment and aftercare of the chemically dependent person and his or family In this pioneering work experts in the fields of chemical dependence and human sexuality provide professionals with information and skills to deal with intimacy dysfunction issues offering hope for improving

treatment and rehabilitation of chemically dependent individuals and their families Typical intimacy dysfunctions are explored as well as treatment methods and strategies that have proven to be effective A valuable resource guide this comprehensive volume addresses the key issues in the multidisciplinary approach to the study of chemical dependency and intimacy dysfunction **Alcohol Health and Research World**, 1983 **Chemical Dependency and Intimacy Dysfunction** Bruce Carruth, Edmond J Coleman, 2014-04-04 The failure to deal with social sexual issues may impair the progress of recovery in a chemically dependent individual and his or her family The failure to deal with sexual compulsivity in intravenous drug abusers may seriously impair our ability to deal with AIDS The failure to deal with chemical dependence may render family therapy ineffective in the treatment of sex offenders Despite the connection between chemical dependency and intimacy dysfunction the intimacy concerns are rarely recognized in the diagnosis treatment and aftercare of the chemically dependent person and his or family In this pioneering work experts in the fields of chemical dependence and human sexuality provide professionals with information and skills to deal with intimacy dysfunction issues offering hope for improving treatment and rehabilitation of chemically dependent individuals and their families Typical intimacy dysfunctions are explored as well as treatment methods and strategies that have proven to be effective A valuable resource guide this comprehensive volume addresses the key issues in the multidisciplinary approach to the study of chemical dependency and intimacy dysfunction **National Library of Medicine Current Catalog** National Library of Medicine (U.S.), **Current Catalog** National Library of Medicine (U.S.), First multi year cumulation covers six years 1965 70 **The Making of a Social Disease** David S. Barnes, 2023-11-15 In this first English language study of popular and scientific responses to tuberculosis in nineteenth century France David Barnes provides a much needed historical perspective on a disease that is making an alarming comeback in the United States and Europe Barnes argues that French perceptions of the disease ranging from the early romantic image of a consumptive woman to the later view of a scourge spread by the poor owed more to the power structures of nineteenth century society than to medical science By 1900 the war against tuberculosis had become a war against the dirty habits of the working class Lucid and original Barnes s study broadens our understanding of how and why societies assign moral meanings to deadly diseases In this first English language study of popular and scientific responses to tuberculosis in nineteenth century France David Barnes provides a much needed historical perspective on a disease that is making an alarming comeback in the United States and Eur **Introduction to Syndemics** Merrill Singer, 2009-06-03 This book explains the growing field of syndemic theory and research a framework for the analysis and prevention of disease interactions that addresses underlying social and environmental causes This perspective complements single issue prevention strategies which can be effective for discrete problems but often are mismatched to the goal of protecting the public s health in its widest sense Merrill Singer has astutely described why health problems should not be seen in isolation but rather in the context of other diseases and the social and economic inequities that fuel them An

Becoming Alcoholic David R. Rudy, 1986 Affiliation with Alcoholics Anonymous parallels religious conversion according to David R Rudy in this timely study of the most famous self help organization in the world Drinkers who commit themselves to Alcoholics Anonymous embrace the radically different life style the altered world of the convert To understand this conversion and more important to get a grip on the even deeper mystery of alcoholism itself Rudy sought to answer these three questions What processes are involved in becoming alcoholic How does the alcoholic affiliate with and become committed to A A s belief system What is the relation ship between the world of A A members and that constructed by alcoholologists Rudy establishes the history and structure of A A and examines the organization s relationship to dominant sociological models theories and definitions of alcoholism

Confronting Drunk Driving H. Laurence Ross, 1994-01-01 The author of this book argues that drunk driving is more than just a criminal issue He offers a practical approach to the problem of drunk driving one that combines criminal deterrence with other efforts to reduce the number of deaths caused by drivers under the influence of alcohol

Research Advances in Alcohol and Drug Problems H.M. Annis, H.D. Cappell, F.B. Glaser, M.S. Goodstadt, L.T. Kozlowski, 2013-11-11 This is the tenth volume in the Research Advances series and the seventh published by Plenum Press Volume 10 is another omnibus volume providing specialized and advanced reviews in a number of areas related to the use of alcohol illicit drugs and tobacco We include also a brief history of the Center for Alcohol Studies that gives Mark Keller s unique perspective on this noted institution Two of the chapters are decidedly longer than the others very long chapters have appeared occasionally in the past and we think that it is one of the strengths of the series that we are able to accommodate such reviews Again the editorial board has changed After several years of service Reginald G Smart has stepped down New to the board are Helen M Annis Michael S Goodstadt Lynn T Kozlowski and Evelyn R Vingilis This is likely to be the sole volume for which Goodstadt is on the board since before completion of this volume he moved from the Addiction Research Foundation to the Center for Alcohol Studies Rutgers University
