Cultural Heritage Issues James A.R. Nafziger,Ann M. Nicgorski,2009-12-07 The global community dependent as always on the cooperation of nation states is gradually learning to address the serious threats to the cultural heritage of our disparate but shared civilizations The legacy of conquest colonialization and commerce looms large in defining and explaining these threats The essays contained in this challenging volume are based on papers presented at an international conference on cultural heritage issues that took place at Willamette University The conference sought to generate fresh ideas about these cultural heritage issues offer a good sense of their nuances and complexities and reveal how culture law and ethics can interact complement diverge and contradict one

another This book seeks to accomplish these purposes What it explores is the fact that allong with an emerging blend of adversarial and collaborative processes to address cultural heritage issues has come a substantial broadening of the normative framework in recent years This framework now spans a welter of issues ranging from the creation of cultural safety zones during armed conflict to the ongoing rectification of genocidal conquest during the European Holocaust and World War II to the treatment of shipwrecks and their cargo to the protection of folklore and other intangibles to the promotion of traditional knowledge in the interest of biological diversity All of these topics are controversial as are the legal instruments that incorporate them but the issues they embrace are vital to us all whether our viewpoint is in the global arena a national legislature a courtroom a classroom an archaeological site or a museum **Toguna and Cheko S.
