

# Aldous Huxley Aldous Huxley

**Sybille Bedford**

## **Aldous Huxley Aldous Huxley:**

*Aldous Huxley* Nicholas Murray, 2009-06-04 The grandson of biologist T H Huxley Aldous Huxley had a privileged background and was educated at Eton and Oxford despite an eye infection that left him nearly blind Having learned braille his eyesight then improved enough for him to start writing and by the 1920s he had become a fashionable figure producing witty and daring novels like *CROME YELLOW* 1921 *ANTIC HAY* 1923 and *POINT COUNTER POINT* 1928 But it is as the author of his celebrated portrayal of a nightmare future society *BRAVE NEW WORLD* 1932 that Huxley is remembered today A truly visionary book it was a watershed in Huxley's world view as his later work became more and more optimistic coinciding with his move to California and experimentation with mysticism and psychedelic drugs later in life Nicholas Murray's brilliant new book has the greatest virtue of literary biographies it makes you want to go out and read its subject's work all over again A fascinating reassessment of one of the most interesting writers of the twentieth century [Aldous Huxley: 1894-1939](#) Sybille Bedford, 1973 **Now More Than Ever** Aldous Huxley, David Bradshaw, James Sexton, 2000-01-01 Over the course of his long career British writer Aldous Huxley 1894 1963 shifted away from elitist social satires and an uncompromising irreligion toward greater concern for the masses And the use of religious terms and imagery This change in Huxley's thinking underpins the previously unpublished play *Now More Than Ever* Written in 1932 1933 just after *Brave New World* *Now More Than Ever* is a response to the social economic and political upheavals of its time Huxley's protagonist is an idealistic financier whose grandiose scheme for industrial renewal drives him to swindling and finally to suicide His fate allows Huxley to expose the evils he perceives in free market capitalism while pleading the case for national economic planning And the rationalisation of Britain's industrial base This volume contains the full text of *Now More Than Ever* a play hitherto believed to be lost A thinker's play it is the last of Huxley's major writings to be published and immensely important to understanding his development as a writer The editors of this volume have annotated the play for contemporary readers Their introduction sets the play in the context of Huxley's intellectual life David Bradshaw is Hawthornden Fellow and Tutor in English Literature at Worcester College Oxford James Sexton is a Lecturer in English at Camosun College in Victoria British Columbia **Letters of Aldous Huxley** Aldous Huxley, 1970 [The Collected Poetry of Aldous Huxley](#) Aldous Huxley, 1971 [Aldous Huxley](#) Aldous Huxley, 2007 Of the ten thousand letters that Aldous Huxley wrote only a fraction have been published Almost forty years after the first appearance of a volume of Huxley's letters those that were once considered too sensitive for publication can now be included in [Aldous Huxley](#) Sybille Bedford, 1974

**Critical Essays on Aldous Huxley** Jerome Meckier, 1996 Each volume in this series provides an introduction tracing the subject author's critical reputation trends in interpretation developments in textual and biographical scholarship and reprints of selected essays and reviews beginning with the author's contemporaries and continuing through to current scholarship Many volumes also feature new essays by leading scholars and critics specially commissioned for the series **Essential**

**Novelists - Aldous Huxley** Aldous Huxley, August Nemo, 2021-07-23 Welcome to the Essential Novelists book series where we present to you the best works of remarkable authors For this book the literary critic August Nemo has chosen the two most important and meaningful novels of Aldous Huxley which are *Crome Yellow* and *Antic Hay* Aldous Huxley was an English writer and philosopher widely acknowledged as one of the foremost intellectuals of his time He was nominated for the Nobel Prize in Literature nine times and was elected Companion of Literature by the Royal Society of Literature in 1962 Novels selected for this book *Crome Yellow* *Antic Hay* This is one of many books in the series Essential Novelists If you liked this book look for the other titles in the series we are sure you will like some of the authors *Aldous Huxley: a Biographical Introduction* Philip Thody, Philip Malcolm Waller Thody, 1973 For senior school and university students [Aldous Huxley](#) Raychel Haugrud Reiff, 2009 An in depth analysis of Aldous Huxley his writings and the historical time period in which they were written *Aldous Huxley, 1894-1963* Julian Huxley, Aldous Huxley, 1965 Commemorative essays tributes and reminiscences delivered December 17 1963 at a meeting of Huxley's friends **Aldous Huxley** Harold Bloom, 2009 A collection of critical essays on Aldous Huxley and his work *Aldous Huxley* Donald Watt, 1997 Writings include *Brave New World* *Crome Yellow* *Eyeless in Gaza* Volume covers the period 1920-1965 Extras Appendices list translations and collected works sales **Aldous Huxley and the Search for Meaning** Ronald T. Sion, 2014-01-10 Aldous Huxley author of eleven novels remains one of the towering figures of the twentieth century his work resistant to passing fads in literature This critical biography explores Huxley's lifelong quest for self actualization by intertwining the events of his life and details of the creative period that produced each book Considering Huxley's letters essays and interviews in its examination of the thematic content of each novel the text finds a man striving for the intellectual growth that would yield a sound philosophical and spiritual view of life one he infused into his work *Aldous Huxley* Kishor Gandhi, 1980 [7 best short stories by Aldous Huxley](#) Aldous Huxley, August Nemo, 2021-07-25 Welcome to the 7 Best Short Stories book series where we present to you the best works of remarkable authors This edition is dedicated to the British author Aldous Huxley Aldous Huxley was an English writer and philosopher widely acknowledged as one of the foremost intellectuals of his time He was nominated for the Nobel Prize in Literature nine times and was elected Companion of Literature by the Royal Society of Literature in 1962 Works selected for this book *Uncle Spencer* *Little Mexican* *Hubert And Minnie* *Fard* *The Portrait* *Young Archimedes* *The Gioconda Smile* **Aldous Huxley: Satire and Structure** Jerome Meckier, 1969 [Aldous Huxley](#) Milton Birnbaum, 2017-07-05 In the moral vacuum and world of shifting values following World War I Aldous Huxley was both a sensitive reflector and an articulate catalyst This work provides a highly illuminating analysis of Huxley's evolution from skeptic to mystic As Milton Birnbaum shows in a perceptive interpretation of Huxley's poetry fiction essays and biographies what evolved in Huxley's moral and intellectual pilgrimage was not so much a change in direction as a shift in emphasis Even in the sardonic Huxley of the 1920s and 1930s there is a moral concern In the later Huxley there are traces of the satirical

skepticism which delighted his readers in the decades preceding World War II A man of letters a keen observer seeker of new ways while profoundly knowledgeable in the truths of ancient wisdom Huxley tried to achieve a symbiotic synthesis of the best of all worlds In clarifying and interpreting Huxley s intellectual moral and philosophical development Birnbaum touches upon all the subjects that came under the scrutiny of a singularly encyclopedic mind This book is of great worth to those interested both in Huxley the brilliant satirist and in Huxley the seeker of salvation In his search Huxley typified the modern quest for values Milton Birnbaum s study is an invaluable guide in that journey His new introduction takes account of research and analysis of Huxley that has occurred since this book s original publication     **Aldous Huxley** Peter

Bowering,2014-01-13 Essays analysing the decline of Aldous Huxley as a novelist have become a commonplace of literary criticism over the past two decades yet he continues to be read and few writers equal his ability to make moral concepts exciting to animate ideas and clothe them with life and vitality In this study of the nine major novels from *Crome Yellow* 1921 to *Island* 1962 Mr Bowering offers a positive evaluation Huxley s achievements as a novelist of ideas as the moralist of a scientific age and as an ironist worthy to be compared with Swift He shows how the conflicting claims of morality and art must be judged in relation to Huxley s work as a whole and to this search for a way of life which would fit all the facts of experience All the principle novels require some knowledge of Huxley s source materials to be adequately understood and Mr Bowering is particularly informative on this score His discussion indeed attempts to set the novels in the widest possible area of reference

## Whispering the Strategies of Language: An Psychological Journey through **Aldous Huxley Aldous Huxley**

In a digitally-driven world where screens reign great and quick communication drowns out the subtleties of language, the profound strategies and emotional nuances concealed within phrases often get unheard. Yet, located within the pages of **Aldous Huxley Aldous Huxley** a interesting fictional value pulsating with raw feelings, lies an extraordinary journey waiting to be undertaken. Written by an experienced wordsmith, this enchanting opus invites readers on an introspective trip, gently unraveling the veiled truths and profound influence resonating within the very fabric of each and every word. Within the psychological depths of the emotional evaluation, we can embark upon a genuine exploration of the book is primary subjects, dissect its charming writing design, and yield to the effective resonance it evokes serious within the recesses of readers hearts.
