A Treatise on God Written in Armenian by Eznik of Kolb (floruit C.430-c.450) Eznik (Koghbats'i, Bishop of Bagrewand), 1998 The conversion of Armenia is traditionally dated to 314 when Gregory the Illuminator c 240 332 baptized King Trdat 298 330 and the royal family Not until the fifth century did

there develop both a Christian literature for Armenians in the Armenian languages and the beginnings of a literary tradition in several genres which provided a coherent argument against the old religion of Zoroastrianism and made for the creation of Armenia as a Christian nation Eznik of Kolb later bishop of Bagrewand studied in Edessa and in Constantinople among that first generation of Armenian Christians who made available in the newly established Armenian script translations of Greek and Syriac texts including the Bible and other early Christian writings Eznik composed a treatise of theology and apologetic in Armenian which has survived untitled in one manuscript Modern editors and translators have titled this treatise *On God or Against the Sects* Eznik addressed perceived threats to Christianity in Armenia from heretical and non Christian movements among them Valentinian Gnosticism and the schools of Greek philosophy Marcionism Manichaeism and Zoroastrian Zurvanism Eznik's sources include the Bible ancient Greek non Christian literature earlier Greek patristic treatises and other works Syriac patristic texts and Iranian works either written or oral concerning the Zurvanite form of Zoroastrianism and Armenian paganism The central concern of the book is to contrast the monotheistic Christian God with the dualistic or polytheistic deities and religions of his opponents Eznik's book is unusual in several aspects It is the first apologetic treatise composed in Armenian and it also provides a summary of early Christian doctrine as Eznik understood it It contains unique information on the fifth century teachings of Zurvanism and Marcionism It attests to an Armenian theology conversant with both Syriac and Greek sources It also opens a window into pre Christian Armenian mythology and folklore The English translation is based on the critical edition of Louis Maries and Charles Mercier

The Global Encyclopaedia of Informality, Volume 1 Alena Ledeneva, 2018-01-17 Alena Ledeneva invites you on a voyage of discovery to explore society's open secrets unwritten rules and know how practices Broadly defined as ways of getting things done these invisible yet powerful informal practices tend to escape articulation in official discourse They include emotion driven exchanges of gifts or favours and tributes for services interest driven know how from informal welfare to informal employment and entrepreneurship identity driven practices of solidarity and power driven forms of co-optation and control The paradox or not of the invisibility of these informal practices is their ubiquity Expertly practised by insiders but often hidden from outsiders informal practices are as this book shows deeply rooted all over the world yet underestimated in policy Entries from the five continents presented in this volume are samples of the truly global and ever growing collection made possible by a remarkable collaboration of over 200 scholars across disciplines and area studies By mapping the grey zones blurred boundaries types of ambivalence and contexts of complexity this book creates the first Global Map of Informality The accompanying database is searchable by region keyword or type of practice so do explore what works how where and why Praise for *The Global Encyclopaedia of Informality* The *Global Encyclopaedia of Informality* represents the beginning of a new era in informality studies With its wealth of information diversity scope theoretical innovation and artistic skill this collection touches on all the aspects of social and cultural complexity that need to be integrated into policy thinking Predrag Cvetkovic Centre for Empirical

Armenian Folklore Bibliography Introduction

In today's digital age, the availability of Armenian Folklore Bibliography books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Armenian Folklore Bibliography books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Armenian Folklore Bibliography books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Armenian Folklore Bibliography versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Armenian Folklore Bibliography books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Armenian Folklore Bibliography books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Armenian Folklore Bibliography books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to

borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Armenian Folklore Bibliography books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Armenian Folklore Bibliography books and manuals for download and embark on your journey of knowledge?
