1 Samuel How One Godly Man Changed A Nation:

The Law of Confession Bill Winston,2009 Just like natural laws there are spiritual laws with cause and effect Dr Bill Winston seen nationwide on the Believer s Walk of Faith broadcast reveals from Scripture how powerful words can be to bring blessings or curses to your life FATHERHOOD TO THE NATIONS Luiz Hermínio,2020-06-27 And the things you have heard me say in the presence of many witnesses entrust to reliable people who will also be qualified to teach others 2 TIMOTHY 2 2 These words of the Apostle Paul embody the heart of the succession of an apostolic revelation Apostolic foundation on Christ is an expert work Undoubtedly believing that who sees the Son sees the Father is the way to structure our beliefs under the correct foundation Yeshua the Messiah No one can go to the Father except through Him and we cannot substantiate anything as a church unless it is structured on this foundation Gathering relevant Kingdom messages in a compendium capable of translating a little of what Fatherhood has been living in these years of calling is challenging but these pages tell a story to the heirs of the Kingdom Fatherhood to the Nations is not a bedside book it is a divine inspiration for the ministry of faith It would be too superficial to turn this work into a manual that proposes embedded lessons of leadership for methodological discipleship The purpose of this blunt message is to activate the divine particle that exists in you to the point of awakening it to the revelation of the heart of God and healing the wound of the nations Reading this book will lead you back to the most faithful trait of God s essence The Father Prepare for intense confrontations and loving consolations when at times you are corrected and embraced in others Here a father will tell you tender secrets and wise counsel that will bring you direction protection and identity In every word a cure will come In each sentence a new instrument of alignment for your vocation And in each chapter a sweet revelation **The Philosophy of Hebrew Scripture** Yoram Hazony,2012-07-30 This book offers a new framework for reading the Bible as a work of reason What on Earth Is God Doing? Rob Good,2024-08-16 Do you ever question what life is supposed to look like Are you tired of large institutions trying to make you into their best version of you The pages of this book are filled with the discovery of what God is doing for you He s working so you can live an optimal life But how No institution directs this because God does the work Himself Through looking at historic and modern examples author Rob Good navigates the clear and repeatable cycle on which God is taking us The goal of this book is to help you connect your experience with God s faithful rhythms You will track your own spiritual journey and develop new expectations to participate with God s action He has been doing this in people s lives for centuries and is doing the same thing in you Finally if you ve never attended church or don t believe in God this book will introduce a God who is at work even if unacknowledged Our perception does not impede His action It is time to discover what on earth God is doing Becoming a Person of God Sunny Philip,2011-06-10 King David of ancient Israel was more than a song write and a warrior A close look at his life shows an intricate personality with so many ups and downs just like all of us Called for the great task of establishing the nation at a very young age we see him cracking under pressure making

mistakes taking daring chances and taking huge leaps based on his unshakable trust in God He was denied recognition he was cheated he was ridiculed he was threatened and chased around like a mad dog But he never forgot his mission in life He struggled as a husband as a father and as a leader But he never gave up He succeeded in the end in fulfilling his destiny and led the nation of Israel to its greatest heights Davids life story is truly inspirational All of us who want to reach our destiny will find a true role model in David with whom we can identify with and from whom we can learn Dr Sunny Philip covers all the major turning points in the life of David and unearths precious nuggets of practical wisdom in this book Dr Sunny Philip is the Senior Pastor of Gateway World Christian Center in Long Island New York He has degrees in Chemistry Chemical Engineering and Theology He has ministered on all continents of the world as a Bible teacher and conference speaker He lives with his wife and three adult children in Long Island New York *God's Mandate for Transforming Your Nation* Dexter Low,2016 What is the church s mission in the 21st century Malaysian apostle and missiologist Dexter Low says nation transformation must become our new agenda for fulfilling the Great Commission in our time The current model which calls for uniting the church s leaders worldwide to win 1 billion souls and plant 5 million churches by 2021 isn t working Ultimately it cannot because its emphasis on church planting and evangelism excludes social transformation But when the key pillars of social influence are also realigned according to kingdom principles then your nation any nation will be transformed God s Mandate for Transforming Your Nation provides practical instructions on advancing God s kingdom globally True examples of ways that lead to measurable results are included Low will both challenge and inspire you as a Christian leader to take a significant step forward in fulfilling the church s mission in the 21st century While I Was Praying Ralph K. Hawkins,2006 From Abraham s prayer of protest to Habakkuk s struggle to understand terrorism to Jesus tradition bound words of the Lord s Prayer readers of While I Was Praying Finding Insights about God in Old Testament Prayers will uncover new insights into how the ancient Hebrews understood their God In their prayers to God the ancient Israelites expressed what they believed to be the nature characteristics and attributes of God Often it was through prayer that they received profound insight into the nature of God As a part of this study each chapter not only explores an Old Testament prayer in its historical and scriptural context but also includes Connections to the experiences and needs of today s readers Written for use in both personal reflection and small group study each chapter also provides discussion questions to provoke deeper reflection into the nature and continued potency of Old Testament prayers The Power of a Praying Church Stormie Omartian,Jack Hayford,2009-03-01 Believers are promised God s powerful presence when they gather with others in prayer Now bestselling authors Stormie Omartian more than 10 million books sold and her longtime pastor Jack Hayford look at the life changing benefits and world changing effects that result from praying with others Readers will see how they can strengthen their personal prayer times with God experience the joy of finding a prayer partner change their lives by becoming part of a dynamic prayer group uncover the far reaching power of a praying church discover how in the

world they can make a difference As they boldly enter into close fellowship with other believers to effect change in the world they will touch lives and needs with the power of the Father in heaven Rerelease of The Power of Praying Together **An Exposition of All the Books of the Old and New Testaments ...** Matthew Henry,1808 **Are You “The PRIZE” or Just a Consolation Gift?** Linda Fields,2022-09-07 Which one are you The PRIZE or consolation gift The title of this book Are You The PRIZE or Just a Consolation Gift has profoundly captured your attention Though it has stirred your interest because even without you knowing how to formulate the question you wanted to know the answer Nonetheless the answer is just as diverse as you are with all your various life experiences up to this point Although both exist in this world the one which is valueless is more prevalent in this world of deception than the other Consequently the one more useful to GOD in doing HIS GOOD WORK in the earth is least esteemed by those of the world Therefore the one devalued by the world is extraordinarily precious because GOD by HIS SON WHO is HIS WORD of TRUTH made all of HIS daughters divinely invaluable While both exist this book is written to the woman who knows she s a prize but she s unable to explain in intricate details why Yet it s also written to the woman who unbeknownst to her has been trained to be a consolation gift since she didn t know and has never been told that GOD divinely made her to be a PRIZE And lastly but more importantly this book is written to provide every single GOD made woman with invaluable nuggets of wisdom on precisely who GOD MADE her to be in HIS VERY GOOD in CHRIST So if you ve said Yes that s me to either of these categories this book is written to you If not please don t read any further put the book down and never read it or buy it **The Hidden Keys in the Bible 2** Vernon Atkins,2024-02-12 Why is it so hard to find God Or should I say Why is it so hard for God to find you There are Those who say I Read the Bible often But Can t Understand it So I Quickly Lose Interest in it Then I find myself Seeking a Church and a Man of God to help me get closer to God This after a while did not do it for me So I left the Church feelings even more depressed than before Is it really that hard to make a Connection with our God I been told by others that he said that he love all and wishing that none should perish Well why is it so hard to find him if he love us Is our God speaking out of both sides of his mouth I mean he did say it is impossible for him to lie He also said what comes out of my mouth can t return void it that is the case then you need took at your self and at your attempts to see what you are doing wrong less Review You first Started Reading the Bible How much time did you spend reading the Bible once a week every other month are just doing hollow days did I give up my friends who were still involved in daily activities that goes against the Laws and Commandments of God Did you give up going to places that God would disapproval like bars nightclubs where you find half nacked woman s sliding down a pole How about going out gambling looking at trying to get rich and then becoming hooked spending money you don t have money that could have been spent on other things your kids bills Now can you see why it was so hard to understand the Bible Could it be that you are not given your all Less now put you on the right track God says seek him first and all things will be added all you need to do is to knock Asked and Seek in the door will be opened Next you say that you went as far as

attending a church and a minister to bring you closer to God Let me say this all ministers are not call by God In other words it is just as bad to hear the words of God from one who is not call to lead you even further from the truth It s like the blind leading the blind and they both fall into a ditch One sure way to know that you have made a Connections with God Is when you seek him daily Reading his words for yourself and keeping all of his Laws and Commandments by you doing this you show Him that you are truly sincere about knowing him This is when God releases His Spirit of understanding to your mind but in small portions and the more you read his words the more knowledge is revealed **NIV Life Application Study**
