many adventures was written shortly after his return was serialised in magazines and became a rapid bestseller earning glowing encomiums from many notably figures especially from highly regarded authors of the time including Arthur Ransome and Mark Twain which elevated Joshua Slocum to international fame This edition of his work is beautifully illustrated and is available in soft cover and hard cover with dust jacket Leonaux hard covers are cloth bound with gold foil lettering on their spines and feature cloth head and tail bands making them ideal for collections or to be presented as a forever treasured gift
