Armageddon's Glorious End David R. Manzano, 2017-12-12 This latest contribution to the understanding of the Bible's final book will be a welcomed addition to anyone's personal library. The author is quick to admit that Revelation has many strange images and perplexing elements. However, he is just as quick to stress that these images and elements are not the focus. The Apostle John, in writing this apocalyptic volume, centers the attention on Jesus Christ, the only hope for those who have accepted Him as Lord and Savior, as well as those who still need to. Many people know Revelation for its striking, confusing symbolism. Many of these people would experience less confusion if they realized that most of these symbols are borrowed by the beloved disciple from other parts of the Bible. Manzano is faithful and responsible in allowing the Bible to interpret itself and establishing the Old Testament, especially the book of Daniel, as the foundation for decoding Revelation's mysteries. As Bible prophecy continues to unfold and this world continues to unravel like a cheap sweater, the frustration and turmoil that ensues will dissipate by the encouraging tone of this book. Readers are subsequently prompted to dive into Revelation and study afresh to reconnect with the Lamb King around whom its messages revolve.

Angelbound Origins Box Set Christina Bauer, 2019-07-19 Angels Demons Love Snark The first three books of the best-selling series are now in one ebook collection. ANGELBOUND Book 1 Myla Lewis is a girl who loves two things: kicking ass and being kicked. She's not your every-day, quasi-demon, part-demon and part-human girl. Myla lives for the days she gets to fight in Purgatory's Arena. That is, until she meets Prince Lincoln, a super-sexy half-human and half-angel demon hunter. But what's a quasi-demon girl to do when she falls for a royal demon killer? With a love of fighting, Myla's about to shake up the after-realms. SCALA Book 2 Myla Lewis has a whole lot of trouble. A magical object called Lucifer's Orb is threatening millions of souls, and it's Myla's job to make it go away. Plus, an old enemy is plotting to separate Myla from her Angelbound love, Prince Lincoln. But Myla and Lincoln are fighting back. Can they stop the Orb, save Purgatory's souls, and stay together? Or will both the after-realms and their relationship be destroyed? ACCA In just one week, supernatural warrior Myla Lewis must discover enough evidence to send the evil House of Acca to prison or she'll end up in jail herself along with her fiancé. Time to kick some ass. I'm virtually speechless when it comes to these novels. I have not found an author that I adore the writing style of this much since Jennifer L. Armentrout. The world that Bauer creates is amazing.
