SportsWorld Robert Lipsyte, 2018-06 Tough and witty SportsWorld is a well known commentator's overview of the most significant form of mass culture in America sports It's a sweaty Oz that has grown in a century from a crucible for character to a complex of capitalism a place where young people can find both self fulfillment and cruel exploitation where families can huddle in a sanctuary of entertainment and be force fed values and where cities and countries can be pillaged by greedy team owners and their paid for politicians But this book is not just a screed it's a guided visit with such heroes of sports as Muhammad Ali Billie Jean King Kareem Abdul Jabbar and Joe Namath who the author knew well and with some he met in passing like Richard Nixon who seemed never to have gotten over missing the cut in college varsity football a major mark of manhood We see how SportsWorld sensibilities help elect our politicians judge our children fight our wars and oppress our minorities And now featuring a new introduction by the author SportsWorld is a book that will provide the foundation for understanding today's world of sports and the time of Trump In the America of 2017 where the Super Bowl is worth billions athletes are penalized or forced out of sports for political and anti racist activism and Title IX is constantly questioned and undermined Robert Lipsyte's 1975 critique remains startlingly and intensely relevant **Biographical Books, 1950-1980** R.R. Bowker Company. Department of Bibliography, 1980 Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954, 1993 The Annual review and history of literature, A. MSU Alumni Magazine, 1988 **Somebody's Knocking at Your Door** Harold G Koenig, Carole B Weatherford, Ronald J Weatherford, 2013-10-08 Examining the black church's response to AIDS Somebody's Knocking at Your Door AIDS and the African American Church analyzes sexual ethics and homophobia in the black church to provide pastors

social workers and health professionals with intervention strategies for parishioners or members of the community who have AIDS By discussing the church s historic and successful activism and its relationship to the community along with AIDS statistics relevant theologies and other AIDS ministries this book suggests the benefits of increased church involvement versus other agencies or organizations Somebody s Knocking at Your Door will help you develop prevention education and pastoral care programs that will alert individuals to the risks of AIDS and will offer people with AIDS the comfort and assistance they need in coping with the disease Through the voices of leading clergy AIDS advocates and people living with AIDS PLWAs this book calls on the African American church to become more involved in helping communities deal with the disease Somebody s Knocking at Your Door offers you ideas on how to improve the lives of individuals with AIDS through the church including welcoming PLWAs into the church through announcements by local media church newsletters and Sunday bulletins offering AIDS support groups at the church or loaning office space equipment or clerical assistance to AIDS organizations recognizing the power of intercessory prayer for PLWAs caring for PLWAs by delivering meals to their homes preparing meals at the church and developing a transportation network that will take parishioners to doctor appointments church or on recreational outings preparing meals running errands housekeeping handling paperwork negotiating legal issues and offering friendship possible components of volunteer buddy programs for homebound PLWAs training pastors clergy and Sunday school teachers to educate ministries on AIDS in the African American community sexual intimacy intravenous drug use and needle sharing monogamy community resources and condom use Since some clergy still believe that AIDS is a gay disease Somebody s Knocking at Your Door discusses the issue of homosexuality within the church By analyzing passages from the Bible the authors refute the belief that homosexuals were neglected by God and undeserving of care and love This belief according to the authors inhibits some churches and individuals from discussing HIV AIDS because of fear they would also be acknowledging homosexuality Highlighting AIDS ministries throughout the United States Somebody s Knocking at Your Door encourages the African American church to confront the issue of AIDS and understand that the disease can affect anyone This book will give you the necessary strategies for starting and implementing AIDS ministries and intervention programs that will educate and support your community
