

'The man-management skills demonstrated by
Brearley's handling of Ian Botham
remain an inspiration' **NASSER HUSSAIN**

'A subtle, wise book' **ED SMITH**

'*The Art of Captaincy* was, and is, an outstanding book.
I would add only three words which I always
bear in mind. Keep it simple' **RICHIE BENAUD**

In 1981, Mike Brearley captained England to a momentous Ashes series victory over Australia, an achievement widely regarded as one of the greatest feats in the history of English cricket. In so doing, he cemented his place as one of the most successful cricket captains of all time.

In *The Art of Captaincy*, his treatise on leadership and motivation, Brearley draws directly on his experience of man-managing a team which included a pugnacious Ian Botham and Geoffrey Boycott. He explains what it takes to be a leader on and off the field, offers insight into his tactical understanding of the game, and shows how to get a group of individuals to work as a team.

With a new foreword by former England player and BBC commentator Ed Smith to celebrate the thirtieth anniversary of its first publication, *The Art of Captaincy* is a classic handbook on how to generate, nurture and inspire success.

Art Of Captaincy

Mike Brearley

Art Of Captaincy:

The Art of Captaincy Mike Brearley, 2015-06-18 The best book on captaincy written by an expert Mike Atherton Mike Brearley is one of the most successful cricket captains of all time and in 1981 he captained the England team to the momentous Ashes series victory against Australia In *The Art of Captaincy* his study on leadership and motivation he draws directly on his experience of man managing a team which included a pugnacious Ian Botham and Geoffrey Boycott to explain what it takes to be a leader on and off the field Giving an insight into both his tactical understanding of the game as well as how to get a group of individuals playing as a team in order to get the best out of them *The Art of Captaincy* is a classic handbook on how to generate nurture and inspire success With a foreword by former England player and BBC commentator Ed Smith to celebrate the thirtieth anniversary of its first publication and an afterword by director Sam Mendes *The Art of Captaincy* remains urgently relevant for cricket fans and business leaders alike Covering the ability to use intuition resourcefulness clear headedness and the importance of empathy as a means of achieving shared goals Brearley s seminal account of captaincy is both the ultimate blueprint for creating a winning mind set but also shows how the lessons in the sporting arena can be applied to any walk of personal and professional life [*The Art of Captaincy* Mike Brearley, 2006](#)

Herding Cats Charlie Campbell, 2017-03-09 In 1985 Mike Brearley published *The Art of Captaincy* revealing how he steered Middlesex and England to victory with his team of first class cricketers He got the absolute best out of his players inspiring Ian Botham to new heights against the Australians in 1981 Few cricketers have had a greater impact on the amateur game than these two Every captain would love Brearley s degree in people as well as a hardhitting all rounder like Botham But theirs was a barely recognisable game from the one we play on often dishevelled grounds up and down the country with ragtag teams of ageing deluded or hungover friends and acquaintances Now Charlie Campbell offers us a New Testament to Brearley s Old Testament as he guides us through the realities of captaining an amateur team *Herding Cats* picks its way through the minefield of an amateur s season from the excitement and hope of pre season nets to the desperate scramble to gather 11 players for a frosty game on a far flung desolate pitch from decoding the casual phrase I bat a bit to setting a field of players who can t catch or throw from handling the most delicate egos to dealing with a case of the yips from frequent moments of despair to sudden and joyful glimpses of unexpected glory For all those of us who recognise ourselves our teammates our friends and partners in the shambling joy of amateur cricket more than in the top class international game Campbell lights a path through a weekend world of play at the beating heart of the world s second most popular sport *Cricket Captaincy* Robert Cyril Wolferstan Thomas, 1950 [*Captaincy* Graham Gooch, Patrick Murphy, 1992](#) Graham Gooch is one of the most influential England cricket captains since Mike Brearley He has retrieved the reputation of the ailing England team while retaining his own form With the emphasis on determination and planning Gooch has earned the respect of his fellow players and the support of the cricket watching public In this explanation of his approach

to the tricky art of captaincy he covers the job description from team selection to personal motivation from field placings to dealing with the media Gooch also considers the respective captaincy skills of many Test captains **The Monthly Army List** Great Britain. Army,1884 **The Army List** ,1910 The new army list, by H.G. Hart [afterw.] Hart's army list. [Quarterly] Henry George Hart,1883 *New Annual Army List, Militial List, and Indian Civil Service List ...* ,1881
