**Arrow's Flight**, Breeder Casey A. Hays, 2014-08-14 Beyond the Village nothing exists except devastation A war waged by men and their hateful weapons long ago made it so and my people the women of the Village are the only survivors This is what our history lessons teach us and this is what we are to believe But I am sixteen now and I question everything The Archer has spoken but I have no desire to heed his command I long for more In a world demolished by war and ruled by the hands of Fate individual choices have become obsolete Essentially there is only one requirement Bow the knee to the wisdom of the Council without question Many of the women in the Village have acquiesced to this mandate including some of Kate's closest friends But Kate longs for something more she hears the call of another life On the day of her sixteenth birthday celebration the reality of what this means invades her with a vengeance and she is forced to contend with her own moral conscience Kate's destiny has always been the Pit the life of the breeder which she is expected to embrace without complaint Her rebel's heart however refuses to comply with Fate's demand and what she finds in the Pit draws her one step closer to finding the truth about herself and the Village And it changes the course of her destiny for all eternity Ages 14 and up *An Arrow's Flight* Mark Merlis, 2015-07-05 An Arrow's Flight is a joyous and eccentric tour de force by the author of American Studies and Man About Town The siege of Troy has dragged on for ten years with no end in sight when an oracle supplies the Greeks with the recipe for victory All they need is Pyrrhus son of the fallen Achilles But Pyrrhus has been putting his godlike form to profitable use as a go go dancer in the big city Why should he leave the party give up his hard bought freedom just because some voice in a jar says he must strap on a suit of hand me down armor Still he has always known destiny had plans for him some more glittering future than life as a used up hustler on a park bench somewhere So he sails for Troy hoping to transform himself into the bronzed immortal history requires Instead on an unscheduled detour he stumbles through his first lessons on how to be a man Magically blending ancient headlines and modern myth Merlis creates a fabulous new world where legendary heroes declare their endowments in the personal ads and any panhandler just might be a divinity in disguise Comical moving startling in its audacity and range An Arrow's Flight is a profound meditation on gay identity straight power and human liberation Lambda Literary Award Gay Men's Fiction 1998 A boldly conceived narrative of uncommon artistry Merlis's insight into human nature and his ability to find and articulate grace in the ordinary process of human exchange is remarkable Among the many books written about AIDS and the gay experience Merlis's novel is a stunning standout Publishers Weekly starred review Equal parts Iliad and City of Night Merlis transforms the gimmick into a miraculously wacky droll and sometimes tragic story Village Voice Top of the line gay fiction compulsively readable and very very sexy The Advocate Dazzles with its originality its willingness to take astonishing risks its triumphant conjuration of a
