Art Law Cases And Materials:

Art, Cultural Heritage, and the Law Patty Gerstenblith, 2012 **Art Law** Leonard D. DuBoff, Michael D. Murray, 2017-03-29 *Art Law Cases and Materials Second Edition* offers a timely and panoramic view of the entire field of law. Designed as a primary text for courses on Law and the Visual Arts Cultural Property Law or Cultural Heritage Law the three part framework of this highly readable casebook explores Artists Rights Art Markets and the International Preservation of Art and Cultural Property **Art Market Research** Tom McNulty, 2013-12-27 This book is for art market researchers at all levels. A brief overview of the global art market and its major stakeholders precedes an analysis of the various sales venues: auction, commercial gallery etc. Library research skills are reviewed and advanced methods are explored in a chapter devoted to basic market research. Because the monetary value of artwork cannot be established without reference to the aesthetic qualities and art historical significance of our subject works two substantial chapters detail the processes involved in researching and documenting the fine and decorative arts respectively and provide annotated bibliographies. Methods for assigning values for art objects are explored and sources of price data both in print and online are identified and described in detail. In recent years art historical scholarship increasingly has addressed issues related to the history of art and its markets: a chapter on resources for the historian of the art market offers a wide range of sources. Finally provenance and art law are discussed with particular reference to their relevance to dealers, collectors, artists and other art market stakeholders.

Legal Issues for Arts Organizations Kristi W. Arth, 2024-04-29 Legal issues touch every aspect of organizations in the creative and cultural sectors. This book teaches non-lawyer arts administration professionals and students how to identify and manage legal issues common to arts organizations. *Legal Issues for Arts Organizations* demystifies common legal problems and helps readers to approach them proactively. With an easy-to-remember issue-spotting process the book helps develop the average administrator's eye for legal issues so that the administrator knows when to do more research and when to seek out professional legal assistance. Written by a law professor and former intellectual property litigator with experience in arts policy and administration this book provides a framework that arts professionals can use to navigate legal issues with increased confidence. It provides an overview of the American legal system, teaches a systematic process for identifying legal issues, trains administrators to read and understand contracts, gives practical advice for working with professional lawyers and puts theory into practice with an applied learning component. Packed with practical tips and advice this book provides a primer that every arts administrator and every arts and nonprofit management student will find immediately useful. A book adoption gift containing teaching support materials is available to instructors.
