American War Plans 1945 195

**United States. Army. Corps of
Engineers**

American War Plans 1945 195:

The Joint Chiefs of Staff and National Policy, 1945-1947 James F. Schnabel, 1996 Pioneers of Amphibious Warfare, 1898-1945 Leo J. Daugherty III, 2009-06-08 The planning that allowed for the successful amphibious landings at the end of World War II actually began during the 1880s as the Marine Corps sought to define its role in the new Steel Navy Officers braved skepticism indifference and outright opposition to develop an amphibious warfare doctrine with each service contributing From the 1898 war with Spain through the disastrous 1915 Australian landing to the successful World War II assaults in the Pacific and northwest France this chronological history explores the successes and failures pivotal to the concept of amphibious warfare through the lives and careers of fourteen officers instrumental to its development Profiles include General George S Patton Jr Rear Admiral Walter C Ansel USN Lieutenant General John A Lejeune USMC Admiral William Sims USN and Colonel Robert W Huntington USMC **U.S. War Plans, 1939-1945** Steven T. Ross, 2000 This documentary sourcebook of actual U S war plans traces the nation s political and strategic goals from the contemplation of war against Japan and Germany in November of 1938 to Eisenhower s March 1945 plan for the defeat of Germany and the conquest of Japan For the first time the major strategic e g ABC 1 and Rainbow 5 and operational e g Torch Husky Plan Dog Fortitude and Cartwheel war plans of the U S military pertaining to WWII are presented in one volume Ross sets each plan in its strategic and operational context with an explanatory and analytical introduction **American Military History, Volume II**, 2010 From the Publisher This latest edition of an official U S Government military history classic provides an authoritative historical survey of the organization and accomplishments of the United States Army This scholarly yet readable book is designed to inculcate an awareness of our nation s military past and to demonstrate that the study of military history is an essential ingredient in leadership development It is also an essential addition to any personal military history library

Stepping Stones to Nowhere Galen Roger Perras, 2003 The Aleutian Islands a mostly forgotten portion of the United States on the southwest coast of Alaska have often assumed a key role in American military strategy This work examines the Japanese occupation of the western Aleutians which climaxed in the horrendous battle for Attu Major Events of the Nuclear Age Erik V. Nordheim, 1967 Kamikaze Attacks of World War II Robin L. Rielly, 2010 This book details more than 400 kamikaze attacks performed by Japanese aircraft manned torpedoes suicide boats and suicide swimmers against U S ships during World War II Part One focuses on the traditions development and history Part Two details the kamikaze attacks on ships Appendices list all of the U S ships suffering kamikaze attacks Provided by publisher **The Final Months of the War with Japan** Douglas J. MacEachin, 1998 Examines the role of signals intelligence in U S military planning during the final stages of the war with Japan in 1945 particularly its contribution to planning for an Allied invasion of the Japanese homeland It is not intended as an argument for or against the use of the atomic bomb against Japan Addresses the question of whether to what extent intelligence might have influenced the decision to drop the bomb the military calculus concerning

an invasion of Japan as it influenced the bomb decision Examines the intelligence that was available at the time to weigh the role this intelligence played in the deliberations on an invasion *The Truth Is Our Weapon* Chris Tudda,2006-05-01 President Dwight D Eisenhower and his secretary of state John Foster Dulles deployed a tactic Chris Tudda calls rhetorical diplomacy sounding a belligerent note of anti Communism in speeches addresses press conferences and private meetings with allies and with Moscow Yet all the while Tudda discloses the two were confidentially committed to a contradictory course the establishment of a strong system of collective security in Western Europe peaceful accommodation of the Soviet Union and the maintenance of a new albeit divided Germany Tudda explores the Eisenhower administration s pursuit of these two mutually exclusive diplomatic strategies and reveals how failure to reconcile them endangered the fragile peace of the 1950s He builds his argument through three case studies of the administration s badgering the French and their allies to ratify the European Defense Community of its threat to liberate Eastern Europe from Moscow s rule and of its forcing the issue of German reunification By emphasizing the threat from the Soviet Union Eisenhower and Dulles were trying to promote an activist rather than an isolationist foreign policy But their rhetorical diplomacy intensified Cold War tensions with European allies as well as with Moscow and effectively overwhelmed the administration s true diplomatic aims Based on American British Eastern European and Soviet primary sources many only recently unearthed *The Truth Is Our Weapon* is a major contribution to the historiography of Eisenhower s diplomacy and an important statement about the implications of public and private policy making *Uncertain Empire* Joel Isaac,Duncan Bell,2012-09-06 Historians have long understood that the notion of the cold war is richly metaphorical if not paradoxical The conflict between the United States and the Soviet Union was a war that fell ambiguously short of war an armed truce that produced considerable bloodshed Yet scholars in the rapidly expanding field of Cold War studies have seldom paused to consider the conceptual and chronological foundations of the idea of the Cold War itself In *Uncertain Empire* a group of leading scholars takes up the challenge of making sense of the idea of the Cold War and its application to the writing of American history They interrogate the concept from a wide range of disciplinary vantage points diplomatic history the history of science literary criticism cultural history and the history of religion highlighting the diversity of methods and approaches in contemporary Cold War studies Animating the volume as a whole is a question about the extent to which the Cold War was an American invention *Uncertain Empire* brings debates over national global and transnational history into focus and offers students of the Cold War a new framework for considering recent developments in the field **Library List** National Agricultural Library (U.S.),1948 *Library List* United States. Department of Agriculture. Library,1950 *Economics of Forestry* ,1950 *The European Rescue of the Nation-state* Alan S. Milward,2000 Newly revised and updated this second edition is the classic economic and political account of the origins of the European Community book offers a challenging interpretation of the history of the western European state and European integration *War at Sea* Nathan Miller,1997-01-30 From the sinking of the British passenger liner Athenia on September 3

1939 by a German U boat against orders to the Japanese surrender on board the Missouri on September 2 1945 War at Sea covers every major naval battle of World War II A first rate work and the best history of its kind yet written Vice Admiral William P Mack U S N Ret 30 photos *Konfrontationsmuster des Kalten Krieges 1946 bis 1956* Vojtech Mastny, Gustav Schmidt, 2011-12-05 Im Mittelpunkt stehen die Strukturen des Kalten Krieges Ihre Entstehung in der Frühphase ihre Entwicklung bis 1955/56 Mit der Doppelkrise von Suez und Ungarn im Oktober/November 1956 waren die bis 1989 geltenden Parameter der globalen Machtprobe festgelegt Schmidt konzentriert sich auf die strukturellen Auswirkungen der Binnenkonflikte des westlichen Lagers Seine Studie wird von Vojtech Mastny ergänzt der neu zugänglich gewordene osteuropäische Archivbestand einbezieht Er stellt die sowjetische Auseinandersetzung mit der westlichen Sicherheitsgemeinschaft vor die das ständige Handeln prägt *Annual Report of the Chief of Engineers, U.S. Army* United States. Army. Corps of Engineers, 1944

Military Review, 1989 **The Neglected War** Hermann Hiery, 1995-12-01 In the summer of 1914 Germany's Pacific colonies were a quiet backwater of its empire But the shots of Sarajevo shattered the Pacific as well as Europe Within weeks of the outbreak of World War I Western Samoa German territory to be taken in the war New Guinea and the Micronesian lands were occupied by Australian New Zealand and Japanese forces Current historiography claims that World War I made little difference to the indigenous populations of the Pacific and that this change in colonial masters had little effect on those they ruled The Neglected War challenges this interpretation World War I and its aftermath Hermann Hiery claims had a tremendous effect on the Pacific Islands Hiery details the policies pursued by Australia New Zealand and Japan showing how each viewed and treated the indigenous populations Administered by military officers with little civil oversight the new colonial regimes employed the mandates they had received at the Paris Peace Conference with impunity Hiery's scrupulous review of the evidence gathered from largely unknown primary sources has uncovered a story of masquerades and coverups negligence and duplicity leading in some cases to full blown atrocities Most of all he tells the story of Pacific Islanders how they coped with the dramatic changes brought about by the war and how they tried to influence its consequences Many Islanders were fully aware that their political destiny was to be redefined after the war and a few even saw it as an opportunity to achieve independence This is also the story of their failure Behind the evidence gathered here lie fundamental questions How important are the differences in the nature of particular colonial regimes and what effect do such differences have on indigenous peoples How do indigenous peoples interpret disparities in colonial rule This revisionist work addresses these issues while shedding light on a crucial time in the history of the Pacific Review of Current Military Literature, 1989

The Enigmatic Realm of **American War Plans 1945 195**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing lacking extraordinary. Within the captivating pages of **American War Plans 1945 195** a literary masterpiece penned by a renowned author, readers attempt a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting effect on the hearts and minds of people who partake in its reading experience.
