Battalions of the King's Royal Rifle Corps whose members were comprised entirely of past and present members of the Church Lads Brigade. These were known as Pals Battalions. The story of the battalion centers around the experiences of eight men who served and some who died in the Battles of The Somme, Arras and The Lys. In the latter half of the nineteenth century influential Christians were worried about the poor spiritual and physical development of young people. It was at that time that Brigade groups began to spring up all over the UK. Walter Mallock Gee who was Secretary of the Junior Branch of the Church of England Temperance Society and a Volunteer Army Officer founded the Church Lads Brigade in 1891. By 1908 the membership of the brigade stood at about 70 000 in 1 300 companies. When the Call to Arms came from Field Marshal Horatio Herbert Kitchener in 1914 thousands of Britain's youth flocked to join the armed forces. Members of the Church Lads Brigade joined up in their droves at recruiting stations all over Great Britain. Two Battalions were formed entirely from serving and ex members of the Church Lads Brigade. The 16th Service Battalion and later the 19th Service Battalion both sponsored by the Church Lads Brigade became known as The Churchmen's Battalion. In 1914 no one could have imagined the horrendous stories that would unfold from the bloody massacre at so many notorious battles across Belgium and the fields of Flanders. Ypres, Passchendaele, Somme, Arras, Lys and the brutal decimation of the battalion during the hell of the fighting at High Wood. No one could have imagined the discomfort and disease brought on by living in a trench full of water for days on end or over the top through acres of knee high mud. More than 24 of the Church Lads Brigade were awarded a Victoria Cross for their bravery but by 1918 many of those gallant young Lads would not return home. This is their story. **The 1908 Olympic Games** Bill Mallon, Ian Buchanan, 2015-07-11 The 1908 Olympic Games were controversial. There was almost constant bickering among the American team and the British officials. Because of the controversies the 1908 Olympics have been termed The Battle of Shepherd's Bush referring to the site of the Olympic Stadium. Reports of the 1908 Olympics have been rare and do not for instance contain full results for archery, track and field, athletics, football, soccer, gymnastics, motorboating and shooting. A great deal of new information has been discovered by the authors and this work gives complete results for all events. The information presented is based primarily on 1908 sources. For the first time definitive word on the sites, dates, events, competitors and nations as well as the event results are

available for all of the 1908 Olympic events including boxing cycling diving fencing field hockey lacrosse polo raquets swimming lawn tennis tug of war weightlifting wrestling and yachting among other sports A series of appendices include rarely seen information about the many controversies surrounding the Games **Orwell** D. J. Taylor, 2023-05-25 A fascinating exploration of George Orwell and his body of work by an award winning Orwellian biographer and scholar presenting the author anew to twenty first century readers We find ourselves in an era when the moment is ripe for a reevaluation of the life and the works of one of the twentieth century s greatest authors This is the first twenty first century biography on George Orwell with special recognition to D J Taylor s stature as an award winning biographer and Orwellian Using new sources that are now available for the first time we are tantalizingly at the end of the lifespan of Orwell s last few contemporaries whose final reflections are caught in this book The way we look at a writer and his canon has changed even over the course of the last two decades there is a post millennial prism through which we must now look for such a biography to be fresh and relevant This is what Orwell The New Life achieves
