Artists on the Left Andrew Hemingway, 2002-01-01 Examination of the relation between visual artists and the American communist movement in the first half of the twentieth century from the rise in prestige of the party during the Great Depression to its decline in the 1950s Account of how left wing artists responded to the party s various policy shifts the communist party exerted a powerful force in American culture

The Art of the Project Johnnie Gratton, Michael Sheringham, 2005 The idea of the project crosses generic disciplinary and cultural frontiers At a time when writers and artists are increasingly describing their practices as projects remarkably little critical attention has been paid to the actual idea of the project This collection of essays responds to an urgent need by suggesting a framework for evaluating the notion of the project in the light of various modernist and postmodernist cultural practices drawn mainly but not exclusively from the French speaking domain The overview offered by this volume promises to make an original and thought provoking contribution to contemporary literary artistic and cultural criticism
