Dimitriadou, Mosconi, 2023-08-28 This publication contains the proceedings of the 34th Biennial Session of the International Committee for Animal Recording ICAR and the Interbull Meeting held in Sousse Tunisia from 28th May to 3rd June 2004 The book is divided in five sessions containing in total 50 technical papers and reports One key session debates the traceability and all subjects involved in animal health recording This publication also presents for the first time the statistics of the Yearly inquiry on the situation of milk recording in ICAR member countries Results for the years 2001 and 2002 are up dated to April 2004 About 35 pages are devoted to national milk productions their recording costs position of milk recording and the results of milk recording divided by breeds and are presented in easy to read tables The main topics covered in this book are the latest genetic improvement techniques for the global dairy industry the potential to create an international beef evaluation system presentation of advancing new technical standards for identification performance testing as well as a discussion of global priorities for livestock management new tools to improve the fertility of dairy cows New technologies have always been important in ICAR forums for members to understand and discuss In this conference electronic identification and measurement DNA recording and internet services were debated with an exchange of experiences by the delegates Finally new strategies for potential new services for the ICAR member organisations were discussed One such proposal was for an international benchmarking service for measuring and comparing the activities of ICAR organizations

An Expat's Life, Luxembourg & the White Rose David Robinson, 2004-04 An Expat s Life Luxembourg The White Rose is a refreshing and forthright take on the Englishman Abroad genre Reading David Robinson s relaxed prose is like sitting down for a drink or two with the author in the pub of the title Indeed as the tome progresses so the reader warms to Robinson s down to earth character The author s very personal view of an expat s life in Luxembourg is not overbearing and even the most informed reader will learn something new about the history of the Grand Duchy its bureaucracy and social conventions and attitudes The book is brimful with little snippets of useful information and trivia for those unfamiliar with the country and Robinson s anecdotes will spark empathy with readers who live or have lived in Luxembourg Duncan Roberts editor of 352 Magazine *Performance recording of animals - State of the art, 2002* J. Crettenand, J. Moll, C. Mosconi, S. Wegmann, 2023-08-28 This publication collects the Proceedings of the 33rd Biennial Session of the International Committee for Animal Recording ICAR held in Interlaken Switzerland on 26 31 May 2002 Around 400 participants from 60 countries took part in the ICAR Session or attended the Interbull Meeting The activities were divided into five parallel technical sessions Overall about 40 technical papers and reports were presented during the sessions A technical session was especially reserved for the presentation of the activities of the Task Forces Sub Committees and Working Groups in which a total of 19

reports were presented The issues that were discussed covered the use of new technologies for animal performance recording the application of national animal tracing databases the use of data from permanent milk recording for official performance recording the performance recording of beef traits and possible alternative systems of recording of functional traits Particularly relevant was also the involvement of representatives of non member organizations especially from Central and Eastern Europe and developing countries whose needs demonstrate the possibilities that are offered to ICAR to help the re organization of the animal sector This supporting activity with those finalized to reach a better comparison of the production systems among the member organization demonstrate the potentialities of the association The Sessions allowed an active exchange of ideas and experiences among the participants who recognized that the dialogue is the engine for improvement Considering that the resources of most member organizations have been reduced the need of working together was strongly underlined today more than in the past in order to achieve shared objectives **Virdrun Marie-Claude**

Breaud,Didier Damiani,2008 *Performance Recording of Animals, State of the Art* International Committee for Animal Recording. Session,2004 Matisse Rebecca A. Rabinow,Dorthe Agesen,Metropolitan Museum of Art (New York, N.Y.),2012 Throughout his long career Henri Matisse 1869 1954 continually expanded the boundaries of his art By repeating images in pairs trios and series he conducted an ongoing dialogue with his earlier works in order to as he put it push further and deeper into true painting In this fresh approach to a much studied artist prominent scholars from the United States and Europe examine more than sixty works in concise chapters that focus on this aspect of Matisse s working process From early pairs such as Young Sailor I and II 1906 and Le Lexe I and II 1907 8 through a series of late studio scenes from Vence 1946 48 Matisse is shown revisiting a given theme with the aim of devising innovative often radical solutions to such problems as how to portray light handle paint select colors and manipulate perspective New technical studies of the early paired works and photographs documenting the evolution of his later paintings help to elucidate Matisse s complex evolution In numerous excerpts from letters and interviews he is revealed as an artist who regularly questioned himself and his methods a man of powerful intellect who regarded each new painting as an adventure A significant addition to art historical literature Matisse In Search of True Painting is a revelatory study of a seminal figure in 20th century modernism Page 4 of cover
