American Unity Asia With Signed Letter:

Letter from the Secretary of the Treasury, Transmitting His Annual Report on the State of the Finances United States. Department of the Treasury,1966 **Organized Subversion in the U.S. Armed Forces: The U.S. Navy. 3 v** United States. Congress. Senate. Committee on the Judiciary. Subcommittee to Investigate the Administration of the Internal Security Act and Other Internal Security Laws,1976 Organized Subversion in the U.S. Armed Forces United States. Congress. Senate. Committee on the Judiciary. Subcommittee to Investigate the Administration of the Internal Security Act and Other Internal Security Laws,1976 **Pearl S. Buck** Peter Conn,1998-01-28 One of the most popular novelists of the twentieth century winner of a Pulitzer and Nobel Prize for Literature and an active social and political campaigner particularly in the field of women s issues and Asian American relations Pearl Buck has until now remained hidden in public view Best known perhaps as the prolific author of *The Good Earth* Buck led a career which extended well beyond her eighty works of fiction and non fiction and deep into the public sphere In this critically acclaimed biography Peter Conn retrieves Pearl Buck from the footnotes of literary and cultural history and reinstates her as a figure of compelling and uncommon significance in twentieth century literary cultural and political history **Winthrop Rockefeller: a Life of Change (c) ,**

A History of Islam in America Kambiz GhaneaBassiri,2010-04-19 Muslims began arriving in the New World long before the rise of the Atlantic slave trade Kambiz GhaneaBassiri s fascinating book traces the history of Muslims in the United States and their different waves of immigration and conversion across five centuries through colonial and antebellum America through world wars and civil rights struggles to the contemporary era The book tells the often deeply moving stories of individual Muslims and their lives as immigrants and citizens within the broad context of the American religious experience showing how that experience has been integral to the evolution of American Muslim institutions and practices This is a unique and intelligent portrayal of a diverse religious community and its relationship with America It will serve as a strong antidote to the current politicized dichotomy between Islam and the West which has come to dominate the study of Muslims in America and further afield *The China Mystique* Karen J. Leong,2005-07-25 Throughout the history of the United States images of China have populated the American imagination Always in flux these images shift rapidly as they did during the early decades of the twentieth century In this erudite and original study Karen J Leong explores the gendering of American orientalism during the 1930s and 1940s Focusing on three women who were popularly and publicly associated with China Pearl S Buck Anna May Wong and Mayling Soong Leong shows how each negotiated what it meant to be American Chinese American and Chinese against the backdrop of changes in the United States as a national community and as an international power *The China Mystique* illustrates how each of these women encountered the possibilities as well as the limitations of transnational status in attempting to shape her own opportunities During these two decades each woman enjoyed expanding visibility due to an increasingly global mass culture rising nationalism in Asia the emergence of the United

States from the shadows of imperialism to world power and the more assertive participation of women in civic and consumer culture

Essay and General Literature Index Minnie Earl Sears, Marian Shaw, Dorothy Herbert West, 1948 Includes List of books indexed published also separately

Edgar Snow John Maxwell Hamilton, 2003-09-25 Edgar Snow 1905 1972 was one of the most notable Western journalists to report on China in both the revolutionary and postrevolutionary periods He first became famous in the mid 1930s when he broke through a Nationalist blockade and reached the Communists in northwest China For nearly a decade no foreign reporter had seen the Communists who were widely regarded as a ragtag bandit army Snow took them seriously as a national movement His reporting in the now famous book Red Star over China was major news even to the Chinese thousands of whom joined the Communists after reading it It has remained a seminal reference on the early Chinese Communist movement In this award winning biography journalist John Maxwell Hamilton follows Snow from his birth in Kansas City to his rise as a celebrated foreign correspondent for the Saturday Evening Post his ostracism during the cold war and his role as a singular journalistic bridge between Communist China and the United States With a new preface by the author this revealing portrait of the widely misunderstood Snow firmly establishes him as a model for the kind of committed reporting that is crucial to understanding our interdependent world

Citizens of Asian America Cindy I-Fen Cheng, 2013-05-31 During the Cold War Soviet propaganda highlighted U S racism in order to undermine the credibility of U S democracy In response incorporating racial and ethnic minorities in order to affirm that America worked to ensure the rights of all and was superior to communist countries became a national imperative In Citizens of Asian America Cindy I Fen Cheng explores how Asian Americans figured in this effort to shape the credibility of American democracy even while the perceived foreignness of Asian Americans cast them as likely alien subversives whose activities needed monitoring following the communist revolution in China and the outbreak of the Korean War While histories of international politics and U S race relations during the Cold War have largely overlooked the significance of Asian Americans Cheng challenges the black white focus of the existing historiography She highlights how Asian Americans made use of the government's desire to be leader of the free world by advocating for civil rights reforms such as housing integration increased professional opportunities and freedom from political persecution Further Cheng examines the liberalization of immigration policies which worked not only to increase the civil rights of Asian Americans but also to improve the nation's ties with Asian countries providing an opportunity for the U S government to broadcast on a global scale the freedom and opportunity that American society could offer Cindy I Fen Cheng is Associate Professor of History and Asian American Studies at the University of Wisconsin Madison In the Nation of Newcomers series

[The Department of State Bulletin](#), 2010

Asian American Histories of the United States Catherine Ceniza Choy, 2022-08-02 An inclusive and landmark history emphasizing how essential Asian American experiences are to any understanding of US history Original and expansive Asian American Histories of the United States is a nearly 200 year history of Asian migration labor and community

formation in the US Reckoning with the onset of the COVID 19 pandemic and the surge in anti Asian hate and violence award winning historian Catherine Ceniza Choy presents an urgent social history of the fastest growing group of Americans The book features the lived experiences and diverse voices of immigrants refugees US born Asian Americans multiracial Americans and workers from industries spanning agriculture to healthcare Despite significant Asian American breakthroughs in American politics arts and popular culture in the twenty first century a profound lack of understanding of Asian American history permeates American culture Choy traces how anti Asian violence and its intersection with misogyny and other forms of hatred the erasure of Asian American experiences and contributions and Asian American resistance to what has been omitted are prominent themes in Asian American history This ambitious book is fundamental to understanding the American experience and its existential crises of the early twenty first century *China & Asia (exclusive of Near East)* United States. Joint Publications Research Service,1965 Guide to contents of a collection of United States Joint Publications Research Service translations in the social sciences emanating from Communist China *Asian American Society* Mary Yu Danico,2014-08-19 Asian Americans are a growing minority population in the United States After a 46 percent population growth between 2000 and 2010 according to the 2010 Census there are 17.3 million Asian Americans today Yet Asian Americans as a category are a diverse set of peoples from over 30 distinctive Asian origin subgroups that defy simplistic descriptions or generalizations They face a wide range of issues and problems within the larger American social universe despite the persistence of common stereotypes that label them as a model minority for the generalized attributes offered uncritically in many media depictions Asian American Society An Encyclopedia provides a thorough introduction to the wide ranging and fast developing field of Asian American studies Published with the Association for Asian American Studies AAAS two volumes of the four volume encyclopedia feature more than 300 A to Z articles authored by AAAS members and experts in the field who examine the social cultural psychological economic and political dimensions of the Asian American experience The next two volumes of this work contain approximately 200 annotated primary documents organized chronologically that detail the impact American society has had on reshaping Asian American identities and social structures over time Features More than 300 articles authored by experts in the field organized in A to Z format help students understand Asian American influences on American life as well as the impact of American society on reshaping Asian American identities and social structures over time A core collection of primary documents and key demographic and social science data provide historical context and key information A Reader's Guide groups related entries by broad topic areas and themes a Glossary defines key terms and a Resource Guide provides lists of books academic journals websites and cross references The multimedia digital edition is enhanced with 75 video clips and features strong search and browse capabilities through the electronic Reader's Guide detailed index and cross references Available in both print and online formats this collection of essays is a must have resource for general and research libraries Asian American ethnic studies libraries and

social science libraries

The American Experience in World War II: The atomic bomb in history and memory

Walter L. Hixson, 2003 World War II changed the face of the United States catapulting the country out of economic depression political isolation and social conservatism Ultimately the war was a major formative factor in the creation of modern America This unique twelve volume set provides comprehensive coverage of this transformation in its domestic policies diplomatic relations and military strategies as well as the changing cultural and social arenas The collection presents the history of the creation of a super power prior to during and after the war analyzing all major phases of the U S involvement making it a one stop resource that will be essential for all libraries supporting a history curriculum This volume is available on its own or as part of the twelve volume set The American Experience in World War II For a complete list of the volume titles in this set see the listing for The American Experience in World War II ISBN 0 415 94028 1

The Asian American Encyclopedia Franklin Ng, 1995 Explores the experience of Asian immigrants and the communities which they and their descendants have created in the United States and offers information about the history language and culture of Asian Americans diverse countries of origin *Congressional Record* United States. Congress, 1982 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873

The Snake Dance of Asian American Activism Michael Liu, Kim Geron, Tracy A. M. Lai, 2008-01-01 This text reinterprets a misunderstood and overlooked epoch of the Asian American experience the Asian American Movement AAM The authors argue that contrary to the common view of the movement as a passing phase limited to college youth the Asian American Movement spanned diverse political viewpoints and became increasingly sophisticated and effective Asian Americans were active participants and played unique roles in the social movements that convulsed the 1960s and 1970s particularly in protests against the Vietnam War The book traces the history of the AAM from its roots in the 1930s to the present day and its impact on diverse areas of the Asian American community Most importantly it looks at the societal and community dynamics that led to the movement s trajectory Using the lens of social movement theory it analyzes the AAM s rise and ebb and possible resurgence The authors argue that the AAM constituted a distinct identifiable and relatively stable social movement that dramatically impacted the direction of Asian American political and social activity

Asian Americans and the Mass Media Virginia Mansfield-Richardson, 2014-06-23 Asian Americans are the fastest growing minority in the United States comprising nearly 3 percent of the population yet they are rarely given coverage in the U S media as this book demonstrates This book written by an 11 year reporter of The Washington Post who is now an Associate Dean at Ithaca College is broad in scope and studies the relationship between mass media and this important minority including 1 examines the scope and type of coverage afforded Asian Americans in mainstream newspapers through

a content analysis of twenty leading newspapers for the year March 1 1994 to February 28 1995 2 examines the opinions of Asian Americans who work in print radio and television media both in mainstream media and specialized Asian American media through a survey asking their negative and positive experiences on the job as related to their ethnicity and their opinions on how well the media cover Asian Americans and 3 an historical examination of Asian Americans and media treatment of Asian Americans and specialized publications serving Asian Americans No other book has looked at media coverage of Asian Americans as in depth as this fascinating account of how attitudes towards Asian Americans are shaped in America through questionable coverage of this diverse segment of the population *East West* ,1979
