

ARMED AND DANGEROUS

Armed And Dangerous

Richard Bailey

Armed And Dangerous:

Call My Roofer aka Homeowner Armed and Dangerous Chris Brooke, 2012-11-11 This book is more than a How To book It arms you with the knowledge necessary to make informed decisions regarding every aspect of waterproofing a property as well as the structural aspects to designing and building a residential or commercial building Things you need to know and how to ask or relate to your architect builder home inspector or tradesman Not just the terminology but how to discern with your eyes whether something existing was done correctly or how to see if it was not And ask the right questions A lot can be lost in the translation from English to construction terms and back When everyone involved understands the different scenarios in protecting one's property from the elements all are pleased with the results So whether you are a realtor or buyer or a dreamer I hope you will find this handbook to be invaluable My Best Regards Chris Brooke

Illuminations

LaTonja Brown, 2013-09-17 Through poetry essays and a short story the contributing writers of Illuminations share their struggles fears and doubts and relay their underlying faith and hope they have in their walk with God Compiled by LaTonja Brown this anthology contains works by members of the Pentecostal Covenant Church in Seattle Washington with the youngest writer being ten years old The works tone mood and emotion move up and down between despair and hope failure and triumph and doubt and faith The writings address a plethora of subjects including death struggle illness broken relationships identity abuse loss hope and healing Though the selections often address serious and heartfelt topics the writings communicate that through it all there is a beacon of light It demonstrates the resiliency of the human spirit and shows that despite the odds we hold on to our hope and faith that all things work for our good
