## **Arms Control Security In The Middle East The Cis Republics:**

Arms Control & Security in the Middle East & the CIS Republics Theodore A. Couloumbis, Thanos P. Dokos, 1995

**Global and Regional Approaches to Arms Control in the Middle East** Gamal M. Selim, 2013-07-11 Since the end of the Cold War the Middle East has been the focus of various projects for the establishment of arms control including CBMs regimes Whereas some of these projects were initiated at the global level others were discussed and debated at the regional level This book analyses the global and regional dynamics of arms control in the Middle East in the post Cold War era It examines American and European arms control projects the contexts in which they were presented the reactions of major regional actors and their impacts on arms control efforts in the region It assesses Arab perceptions of the motivations for and constraints on establishing arms control regimes It also explores the prospects of regional arms control in the context of the ongoing Arab Spring with its ramifications for Arab regional politics and provides a new perspective on arms control in the Middle East This volume enriches the ongoing discourse which to date has been dominated by mainly Western perspectives

**Arms Control and Iranian Foreign Policy** Bobi Pirseyedi, 2012-10-12 Since 2003 when the world learned that the Islamic Republic of Iran had succeeded in secretly developing a capability to enrich uranium and separate plutonium the question of Iran's nuclear program has ranked high on the international political and arms control agenda This book studies the IRI's diplomatic operations in the issue area of arms control and demonstrates how arms control diplomacy has formed an integral part of the IRI's foreign policy during the various phases of its history Furthermore it fills a gap in the research literature on Iran's foreign and security policies by providing the first comprehensive account of Iranian arms control diplomacy under the Islamic regime This book aims at reconstructing Iran's diplomatic operations in four distinct thematic areas of arms control conventional chemical biological and nuclear arms control It also looks at the diplomatic means by which the IRI's leadership has tried to achieve its arms control objectives This text also seeks to identify and examine the individual objectives that have guided Iranian policy choices in the domain of arms control Finally it places the reconstructed Iranian objectives into a broader context by elaborating on the fundamental values or foreign policy goals that the IRI's arms control objectives have served This highly informative and thought provoking volume will be valuable reading for students researchers and academics as well as for commentators and policy makers interested in Middle East studies Iranian studies international relations and arms control

**The Foreign Policies of the EU's Mediterranean States and Applicant Countries in the 1990's** Theodore Couloumbis, Stelios Stavridis, Thanos Veremis, Neville Waites, 2016-07-27 The book analyses the foreign policies of EU Mediterranean states and applicants in the context of wider EU Mediterranean relations It provides a unique comparative analysis of current members and applicant Mediterranean states in the 1990s at a time when EU processes of enlargement and integration raise fundamental needs to define interests of the EU in its Southern and Eastern relationships

**The Barcelona Process** George Joffe, Alvaro Vasconcelos, 2014-04-08 The Euro Mediterranean

Partnership the Barcelona Process aims to create integration in the Mediterranean Basin so as to encourage economic development along the Southern rim This volume takes a critical look at the problems faced by the Process and the likelihood of its success

**Countering the Proliferation of Weapons of Mass Destruction** Thanos P Dokos,2020-07-24 As counter proliferation is expected to become the central element in the new national security policy of the US such actions will constitute a central element of every major international conflict in the first decades of the 21st century One of the most important geostrategic phenomena of the past decade has been the extraordinary diffusion of war making capabilities from the developed North to the developing South In the eyes of some proliferant states possessing nuclear biological and chemical NBC weapons would not only add to their regional stature but would also offer an asymmetrical counter to the West s massive superiority in conventional forces In the Eastern Mediterranean and the Middle East a number of countries are assumed to possess varying levels of NBC weapons capabilities Reasons for concern include the fact that such weapons have been used in the past the region s geographic proximity to Europe and the vital interests of the West which is prepared under certain circumstances to use force to protect them the multiplicity of conflicts and other security problems and the general instability in the region including the spread of religious extremism This important and timely book assesses in detail the accuracy of predictions and perceptions about a possible military threat from the Southern Mediterranean Muslim world and their impact on NATO s political and military posture Thanos P Doxos presents an assessment of the Alliance s options for dealing with the problem This book represents an invaluable topical resource for researchers and policy makers

The Emerging Euro-Mediterranean System Dimitris Xenakis,Dimitris N. Chrysoschoou,2001 Focusing on the principal challenges facing the Euro Mediterranean partnership since the signing of the Barcelona Declaration in November 1995 this study assesses past European policies towards the region

**Israeli Strategies in the Middle East** Ehud Eilat,2022-04-13 This book offers an in depth discussion of the Israeli Iranian conflict and its implications for the United States and Arab states The main topic is Israel s approach to handling Iran and its partners given Iran s ambitions including its plan to produce nuclear weapons The author explains the complexity of the Iranian Israeli Arab triangle while offering suggestions on how the United States can assist Israel in this matter The volume also contributes a unique point of view on events and military factors
