The Armenians of Aintab [mit Kurt, 2021-04-13 A Turk s discovery that Armenians once thrived in his hometown leads to a groundbreaking

investigation into the local dynamics of genocide mit Kurt born and raised in Gaziantep Turkey was astonished to learn that his hometown once had a large and active Armenian community The Armenian presence in Aintab the city s name during the Ottoman period had not only been destroyed it had been replaced To every appearance Gaziantep was a typical Turkish city Kurt digs into the details of the Armenian dispossession that produced the homogeneously Turkish city in which he grew up In particular he examines the population that gained from ethnic cleansing Records of land confiscation and population transfer demonstrate just how much new wealth became available when the prosperous Armenians who were active in manufacturing agricultural production and trade were ejected Although the official rationale for the removal of the Armenians was that the group posed a threat of rebellion Kurt shows that the prospect of material gain was a key motivator of support for the Armenian genocide among the local Muslim gentry and the Turkish public Those who benefited most provincial elites wealthy landowners state officials and merchants who accumulated Armenian capital in turn financed the nationalist movement that brought the modern Turkish republic into being The economic elite of Aintab was thus reconstituted along both ethnic and political lines The Armenians of Aintab draws on primary sources from Armenian Ottoman Turkish British and French archives as well as memoirs personal papers oral accounts and newly discovered property liquidation records Together they provide an invaluable account of genocide at ground level

Suciyan,2023-10-25 The history of Tanzimat in the Ottoman Empire has largely been narrated as a unique period of equality reform and progress often framing it as the backdrop to modern Turkey Inspired by Walter Benjamin s exhortation to study the oppressed to understand the rule and the ruler Talin Suciyan reexamines this era from the perspective of the Armenians In exploring the temporal and territorial differences between the Ottoman capital and the provinces Suciyan brings the unheard voices of Armenians into the present Drawing upon the rich archival materials in both the Archives of the Armenian Patriarchate of Constantinople and the Ottoman Archives Suciyan uses these to show the integral role Armenians played in all aspects of Ottoman life and argues that accounts of their lives are vital to accurate representation of the Tanzimat era In shedding much needed light on the lives of those who were vulnerable disadvantaged and otherwise oppressed Suciyan takes a significant step toward a more inclusive Ottoman history
