Art In Afghanistan Objects From The Kabul Museum:

Art and Cultural Heritage Barbara T. Hoffman, 2006 Art and Cultural Heritage is appropriately but not solely about national and international law respecting cultural heritage It is a bubbling cauldron of law mixed with ethics philosophy politics and working principles looking at how cultural heritage law policy and practice should be sculpted from the past as the present becomes the future Art and cultural heritage are two pillars on which a society builds its identity its values its sense of community and the individual The authors explore these demanding concerns untangle basic values and look critically at the conflicts and contradictions in existing art and cultural heritage law and policy in its diverse sectors The rich and provocative contributions collectively provide a reasoned discussion of the issues from a multiplicity of views to permit the reader to understand the theoretical and philosophical underpinnings of the cultural heritage debate **Art and Archaeology of Afghanistan**, 2006-08-01 During the last couple of decades Afghanistan's cultural heritage has faced exceptional challenges Looting of the National Museum Kabul Museum the neglect of monuments and extensive illegal excavations have taken place However what really shook the world was the destruction of the Buddhas of Bamiyan in March 2001 This volume focuses on Afghanistan's cultural heritage protection Its purpose is threefold To provide an overview of the diversity of activities undertaken in the cultural heritage field To change public opinion into a more positive one And to serve as an example for future generations This multidisciplinary book including contributions from archaeologists linguists and lawyers will interest both scholars in the cultural legal and humanistic field as well as the public at large Many exceptional photographs are included *Art in Afghanistan: objects from the Kabul Museum*, 1971 **Art in Afghanistan** Mūzih-'i Kābul, 1971 **Archaeological Gazetteer of Afghanistan** Warwick Ball, 2019 The Archaeological Gazetteer of Afghanistan Revised Edition is the most comprehensive reference work on the archaeology and monuments of Afghanistan ever undertaken significantly expanding on the work of the 1982 edition and cataloguing all recorded sites and monuments from the earliest times to the Timurid period **Art in Afghanistan** Benjamin Rowland, 1971 **Art in Afghanistan** Mūzih-'i Kābul, 1971 **Afghanistan in Pictures** Alison Behnke, 2003-01-01 An introduction to the geography history government people and economy of this landlocked country with a long history of warfare and conquest **Art Museums of the World [2 Volumes]** Virginia Jackson, 1987-03-25 An authoritative reference work that lists more than 200 selected museums in countries from Afghanistan to Zaire This set responds to the need for a work that offers serious researchers scholarly articles on the history and collections of the world's major museums Choice This volume will be of great use to scholars for the valuable and frequently difficult to obtain information it provides including facts about museum libraries and the availability of slides and photographs Not only will it be a wonderful reference tool for researchers but it also makes fascinating reading for the armchair traveler Highly recommended Library Journal *The Books Sānk and Pātaṅḡal* Noémie Verdon, 2024-01-08 The open access publication of this book has been published with the support of the Swiss National Science Foundation Al B

rn ca 973 1050 was an innovative encyclopaedist thinker He is particularly known to have investigated into India of his time Yet his life and the circumstances of his encounter with Indian languages culture and sciences are still shrouded in mystery and legends This research brings to light elements of his intellectual journey based on well grounded analysis so as to contextualise al B r n s work of transmission of Indian philosophies into Arabic Thanks to a theoretical framework rooted in a multidisciplinary approach including Translation Studies it enables to comprehend the full scope of his work and to analyse deeply his motives and choices of interpretation **The Art of Ancient India** Susan L. Huntington, John C.

Huntington, 2014-01-01 To scholars in the field the need for an up to date overview of the art of South Asia has been apparent for decades Although many regional and dynastic genres of Indic art are fairly well understood the broad overall representation of India s centuries of splendor has been lacking The Art of Ancient India is the result of the author s aim to provide such a synthesis Noted expert Sherman E Lee has commented Not since Coomaraswamy s History of Indian and Indonesian Art 1927 has there been a survey of such completeness Indeed this work restudies and reevaluates every frontier of ancient Indic art _ from its prehistoric roots up to the period of Muslim rule from the Himalayan north to the tropical south and from the earliest extant writing through the most modern scholarship on the subject This dynamic survey generously complemented with 775 illustrations including 48 in full color and numerous architectural ground plans and detailed maps and fine drawings and further enhanced by its guide to Sanskrit copious notes extensive bibliography and glossary of South Asian art terms is the most comprehensive and most fully illustrated study of South Asian art available The works and monuments included in this volume have been selected not only for their artistic merit but also in order to both provide general coverage and include transitional works that furnish the key to an all encompassing view of the art An outstanding portrayal of ancient India s highest intellectual and technical achievements this volume is written for many audiences scholars for whom it provides an up to date background against which to examine their own areas of study teachers and students of college level for whom it supplies a complete summary of and a resource for their own deeper investigations into Indic art and curious readers for whom it gives a broad based introduction to this fascinating area of world art **Art**

Through The Ages in Afghanistan Hamid Naweed, 2013-02-28 Art through the Ages in Afghanistan written in two volumes is a major work It is the product of many years of research including frequents visits to Kabul Museum and important archeological sites in Afghanistan as well as visits to major museums in Europe and America housing important artifacts from Afghanistan In completing his work Hamid Naweed has also made use of numerous interviews with Afghan and international scholars local artist and local people living in the vicinity of historical sites The second volume covering the art of Afghanistan from the advent of Islam through present time is expected to be published shortly after the publication of the first volume Afghanistan Joan Aruz, Elisabetta Valtz Fino, 2012 Afghanistan standing at the crossroads of major trade routes has a long and complex history Its rich cultural heritage bears the imprint of many traditions from Greece and Iran to

the nomadic world of the Eurasian steppes and China The essays in this volume concentrate on periods of great artistic development the Bactrian Bronze Age and the eras following the conquests of Alexander the Great with a special focus on the sites of Ai Khanum Begram and Tillya Tepe These contributions in response to the reappearance of the magnificent hidden treasures from Afghanistan and their exhibition have shed new light on the significance of these works and have reinvigorated the discussion of the arts and culture of Central Asia Publisher description *Preservation Management for Libraries, Archives and Museums* G. E. Gorman, Sydney J. Shep, 2006 Memory institutions such as libraries archives galleries and museums all share pressing concerns about preserving heritage whether in the form of material and documentary cultural artefacts in collections or in the form of new digitally born material Recent incidents of natural disaster and cultural genocide together with the global turn to digitization have forced librarians archivists and curators to rethink and restructure their primary modes of operation Preservation management now sits at the top of the agenda for heritage institutions around the world as collection development policies and practices are negotiated between libraries museums archives funding agencies and governments Historically separate cultural institutions are now converging to share limited resources develop compatible ideologies and co ordinate distributed collections This forward looking collection charts the diversity of preservation management in the contemporary information landscape and offers guidance on preservation methods for the sustainability of collections from a range of international experts The authors are connected to a wide international network of professional associations and NGOs and have been selected not only for their specific expertise but for the contribution they are making to the future of preservation management The chapters cover managing the documentary heritage issues for the present and future preservation policy and planning intangible heritage museums and preservation surrogacy and the artefact moving with the times in search of permanence a valuation model for paper conservation research preservation of audiovisual media traditional to interactive formats challenges of managing the digitally born artefact preserving cultural heritage in times of conflict access and the social contract in memory institutions redefining the collection in the 21st century Readership There is urgent need for heritage management initiatives and robust disaster planning that will safeguard our cultural heritage and recognize the right of the end user to ownership of it This is an informed and essential guide to managing collection and preservation strategies for anyone working in the library archive museum or broader cultural heritage sectors **Historical Dictionary of Afghanistan** Thomas H. Johnson, Ludwig W. Adamec, 2021-05-15 Afghanistan is an extremely complex and nuanced country that has been one of the centers of imperial conflict at least for 150 years From the Czarist Russia s march south in the 19th Century threatening British India three Anglo Afghan Wars the Soviet Invasion and occupation of Afghanistan starting in December 1979 and the resulting anti Soviet Jihad by the Afghan Mujahideen to Kabul s and their allies U S and NATO conflict with the Taliban Afghanistan has been one of the centers of important international and regional conflicts and events Historical Dictionary of Afghanistan Fifth

Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 1 000 cross referenced entries on important personalities as well as aspects of the country s politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Afghanistan *Art Museums of the World* Virginia Jackson,1987 **Heritage and Globalisation** Sophia Labadi,Colin Long,2010-06-17 This volume analyzes the politics policy and practice of cultural heritage at the global level identifying the major directions in which international heritage practice is moving and exploring the key issues likely to shape the cultural heritage field well into the twenty first century It examines the tensions between the universal claims of much heritage practice particularly that associated with the World Heritage system and national and local perspectives It explores the international legal framework developed since World War Two to protect heritage particularly at times of war and from theft showing how contemporary global problems of conflict and illicit trade continue to challenge the international legal system Heritage and Globalisation critiques the incorporation of heritage in the world economy through the policies of international development organisations and the global tourism trade It also approaches heritage from seldom considered perspectives as a form of aid as a development paradigm and as a form of sustainable practice The book identifies some of the most pressing issues likely to face the heritage industry at a global level in coming decades including the threat posed by climate change and the need for poverty reduction Providing a historically and theoretically rigorous approach to heritage as a form of and manifestation of globalisation the volume s emphasis is on contemporary issues and new fields for heritage practice

Historical Dictionary of Afghanistan Ludwig W. Adamec,2012 This new fourth edition has been substantially expanded because so much has taken place in such a short period of time The most important changes however have been made to the dictionary section with hundreds of added or substantially revised entries on important people places events institutions practices ethnic and religious groups political parties and Islamist movements as well as significant aspects of Afghanistan s politics economy society and culture **History of civilizations of Central Asia** UNESCO,1994-12-31 Volume II presents an account of various population movements and cultural exchanges in Central Asia between 700 B C and 250 A D Important nomadic tribal cultures such as the Kushans emerged during this period Contacts between the Mediterranean and the Indus Valley were reinforced by the campaigns of Alexander the Great and under his successors the progressive syncretism between Zoroastrianism Greek religion and Buddhism gave rise to a new civilization instituted by the Parthians known for its artistic creations Under Kushan rule Central Asia became the crossroads of a prosperous trade between the Mediterranean and China along the Silk Route **Library Catalog of the Metropolitan Museum of Art, New York: Architecture D-Art** Am Metropolitan Museum of Art (New York, N.Y.).
