Exploring Outremer Volume II Rabei G. Khamisy, Rafael Y. Lewis, Vardit Shotten-Hallel, 2023-05-24 This collection is published in the Crusades Subsidia series in honour of Professor Adrian J Boas an archaeologist historian and scholar who

has contributed widely and significantly to the study and teaching of the Middle Ages Professor Boas research encompasses the archaeology of the Latin East military orders with particular emphasis on the Teutonic Order material culture architecture and medieval art historiography and not least the Crusades and the Latin East Exploring Outremer Volume II is a collection of 15 original essays by the leading scholars in the field on the history and archaeology of the Latin East It covers aspects dealing with the history archaeology architecture and function of several castles and fortifications in the Latin Kingdom and presents new studies on the material including pottery numismatics and many other finds In addition it includes a chapter dealing with landscape archaeology This book will appeal to researchers and students alike interested in the Kingdom of Jerusalem and Duchies of Edessa and Antioch as well as the Crusades and Crusading Orders **Library of Congress Subject Headings** Library of Congress,1995 *The Crusader World* Adrian Boas,2015-10-14 The Crusader World is a multidisciplinary survey of the current state of research in the field of crusader studies an area of study which has become increasingly popular in recent years In this volume Adrian Boas draws together an impressive range of academics including work from renowned scholars as well as a number of though provoking pieces from emerging researchers in order to provide broad coverage of the major aspects of the period This authoritative work will play an important role in the future direction of crusading studies This volume enriches present knowledge of the crusades addressing such wide ranging subjects as intelligence and espionage gender issues religious celebrations in crusader Jerusalem political struggles in crusader Antioch the archaeological study of battle sites and fortifications diseases suffered by the crusaders crusading in northern Europe and Spain and the impact of Crusader art The relationship between Crusaders and Muslims two distinct and in many way opposing cultures is also examined in depth including a discussion of how the Franks perceived their enemies Arranged into eight thematic sections The Crusader World considers many central issues as well as a large number of less familiar topics of the crusades crusader society history and culture With over 100 photographs line drawings and maps this impressive collection of essays is a key resource for students and scholars alike Collecting and Provenance Andrea M. Gáldy,Ronit Sorek,Netta Assaf,Gal Ventura,2021-06-21 This collection of essays highlights the enduring significance of provenance and its implications for historians and art historians as well as students and researchers engaged in museum studies It also offers an opportunity to demonstrate its relevance to other fields of expertise such as conservation visual culture studies aesthetics authentication and connoisseurship versus technology as a means of establishing attributions and detecting forgeries Provenance is still of vital importance to jurisdiction whether it concerns property law or ownership It also remains topical because of the ongoing debates over looted art in the 1930s and 1940s and the illicit trade in antiquities conducted from Iraq and Syria by terrorist groups **Art and History of Haifa, Akko, Caesarea, Beit Shearim** Giuliano Valdes,1994 *The Woman and the Dragon in Premodern Art* Sharon Khalifa-Gueta,2025-10-01 The motif of the woman and the dragon has been prevalent in Western art since antiquity yet has hitherto remained understudied and artworks featuring

this motif in Western Mediterranean cultures have been examined primarily in relation to the topos of the male dragon slayer This book analyzes artistic images of women and dragons over an extensive period from Classical Greece and Rome with forays to Egypt and Mesopotamia to the early modern period in Western Europe The unique methodology employed in the study of this motif reveals its sacred core as well as its relationship to rituals of fertility and oracular knowledge to the liminal realm between life and death and to the symbolism of Great Mother goddesses At the same time the images explored throughout expose stereotypes and biases against women in unusual positions of power which were embedded in the motif and persisted in Western European art

History, Practice and Pedagogy Susan Barahal,Elizabeth Pugliano,2024-11-21

This edited volume explores the historical practical and pedagogical possibilities for expressing and cultivating empathy through works of art While aspects of what we today recognize as empathy has nestled in the artistic experiences and philosophies of all ages the subjective and elusive nature of empathic responses has often resulted in the relegation of empathy to the margins of art historical inquiry Moving into the second quarter of the twenty first century amidst global health crises civic unrest political turmoil and persistent social inequities and injustices this capacity to feel with and as someone or something outside of ourselves is more critical than ever Probing the very notion of empathy contributions address themes ranging from environmental and social justice to identity and inclusion to transdisciplinary pedagogies and practices each with a critical eye to how works of art not only appeal to empathic sensibilities but might play an active role in developing capacities for empathy in viewers

Dada and Its Later Manifestations in the Geographic Margins Ronit

Milano,Raya Zommer-Tal,Noam Gonnen,2024-06-14 This volume focuses on the unstudied geographic margins of Dada delving into the roots of Dada in Israel Romania Poland and North America Contributors consider some of the practices and experiments that were conceived a century ago surfaced in art throughout the twentieth century and are still relevant today Unearthing its Israeli origins examining Dadaist expressions in Poland and shedding light on overlooked facets of Dadaist art in Romania and North America the authors cast a spotlight on the less explored geographical peripheries of Dada The book is organized around four thematic trajectories space language materiality and reception which are dissected through the lens of micro histories Recognizing the continuing validity of questions raised by Dadaist artists this volume argues that Dada persists as an ongoing endeavor a continual reexamination of the fundamental tenets of art and its ever evolving potential manifestations The book will be of interest to scholars working in art history modernism and history of the twentieth and twenty first centuries
