Americans At War From The Colonial Wars To Vietnam:

Americans at War William J. Koenig, 1980 The eagle's talons : the American experience at war , **Americans at War** William J. Koenig, 1980 Colonial Wars The Revolutionary War The War Of 1812 The Mexican War Civil War Spanish American War World War I World War II Korea And Vietnam In Pictures And Text **Revisiting the Vietnam War and International Law** Richard A. Falk, 2017-12-28 A collection of essays on the legal aspects of the Vietnam War by one of its most respected commentators *Narratives of the Vietnam War by Korean and American Writers* Jinim Park, 2007 Original Scholarly Monograph Encyclopedia of War and American Society Peter Karsten, 2006 Publisher description **From Lexington to Baghdad and Beyond** Donald M. Snow, 2015-05-18 Decisions about when where and why to commit the United States to the use of force and how to conduct warfare and ultimately end it are hotly debated not only contemporaneously but also for decades afterward We are engaged in such a debate today quite often without a solid grounding in the country's experience of war both political and military This book by a political scientist and a career military officer and historian is premised on the view that we cannot afford that kind of innocence Updated and revised with new chapters on the Afghan and Iraq wars the book systematically examines twelve U S wars from the revolution to the present day For each conflict the authors review underlying issues and events political objectives military objectives and strategy political considerations military technology and technique military conduct and the better state of the peace that is the ultimate disposition of the original political goals From Lexington to Desert Storm Donald M Snow, Dennis M. Drew, 2015-06-01 First Published in 2015 This book provides revised clear information on the Wars of America with modular chapters that can be read independently covering key areas such as the issues and events the political and military objectives considerations military conduct and conclusions for peace A valuable resource for students civilian decision makers with a limited background in military affairs military leaders with a limited background in political affairs and citizens who lack expertise but had interest in the complex relationships between political and military affairs *Vietnam's American War* Pierre Asselin, 2024-06-13 This new edition masterfully explains the origins and outcome of America's war in Vietnam by focusing on its local dimensions *The Small Wars of the United States, 1899-2009* Benjamin R. Beede, 2012-08-06 The Small Wars of the United States 1899 2009 is the complete bibliography of works on US military intervention and irregular warfare around the world as well as efforts to quell insurgencies on behalf of American allies The text covers conflicts from 1898 to present with detailed annotations of selected sources In this second edition Benjamin R Beede revises his seminal work bringing it completely up to date including entries on the current conflicts in Iraq and Afghanistan An invaluable research tool The Small Wars of the United States 1899 2009 is a critical resource for students and scholars studying US military history *A Layman's View of Seventy Years of America's Foreign Policy* Ben A. Watford, 2012-03-05 In theory this treatise should include the more than 115 countries that the United States has military presence and the Central Intelligence

Agency has operatives However that would be overstating the intention of the treatise What is endeavored here is an attempt to give the American people a short view of the involvement of America the National Security Agency and the Central Intelligence Agency in world affairs It is not the intent of this treatise to be a criticism of my homeland the United States of America Indeed in most countries on the globe I would be arrested jailed tortured and put to death for even attempting such a project The very fact that I can write this book and still be alive is a testament to Americas unique form of capitalism

American Prisoners of War in Southeast Asia United States. Congress. House. Committee on Foreign Affairs. Subcommittee on National Security Policy and Scientific Developments,1971 **America and the Vietnam War** Andrew Wiest,Mary Kathryn Barbier,Glenn Robins,2009-12-16 The Vietnam War was one of the most heavily documented conflicts of the twentieth century Although the events themselves recede further into history every year the political and cultural changes the war brought about continue to resonate even as a new generation of Americans grapples with its own divisive conflict America and the Vietnam War Re examining the Culture and History of a Generation reconsiders the social and cultural aspects of the conflict that helped to fundamentally change the nation With chapters written by subject area specialists America and the Vietnam War takes on subjects such as women s role in the war the music and the films of the time the Vietnamese perspective race and the war and veterans and post traumatic stress disorder Features include chapter summaries timelines discussion questions guides to further reading a companion website with primary source documents and tools such as music and movie playlists for both instructors and students Heavily illustrated and welcoming to students and scholars of this infamous and pivotal time America and the Vietnam War is a perfect companion to any course on the Vietnam War Era *U.S. Marines and Irregular Warfare, 1898-2007* ,2008 Product Description Since the tragic events of 9 11 and the consequent advent of the Global War on Terrorism there has been a remarkable surge of interest in counterinsurgency This anthology presents 27 articles on counterinsurgency and irregular warfare particularly highlighting and examining the U S Marine Corps roles in conflicts from 1898 through 2007 It also includes an extensive bibliography of works on these conflicts Continuing discussion and study of these subjects is of critical importance to the ongoing efforts of the United States and its allies in the Global War on Terrorism The anthology is divided broadly into two halves the first half presents historical examples of counterinsurgency involving the United States from the Philippines and the Banana Wars up through Vietnam while the second half addresses the nation s contemporary efforts in this regard Articles cover the situations in Iraq Afghanistan and the Horn of Africa The selected bibliography addresses a broad range of subjects on higher end operational strategic level of war considerations on geopolitical context and on a varied array of related topics political theory historical case studies failed states cultural studies and analysis and many others that all provide context or play a role in conducting a counterinsurgency and achieving success in the realm of irregular warfare Colonel Stephen S Evans USMCR researched and compiled this work as a field historian with the Marine Corps History Division He has experience at various operational levels

Vietnam, A War, Not a Country Ron Eyerman, Todd Madigan, Magnus Ring, 2025-10-01 Vietnam A War Not a Country explores the conflicting ways in which the American Vietnamese War has been collectively remembered and represented from the perspective of the war's three primary belligerents the Vietnamese communists the South Vietnamese and the Americans The book examines how the three different collectives memorialize this traumatizing historical event Within each of these three groups there exists a number of competing narratives generating not only a sense of shared meaning and community but also impassioned social conflict In order to trace these narratives within each collectivity the authors develop the concept of arenas of memory distinct discourses that are tied to specific individuals organizations and institutions that advocate specific narratives through specific forms of media Their analysis leads them to make the case as to whether each of these societies experienced a cultural trauma as a result of the way in which the war is remembered Krieg und Literatur/War and Literature Vol. XIV, 2008 Claudia Junk, Thomas F. Schneider, 2009-10-28 Augenzeugenberichte zum 11 September 2001 und zu den Kriegen des 17. Jahrhunderts spannen den Bogen der Beiträge des vorliegenden Bandes Eine Untersuchung der massenmedialen Darstellung der Taten des Kreuzers Emden im Ersten Weltkrieg eine der zeitgenössischen Mythen steht neben Analysen von Max Frischs Die Chinesische Mauer und den Schriften Pat Barkers Der Band zeichnet sich durch eine Vielfalt von Ansätzen aus und repräsentiert dennoch nur ein kleines Spektrum der Bandbreite möglicher Themen Ergänzt werden die Beiträge durch Rezensionen zu einschlägigen Neuerscheinungen sowie durch eine Bibliographie wissenschaftlicher Publikationen aus dem Jahr 2005 **Armed Forces and Insurgents in Modern Asia** Kaushik

Roy, Sourish Saha, 2016-03-31 This volume traces the historical roots and evolution of insurgencies and counter insurgencies in modern Asia Focusing on armed rebellions and use of armed forces by both Western powers and indigenous states from the nineteenth century till present day the volume unravels the problematic of change continuity and addresses key questions on the nature of warfare The book looks at eight different regions of Asia US counter insurgencies in Philippines the British initiative in Indonesia and independent Indonesia's counter insurgency against its domestic populace post World War II Malaya French and US war in Vietnam British and Indian counter insurgencies in North East India between the nineteenth and early twenty first century Indian and Sri Lankan operations in Sri Lanka during late twentieth and early twenty first centuries British and US NATO war in Afghanistan from the nineteenth century till 2014 and British and US counter insurgency in Iraq during the twentieth and first two decades of the twenty first centuries The volume will greatly interest

Schulze, 2024-09-03 Now in its fourth edition this highly successful global history of the twentieth century is written by four prominent international historians for first year undergraduate level and upward Using their thematic and regional expertise the authors have produced an authoritative yet accessible and seamless account of the history of international relations in the last century covering events in Europe Asia the Middle East Africa and the Americas They focus on the history of relations between states and on the broad ideological economic and cultural forces that have influenced the evolution of international politics over the last 120 years The fourth edition is thoroughly updated to take account of the most recent research and global developments including new material on the impact of the Trump administration on international politics the rise of China under the leadership of Xi Jinping and the origins of the wars in Ukraine and Gaza The book is supported by a fully revised companion website including links to further resources and self testing material which can be found at www.routledgelearning.com/internationalhistory20c

Echoes of War Michael C.C. Adams, 2014-10-17 Americans are often accused of not appreciating history but this charge belies the real popular interest in the past Historical reenactments draw thousands of spectators popular histories fill the bestseller lists PBS A and Hollywood war movies become blockbusters Though historians worry that these popular representations sacrifice authenticity for broad appeal Michael C C Adams argues that living history even if it is an incomplete depiction of the past plays a vital role in stimulating the historical imagination In Echoes of War he examines how one of the most popular fields of history is portrayed embraced and shaped by mainstream culture Adams argues that symbols of war are of intrinsic military significance and help people to articulate ideas and values We still return to the knight as a symbol of noble striving the bowman appeals as a rebel against unjust privilege Though Custer may not have been the Army's most accomplished fighter he achieved the status of cultural icon The public memory of the redcoated British regular soldier shaped American attitudes toward governments and gun laws The 1863 attack on Fort Wagner by the black Fifty fourth Massachusetts regiment was lost to public view until racial equality became important in the late twentieth century Echoes of War is a unique look at how a thousand years of military history are remembered in popular culture through images ranging from the medieval knight to the horror of U S involvement in the My Lai massacre
