Gathu,2025-04-29 My story about finding happiness and the gift of forgiveness In my story I focus on two significant encounters because they set me on the path toward seeking happiness and forgiveness However I discovered other encounters in my life that also required forgiveness As I share my story don t be misled into thinking my life is filled with hardship or pain On the contrary my life has been rich with enchanting beautiful and wonderful encounters far more than I can recount here Yet how we choose to react to one negative experience can overshadow the 99 9% of wonderful moments in our lives if we view everything through the lens of that single event When I finally broke free from that perspective I was able to fully experience all the beauty life had to offer 100% of it This freedom came from the choice to forgive commit to it and decide how to react to negative energy In the end I m grateful for those once painful experiences because they led me to forgiveness healing and thriving At the conclusion of my story I will share the process I used to achieve forgiveness Be prepared though true forgiveness isn t easy It s a long ongoing process and a lifelong practice It s not a one time event However after reading this book I hope you too can find the freedom I discovered by releasing all the negativity that was holding you back and embracing positive outcomes I let go of anger bitterness and resentment replacing them with joy happiness and peace My goal is to guide you on your own forgiveness journey to help you find the peace necessary for growth and thriving Forgiveness is for you and is a powerful tool for your success It allows you to reclaim power from those who hurt you transforming what happened to you into something that works for you and it all begins in your mind I believe you cannot heal without forgiving and you cannot grow without healing So forgive heal grow and thrive **The Art of**
