that provides practical insights into happiness yoga and spiritual growth I particularly enjoyed the section on Krishna's miracles as it deepened my understanding of the divine Some parts were a bit heavy on philosophy but overall an enriching read Stephen Knapp's writing is always thoughtful and deeply rooted in spiritual wisdom This collection is a wonderful introduction to his teachings While the content could be challenging for beginners those already on a spiritual path will find much value in these works The content is good but felt a bit repetitive at times Knapp's Reading List offers valuable insights into happiness and spiritual practices but I was hoping for more practical guidance in applying these principles to everyday life

Krishna Deities and Their Miracles Stephen Knapp, 2021-01-01 Krishna Deities and Their Miracles include traditional pastimes that have been recorded from years ago as well as those that are more recent It shows how great or even minor devotees can have experiences with Krishna as long as they have two qualities which is great faith and love A variety of situations are provided in these Book which shows the many ways that the Lord can reveal Himself and the favor that is shown by Him to those who worship Him
