Meyerhold and His Set Designers Marjorie L. Hoover, 1988 The Russian theater director Vsevolod Meyerhold 1874 1940 has since his repression under Stalin resumed his rightful place alongside Stanislavsky as a founder of twentieth century director s theater But he has been simplistically stereotyped as a radical of the bare stage and biomechanical gymnastics for actors Marjorie L Hoover who surveyed his whole forty year career official as well as experimental in her Meyerhold The Art of Conscious Theater nominated for a National Book Award in 1975 now concentrates in Meyerhold and His Set Designers on his collaboration with many great artists For with Leon Bakst and Alexander Golovin among others he pioneered the modern designer s theater staging both drama and opera in painterly luxury before 1917 and thereafter he led a revolution in theater art together with several designers among whom El Lissitzky Popova and Rodchenko **The French Language in Russia**

Derek Offord, Vladislav Rjéoutski, Gesine Argent, 2025-10-01 With support from the Arts and Humanities Research Council of the UK and the Deutsches Historisches Institut Moskau The French Language in Russia provides the fullest examination and discussion to date of the adoption of the French language Stanislavsky: A Life in Letters Laurence Senelick, 2013-10-08

Konstantin Stanislavsky transformed theatre in the West and was indisputably one of the twentieth century s greatest innovators His life and work mark some of the most significant artistic and political milestones of that tumultuous century from the emancipation of the serfs to the Russian Revolution Little wonder then that his correspondence contains gripping exchanges with the famous and infamous of his day men such as Tolstoy Chekhov Trotsky and Stalin among others Laurence Senelick one of the world s foremost scholars of Russian literature mines the Moscow archives and the definitive Russian edition of Stanislavsky s letters to produce the fullest collection of the letters in any language other than Russian He sheds new light on this fascinating field Senelick takes us from the earliest extant letter of an eleven year old Konstantin in 1874 through his work as actor director and actor trainer with the Moscow Art Theatre to messages written just before his death in 1938 at the age of seventy five We discover Stanislavsky as son brother and father as lover and husband as businessman and internal emigre He is seen as a wealthy tourist and an impoverished touring actor a privileged subject of the Tsar and a harried victim of the Bolsheviks Senelick shares key insights into Stanislavsky s work on such important productions as *The Seagull* *The Cherry Orchard* *Hamlet* *Othello* and *The Marriage of Figaro* The letters also reveal the steps that led up to the publication of his writings *My Life in Art* and *An Actor s Work on Himself* This handsome edition is also comprehensively annotated and fully illustrated **Views of Russia & Russian Works on Paper , Feis Na NGleann** Eamon

Phoenix, 2005 The Glens of Antrim formed one of the last Irish speaking areas of Ulster until the early 1900s Until the opening of the Antrim coast road in the 1850s Irish was universally spoken in the Glens and on Rathlin The turn of the 19th

century saw the Gaelic Revival which in the north of Ireland involved both Unionists and Nationalists in an effort to preserve Irish as a spoken language. It was against this background of cultural renaissance that Feis na nGleann. The Glens Feis was founded in 1904 as the first Gaelic cultural festival in east Ulster. That inaugural Feis harnessed the talents of the Glens folk and a group of leading Big House figures in the locality among them Miss Rose Young of Galgorm Castle, Miss Ada McNeill of Cushendun and Miss Margaret Dobbs. Others included Sir Roger Casement, then a recent convert to Irish nationalism, Eoin MacNeill, Glensman and language revivalist Francis Joseph Bigger, lawyer and antiquarian John Benmore Clarke and Joseph Campbell, the Belfast poet. This book traces the origins of Feis na nGleann in that crease in time between Parnell and the 1916 Rising. In a series of scholarly chapters, experts profile the historic founders of the Feis and record the history of Irish in the district. There are special sections on the traditional arts and crafts fostered by the Feis, the once famous Glens toy making industry, the role of hurling and the rich literary legacy of the Feiseanna. The book is lavishly illustrated with unique contemporary photographs. The result is an attractive and readable volume which will appeal to all those interested in the history and culture of the Glens and the fortunes of the Irish language in the north of Ireland.

Russian Architecture and the West Dmitrii Olegovich Shvidkovskii, Shvidkovsky, 2007-01-01. This is the first book to show the development of Russian architecture over the past thousand years as a part of the history of Western architecture. Dmitry Shvidkovsky, Russia's leading architectural historian, departs from the accepted notion that Russian architecture developed independent of outside cultural influences and demonstrates that to the contrary, the influence of the West extends back to the tenth century and continues into the present. He offers compelling assessments of all the main masterpieces of Russian architecture and frames a radically new architectural history for Russia. The book systematically analyzes Russian buildings in relation to developments in European art, pointing out where familiar European features are expressed in Russian projects. Special attention is directed toward decorations based on Byzantine models, the heritage of Italian master builders and carvers, the impact of architects and others sent by Elizabeth I, the formation of the Russian Imperial Baroque, the Enlightenment in Russian art, and 19th and 20th century European influences. With over 300 specially commissioned photographs of sites throughout Russia and western Europe, this magnificent book is both beautiful and groundbreaking.
