Aleksandra Kollontai I Pavel Dybenko

John Button

Aleksandra Kollontai I Pavel Dybenko:

Family Politics Paul Ginsborg, 2014-11-28 In this masterly twentieth century history Paul Ginsborg places the family at center stage a novel perspective from which to examine key moments of revolution and dictatorship His groundbreaking book spans 1900 to 1950 and encompasses five nation states in the throes of dramatic transition Russia in revolutionary passage from Empire to Soviet Union Turkey in transition from Ottoman Empire to modern Republic Italy from liberalism to fascism Spain during the Second Republic and Civil War and Germany from the failure of the Weimar Republic to the National Socialist state Ginsborg explores the effects of political upheaval and radical social policies on family life and in turn the impact of families on revolutionary change itself Families he shows do not simply experience the effects of political power but are themselves actors in the historical process The author brings human and personal elements to the fore with biographical details and individual family histories along with a fascinating selection of family photographs and portraits From WWI an indelible backdrop and imprinting force on the first half of the twentieth century to post war dictatorial power and family engineering initiatives to the conclusion of WWII this book shines new light on the profound relations among revolution dictatorship and family

The Bolsheviks in Power Alexander Rabinowitch, 2007-11-02 With new research and detailed analysis this historical study reframes the October Revolution of 1917 and its terrible aftermath in the Russian capitol A major contribution to the historiography of twentieth century Russia *The Bolsheviks in Power* shines a revealing spotlight on the fateful first year of Soviet rule in Petrograd It examines events that profoundly shaped the Soviet political system that endured through generations Drawing largely from previously inaccessible Soviet archives Alexander Rabinowitch demolishes standard interpretations of the origins of Soviet authoritarianism by demonstrating that the Soviet system evolved ad hoc as the Bolsheviks struggled to retain political power amid spiraling political social economic and military crises The book covers issues such as the rapid fall of influential moderate Bolsheviks the formation of the dreaded Cheka the dissolution of the Constituent Assembly the Red Terror the national government's flight to Moscow and the subsequent rivalry between Russia's new and old capitals

The Murder of Maxim Gorky Arkadi Vaksberg, 2006-12-15 A fascinating view of the Soviet system at the beginning of the Stalin Terror among intellectuals

Red Commanders Roger R. Reese, 2005 One of the largest and most feared military forces in the world the Red Army was a key player in advancing the cause of Soviet socialism Rising out of revolutionary era citizen militias it aspired to the greatness needed to confront its Cold War adversaries but was woefully unprepared to change with the times In this first comprehensive study of the Soviet officer corps Roger Reese traces the history of the Red Army from Civil War triumph through near decimation in World War II and demoralizing quagmire in Afghanistan to the close scrutiny it came under during Gorbachev's reform era Reese takes readers inside the Red Army to reconstruct the social and institutional dynamics that shaped its leadership and effectiveness over seventy three years He depicts the lives of these officers by revealing their class origins life experiences party loyalty

and attitudes toward professionalism He tells how these men were shaped by Russian culture and Soviet politics and how the Communist Party dominated every aspect of their careers but never allowed them the autonomy they needed to cultivate a high level of military effectiveness Despite its struggle to develop and maintain professionalism the officer corps was often hampered by factors inextricably intertwined with the Soviet state Marxist theory revolutionary ideology friction between party and non party members and the influence of the army s political administration organs Reese shows that by rejecting the Western bourgeois model of military professionalism the state greatly limited its officer corps ability to develop a more effective military While a sense of group identity emerged among officers after World War II it quickly lost relevance in the face of postwar challenges especially the war in Afghanistan which underscored fatal flaws in command leadership Red Commanders offers new insight into the workings of a military giant and also restores Leon Trotsky to his rightful place in Soviet military history by featuring his ideas on building a new army from the ground up It is an important look behind the scenes at a military establishment that continues to face leadership challenges in Russia today **Stalin and His**

Hangmen Donald Rayfield,2005-03-31 As Rayfield shows Stalin and his henchmen worked relentlessly to coerce and suborn leading Soviet intellectuals artists writers lawyers and scientists Maxim Gorky Aleksandr Fadeev Alexei Tolstoi Isaak Babel and Osip Mandelstam were all caught in Stalin s web courted toyed with betrayed and then ruthlessly destroyed In bringing to light the careers personalities relationships and accomplishments of Stalin s key henchmen and their most prominent victims Rayfield creates a chilling drama spanning half a century of the intersection of political fanaticism personal vulnerability and blind lust for power **BOOK JACKET** **Kollontai: desfazer a família, refazer o amor** Olga

Bronnikov,Matthieu Renault,2025-03-10 Figura importante na Revolu o Russa de 1917 Aleksandra Kollontai foi pioneira do feminismo socialista e a primeira ministra de Estado do mundo contemporaneo Kollontai desfazer a fam lia refazer o amor de Olga Bronnikova e Matthieu Renault uma biografia que recupera a vida e a obra dessa revolucion ria russa com destaque para suas cr ticas s rela es de g nero Os autores apresentam as dificuldades que Kollontai enfrentou no partido referente s quest es sobre as mulheres e n o deixam de mostrar aspectos contradit rios da biografada O livro explora at que ponto para Kollontai a emancipa o das mulheres depende fundamentalmente da aboli o da fam lia e das rela es de propriedade A partir dessa ideia surge uma reinven o radical do amor e da sexualidade e especialmente da coletividade das tarefas reprodutivas come ando pela maternidade e pelo cuidado com os filhos Antes de a contrarrevolu o sexual varrer os avan os p s 1917 Kollontai foi figura central em importantes decis es como o direito ao aborto e ao div rcio Sua trajet ria pol tica sempre foi contr ria ao senso comum de que quest es relativas ao g nero deveriam ser problemas perif ricos Kollontai n o deixaria de demonstrar que a luta pela igualdade homens mulheres no plano econ mico e social e a reinven o das formas do amor e da sexualidade eram indissoci veis e que sua trama delineava um programa revolucion rio completo dotado de uma autonomia que n o impedia ao contr rio pressupunha sua articula o estreita com as tarefas do proletariado Por essa raz o a satisfa o

 Bronnikova e Renault no pr logo Russian Women Writers Christine D. Tomei,1999 **Russia** Antony Beevor,2022-05-26
 A masterpiece of history DAILY TELEGRAPH Between 1917 and 1921 a devastating struggle took place in Russia following
 the collapse of the Tsarist empire Many regard this savage civil war as the most influential event of the modern era An
 incompatible White alliance of moderate socialists and reactionary monarchists stood little chance against Trotsky s Red
 Army and Lenin s single minded Communist dictatorship Terror begat terror which in turn led to even greater cruelty with
 man s inhumanity to man woman and child The struggle became a world war by proxy as Churchill deployed weaponry and
 troops from the British empire while armed forces from the United States France Italy Japan Poland and Czechoslovakia
 played rival parts Using the most up to date scholarship and archival research Antony Beevor author of the acclaimed
 international bestseller Stalingrad assembles the complete picture in a gripping narrative that conveys the conflict through
 the eyes of everyone from the worker on the streets of Petrograd to the cavalry officer on the battlefield and the woman
 doctor in an improvised hospital China and Its Others James St. André,Hsiao-yen Peng,2012-01 This volume brings
 together some of the latest research by scholars from the UK Taiwan and Hong Kong to examine a variety of issues relating
 to the history of translation between China and Europe aimed at increasing dialogue between Chinese studies and translation
 studies Covering the nineteenth century to the present the essays tackle a number of important issues including the role of
 relay translation hybridity and transculturation methods for the incorporation of foreign words and concepts the problems
 entailed by the importation of foreign paradigms and epistemes the role of public institutions the issue of agency and the role
 of metaphors to conceptualize translation By examining the dissemination of certain key terms from the West to the East
 often through pivotal languages and by laying bare the transformation of knowledge conveyed through these terms the
 essays go well beyond the difference and similarity comparison model in the investigation of East West relations
 demonstrating that transcultural hybridity is a more meaningful topic to pursue Moreover they demonstrate how the
 translator always working simultaneously under several domestic and foreign institutions needs to resort to selection
 deletion and compromise in other words personal free choice when negotiating among institutional powers The Soviet
 Union 1917-1991 Martin McCauley,2014-02-04 A second edition of this famous survey has been eagerly awaited When the
 first edition appeared Brezhnev was still in power Gorbachev did not make it to the index and the USSR was a superpower
 Today the Soviet experiment is over and the USSR no longer exists How Why Martin McCauley has reworked and greatly
 expanded his book to answer these questions and to provide a complete account of the Soviet years Essential reading to an
 appreciation of recent history and to a better understanding of whatever happens next **Beautiful Lies** Tony
 Griffiths,2005 Combining impressive historical research with pithy prose this entertaining work chronicles Australia s
 evolution from British lackey during World War II to global power player in the 21st century Appealing to academic

audiences and armchair historians alike this volume focuses on Australia's shift from political and economic reliance on England to becoming politically aligned with the United States and economically tethered to Japan and China a transition in part initiated by Prime Minister Robert Menzies With chapters entitled Beating the Bolshoi All the Way with JFK and The Banana Republic this concise history of modern Australia is written in a style both delightful and informative **Social and Cultural History of the Soviet Union** William G. Rosenberg,1992 *Trotsky* Geoff Swain,2006 Providing a full account of Trotsky's role during the Russian Civil War and concentrating on his time as an active participant in Russian revolutionary politics rather than his ideological writings of emigration Swain gives a very different picture of the Bolshevik Commissar of War This radically new interpretation of Trotsky's career spanning 1905-1917 incorporates the tense relationship between Trotsky and Lenin until 1917 and pays particular attention to the Russian Civil War and Trotsky's military organisation and contribution to the war *The Russian Revolution and the Baltic Fleet* Evan Mawdsley,1978-09-28 *The Radicalism Handbook* John Button,1995 Contains over 350 biographies of political activists suffragists pacifists campaigners for civil human and gay rights etc *Reference Guide to Russian Literature* Neil Cornwell,2013-12-02 First Published in 1998 This volume will surely be regarded as the standard guide to Russian literature for some considerable time to come It is therefore confidently recommended for addition to reference libraries be they academic or public *Oxford AQA History: A Level and AS Component 2: Revolution and Dictatorship: Russia 1917-1953* Sally Waller,Chris Rowe,2016-09-01 Retaining well loved features from the previous editions Revolution and Dictatorship has been approved by AQA and matched to the new 2015 specification This textbook explores in depth the practice of communism in Russia It focuses on key ideas such as Marxism Leninism and Stalinism ideological control and dictatorship and covers events and developments with precision Students can further develop vital skills such as historical interpretations and source analyses via specially selected sources and extracts Practice questions and study tips provide additional support to help familiarise students with the new exam style questions and help them achieve their best in the exam **"Friend and Lover"** Virginia Gardner,1982 *Itämeri 1914-1921* Mirko Harjula,2010 **Encyclopedia of Russian Women's Movements** Norma C. Noonan,Carol R. Nechemias,2001-09-30 A comprehensive resource profiling individuals and organizations associated with Russian women's movements from the early 19th century to the post Soviet era Contributions by approximately fifty authors from the United States Russia Europe and Canada focus upon the struggle of women to change their society and advance their gender interests Women activists pursued improvement in educational opportunities fought for suffrage established journals and sought to transform women's consciousness and establish women's studies programs and women's crises centers They were a strong voice against the tsarist regime and the oppression of communism Their objectives were as diverse as their strategies which ranged from incremental reform to terrorism to the establishment of women's electoral organizations This volume contains a comprehensive glossary of term and phrases and a chronology to help put events and developments into historical context

Entries are fully cross referenced and are followed by suggested readings This book will be of interest to students and scholars of Russian history and politics women s history and gender studies

Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Aleksandra Kollontai I Pavel Dybenko full book , it can give you

a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Aleksandra Kollontai I Pavel Dybenko eBooks, including some popular titles.

FAQs About Aleksandra Kollontai I Pavel Dybenko Books

What is a Aleksandra Kollontai I Pavel Dybenko PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Aleksandra Kollontai I Pavel Dybenko PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Aleksandra Kollontai I Pavel Dybenko PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Aleksandra Kollontai I Pavel Dybenko PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Aleksandra Kollontai I Pavel Dybenko PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
