Around The World With The Diva On The Qe2:

Around the World with the Diva on the QE2 Mary Mastony,2000 **Dark Side** G. F. McHugh,2005-02 Exploiting the natural rhythms of traditional English poetry along with the power of rhyme G F McHugh brings a modern perspective to comic verse whether the subject be primitive cave dwellers evocative of the Neanderthals the aged inhabitants of an English village or a miscellany of weird characters The unlikely relationship of these varied folk to modern awareness is evoked in brief hard hitting poems that must produce in readers young and mature an irreverent chuckle Going Around the Bend on the QE2 Nicholas Walker,2018-02-12 Written by a bestselling author this is the hilarious story of him having a nervous breakdown and running away around the world on the QE2 Unbelievable but absolutely true the author s sensitive mental state gives him a different slant on world travel and the millionaires he mixes with A truly different travel book which will have you laughing on every page This is the true story of how the author cured a nervous breakdown by taking a world cruise on The Queen Elizabeth II It is a peep into the luxury lifestyle of the very rich from the somewhat sardonic viewpoint of someone who is not quite sane We visit 40 countries and each one is treated to the author s observations which are nearly always humorous and written by someone who s fragile mental state causes him to throw all caution to the winds But more than that Nick isn t your conventional world traveller he gets arrested in New York and undergoes an intimate body search he fights off three armed muggers in Jamaica falls out with Australian customs officers has a motor bike accident in Bali is attacked by two old men in The Taj Mahal and is thrown out of Vietnam The book though is more about his life aboard the QE2 his love affairs his growing relationship with the staff and their intimate closeted lifestyle the disastrous staff concert that ends up in an all out fight the excesses of the super rich passengers and the bizarre situations that only happen aboard such as the night where he is trapped on the dance floor with the three women he has been dating All in all it is the story of a man making his way back to sanity until he is finally deposited back on the quay at Southampton where he started only now he is penniless and has just been informed that everything he owns in the world has been thrown overboard into the sea The hilarious follow up is now available Not Quite Sane in America where Nick runs away to America to avoid his proctologist

MARIA CALLAS - THE UNTOLD SAGA Paul Krisikos ,2024-12-29 Should you find yourself sated by the commonplace narrative surrounding Callas a saga rich in melancholy betrayal by a Greek shipping tycoon her voice s epic dive from booming bravado to hushed whispers and her solitary years culminating in a pill popping performance under delusions of bygone splendor culminating in an untimely end allow me to present an alternative tale for your consideration Young Maria Callas is a musical prodigy hiding behind the grim facade of shattered family life Her extraordinary talent is sparked by the mystical murmurings of the nine Muses and honed by an experienced chorus master from the Metropolitan Opera Her mother freshly discharged from an institution following a suicide attempt sees Maria s gift as her ticket out of her debt ridden deceptive marriage She clings to Maria s rising star to vicariously live out her unfulfilled dreams Thus begins Callas s whirlwind journey through a musical career that reflects both the dizzying heights and devastating lows of Manhattan during

the Roaring Twenties heyday before descending into the depths of the Great Depression At the same time we find ourselves immersed in Maria Callas s mid decade and the high society of Rome circa 1958 a world that sparkles with surface opulence yet hides danger and impending scandal beneath This is where The Rome Scandal starts to unfold destined for infamy in history books Amid this pulse pounding drama Callas steps into the spotlight standing firm under harsh lights and fending off paparazzi eager for any chance to tarnish her reputation Opera houses scheme for her downfall while disgruntled fans swarm around her like wasps Maria s quest to become one of the world s most sought after divas reveals an unseen struggle driven by a desire for maternal approval intensified by her audience s unpredictable and fickle adoration Ultimately her greatest adversary will be her own reflection a dark mirror of herself The profound truth she must face is that unconditional love can only be found within oneself
