## **Art Of Creative Drawing Symbolism Mythology:**

**The Art of Creative Drawing: Symbolism and mythology**, 2004 Explores the world of symbolism through design exercises suitable for visual art students at high school or tertiary level The Art of Creative Drawing: Symbolism and mythology, 2004 The ART OF CREATIVE DRAWING series has been designed using both traditional freehand and structured geometric drawing methods The innovative exercises are aimed at awakening the creative artist in all of us **Myth and the Creative Process** Jacob E. Nyenhuis, 2003 Highlighting the interaction between myth and artist word and image Jacob Nyenthuis here presents a catalogue of these works one that will enlighten Ayrton s British following while introducing him to an American audience BOOK JACKET **Master Minds: Creativity in Picasso's & Husain's Paintings. Part 3** Dr. Harpal Sodhi, 2020-04-18 Master Minds Creativity in Picasso s Husain s Paintings The book Master Minds Creativity in Picasso s and Husain s Paintings is a projection of master minds in the field of art It reveals about the creative works of art that are not just show pieces to adorn rich homes museums and art galleries but to bring awareness about human attitude and cultural heritage The projection of these works of art could lead to international integration and establish an amicable relationship between people of all communities and further form a peaceful global human society This book Part 1 to Part 5 also serves the purpose of academic study for art scholars and art researchers all over the world In the entire book Master Minds Creativity in Picasso s and Husain s Paintings light has been thrown on Picasso s and Husain s life and paintings There is an analytical study of their works of art The significant aspects dealt with in their paintings are creativity viewed through linear quality forms colors pictorial composition subject matter styles mediums techniques similarities and differences in their works of art I consider myself to be fortunate to avail the opportunity to journey through a significant part of the life and works of these two great artists Their contribution to the world of art is exemplary for many future generations Picasso and Husain have proved that the aesthetic artistic trend of thought has no barriers and boundaries The mind of an artist can reach any part of the universe and create wonders in the form of an art Picasso s and Husain s immortalized paintings mesmerize the observer when their creative activity springs out in their paintings which speak in a silent language of forms and colors An exposure to visual art in any form has proved to be a form of communication Our global human society is divided by languages customs religions economic developments and geographical locations but the visual language in the form of paintings of artists all over the world have united the global society by their creative activity When an artist s aesthetic sense is highly developed and his ability to grasp and display is superb he ultimately becomes a pioneer of a unique technique or style Picasso s cubism and Husain s allegorical series of paintings in Husaineian style are the products of the vigorous experiments with different mediums and techniques It has been noticed that their works have a glimpse of the existing styles and techniques mingled with an antiquarian approach where the result is absolutely unique and creative Their works of art are deemed to immortalize their names as the ever shining prominent stars in the sky of the world of art There

are total 226 illustrations in Part 1 to Part 5 of the ebooks that include a unique analytical study of the paintings and the sketches of the artists Pablo Picasso and Maqbool Fida Husain Dr Harpal Sodhi      **Art, Myth and Deviance** Shlomo Giora Shoham,2008-12-18 Myths have long been considered the prime linkage between nature and culture but we hold that they are more than this The mythogene which is our conceptualization of a connecting structure links subject and object history and transcendence but above all is the blueprint for creativity The volume deals therefore with the innovative conception of the author as to the process of creativity Van Gogh had a revelation as to how the whirling cypresses and dancing stars would look at night These structures which contain a complementarity between his experiences and longings are then ingrained in the artistic medium Since his artistic efforts were authentic his ecstatic in the Greek sense state of mind extricated itself from diachronic history and soared onto synchronic eternity This is how we perceive his work as fresh exhilarating and meaningful as if painted today it is the communication within eternity of authentic art from artist to audience The volume also presents a classification of types of artists as related to their art and presents an innovative theory as to the link between madness and creativity      Aztec Mythology A.J.
