Americas Italian Founding Fathers:

America's Italian Founding Fathers Adolph Caso, 1975

Modern Italy's Founding Fathers Steven F.

White, 2022-06-30 *Modern Italy's Founding Fathers* offers a fresh perspective on the genesis of the Italian republic as viewed through the efforts of its three most influential leaders: Christian Democrat Alcide De Gasperi, Socialist Pietro Nenni, and Communist Palmiro Togliatti. De Gasperi, the central figure of the study, served as the Republic's inaugural prime minister from 1945 to 1953. In concise, accessible prose, this work demonstrates how De Gasperi and his fellow statesmen's shared experience of Fascist oppression, belief in popular sovereignty, and ability to compromise despite deep ideological differences enabled the creation of Italy's post-war republic. This collective biography is the first work of its kind in English to examine the genesis of the Italian Republic, commencing with the overthrow of Mussolini in 1943 and concluding with De Gasperi's death in 1954. The study considers the nature of the three mass political parties that emerged at this time as sources of both strength and weakness for the nascent post-war state. Drawing on the personal papers, speeches, and writings of the three protagonists, on governmental and party archives, and on significant new Italian secondary scholarship, Steven White demonstrates how these leaders forged political practices and customs which continue to define Italian parliamentary life to the present day. Examining the interplay of personalities, leadership styles, ideas, and political context, the work is a vital text for any student of modern Italy and more broadly of Cold War Europe.

America's Forgotten Founding Father Rosanne

Welch, PhD, His loyalty lasted a lifetime. Surgeon, merchant, vintner, and writer, Filippo Mazzei influenced American business, politics, and philosophy. Befriending Benjamin Franklin and Thomas Jefferson, Mazzei was a strong liaison for others in Europe. Mazzei was Jefferson's inspiration for the most famous line in the Declaration of Independence: "All men are created equal." Clearly, Mazzei had a gift of language and often used his words to share his ideas about religious freedom. Mazzei encouraged other Italians still living overseas to join him in a country rich with opportunity and promise. Often, when returning from Italy, he booked passages on ships for people who desired to travel to America and employed them on his estate just to ensure a better, more fruitful life for everyone. During those travels, Mazzei found himself at the center of many fights for freedom.

Italian Americans: Bridges to Italy, Bonds to America, In this volume attesting to the Italian American influence on the United States, nine professors of Italian American studies and a curator of an ethnic museum provide original essays on the Italian American experience using the theme "bridges to Italy and bonds to America." Drawing from a wide variety of primary sources such as census tracts, local directories, diaries, voting records, newspaper accounts, personal interviews, and scholarly and polemical books and articles, the authors show how Italian Americans adapted through work, prejudice, strife, and advancement to the social and political life in America while still retaining an element of Italianita. A bibliography of the colonial period reveals how Italians and Italian Americans impacted the creation, exploration, and settlement of America. While many studies are concentrated in the eastern United States, Italian Americans settled early in the west, including Arizona.

Their history in Arizona parallels the labor strife religion music and entrepreneurship that engaged their countrymen in the East Italian Americans responded in a massive way to help their families that were devastated by the earthquake that leveled Messina Sicily and Reggio Calabria A study of a sculptor who settled in Pittsburgh shows how he produced works depicting American and Italian themes often on a grand scale suitable for outdoor placement and mingled with native born community leaders and clubs and fraternal organizations Tracing the life of a controversial Brooklyn politician Francis B Spinola the authors show how he was elected to local and state political office and fought in the U S Civil War Italian Americans were key components in the early years of jazz history in the 1920s and 1930s This study adds some balance to the development of jazz by tracing the bonds that Italian Americans formed with Black musicians and their pioneering use of the guitar and violin An obvious example of the theme of this book is a study of Italian prisoners of World War II who were transported to the United States and settled in a camp in Texas The author shows how they helped farmers by their work and how artists among them helped decorate a local church with paintings and murals A comparison of the Italian and Mexican immigration to the United States shows the similarity and differences of these two groups over time An examination of the proposition that Mexicans are like Italians is examined in detail A bibliographical study of the southern question in Italian history shows the explosive forces that erupted during and after Italian unification Italians and Italian Americans are still debating whether this incorporation of the Italian south into the kingdom of Italy was detrimental to the people who lived there and contributed to the massive emigration that followed This study is an outgrowth of a desire by scholars to honor the passing of Professor Salvatore Mondello coauthor of the national bestseller *The Italian Americans* One of a few historians of Italian American immigration who appeared on the scene in the late 1950s and early 1960s he approached the subject with enthusiasm passion and a relentless search for relevant material marked by digging into primary sources rooting out individuals who had lived through the immigrant experience and pouring over the contemporary accounts found in newspapers and magazines Sal was one of the first to see the important link between railroads and Italian American settlements He saw that the rail lines accelerated the Italians movement beyond the large cities in the coastal areas They used the railroads as the means to establish new lives in many urban and rural communities across the country In many ways the articles presented in this book reflect the Mondello approach The authors continue as pioneers by dealing with important topics that have been overlooked ignored and or newly arisen They add a dimension to Italian immigration which focuses on the interaction of American and immigrant cultures and shows them as much American as Italian if not more so Having the advantage of living and teaching in smaller towns the authors write with conviction and verve Whether treating subjects old or new the authors writing is clean fresh often imaginative and well documented producing a fine example of good scholarship solid research clear expository writing and expert analysis They move Italian American history beyond the corpus of work which usually includes radicalism labor strife crime religion and the current blossoming of literature and poetry framing Italian American themes

This book will serve to inspire the group of scholars appearing on the scene today to carry on in opening new paths in the Italian American experience This book will be of interest to scholars and lay people alike Scholars will find particularly useful the information in the bibliographical articles and the book s usefulness as a reader in an immigration history or sociology course The younger scholar is sure to be challenged and possibly richly rewarded The book s human interest will appeal to a diverse audience young and old Exposed to nine subjects the general reader is sure to be drawn to one or more of them

Four Centuries of Italian-American History Giovanni Ermenegildo Schiavo,1955 Italian Culture in America Ralph G. Giordano,2020-05 At the onset of the American Revolution Britain s North American colonies sought political independence but remained culturally dependent upon Europe Among the many vast contributions of Thomas Jefferson one of the most celebrated Founding Fathers was a continuing admiration and lifelong affinity for all things Italian Jefferson believed that the genesis of liberty followed a path from Ancient Rome through the Italian Renaissance and Enlightenment and toward a progressive future for the new American nation 0While Jefferson s affinity for Italy is well known studying his role in assimilating Italian culture into the American project is a new venture Surveying Jefferson as an Italophile reveals a wide spectrum of cultural appreciation Ralph Giordano s innovative new book will certainly appeal to those interested in American History and America s emergence as a developing nation The Mirage of America in Contemporary Italian Literature and Film Barbara Alfano,2013-07-15 The Mirage of America in Contemporary Italian Literature and Film explores the use of images associated with the United States in Italian novels and films released between the 1980s and the 2000s In this study Barbara Alfano looks at the ways in which the individuals portrayed in these works and the intellectuals who created them confront the cultural construct of the American myth As Alfano demonstrates this myth is an integral part of Italians discourse to define themselves culturally in essence Italian intellectuals talk about America often for the purpose of talking about Italy The book draws attention to the importance of Italian literature and film as explorations of an individual s ethics and to how these productions allow for functioning across cultures It thus differentiates itself from other studies on the subject that aim at establishing the relevance and influence of American culture on Italian twentieth century artistic representations *The Italian American Experience* Salvatore J. LaGumina, Frank J. Cavaoli, Salvatore Primeggia, Joseph A. Varacalli,2003-09-02 First Published in 2000 Routledge is an imprint of Taylor Francis an informa company *America in Italy* Axel Körner,2017-06-13 America in Italy examines the influence of the American political experience on the imagination of Italian political thinkers between the late eighteenth century and the unification of Italy in the 1860s Axel Körner shows how Italian political thought was shaped by debates about the American Revolution and the U S Constitution but he focuses on the important distinction that while European interest in developments across the Atlantic was keen this attention was not blind admiration Rather America became a sounding board for the critical assessment of societal changes at home Many Italians did not think the United States had lessons to teach them and often concluded that life across the Atlantic was not

just different but in many respects also objectionable In America utopia and dystopia seemed to live side by side and Italian references to the United States were frequently in support of progressive or reactionary causes Political thinkers including Cesare Balbo Carlo Cattaneo Giuseppe Mazzini and Antonio Rosmini used the United States to shed light on the course of their nation s political resurgence Concepts from Montesquieu Rousseau and Vico served to evaluate what Italians discovered about America Ideas about American domestic manners were reflected and conveyed through works of ballet literature opera and satire Transcending boundaries between intellectual and cultural history America in Italy is the first book length examination of the influence of America s political formation on modern Italian political thought **America in Italian Culture** Guido Bonsaver,2024-02-10 When Italy unified in 1861 America was emerging as a world power and advances in communication allowed Italians a view of American life to which they could aspire America in Italian Culture traces this huge cultural shift looking at how US fiction comics music and film came to dominate Italian culture even as the countries went to war **Blurred Nationalities across the North Atlantic** Luca Codignola,2019-01-01 Long before the mid nineteenth century thousands of people were frequently moving between North America specifically the United States and British North America and Leghorn Genoa Naples Rome Sicily Piedmont Lombardy Venice and Trieste Predominantly traders sailors transient workers Catholic priests and seminarians this group relied on the exchange of goods across the Atlantic to solidify transatlantic relations during this period stories about the New World passed between travellers through word of mouth and letter writing Blurred Nationalities across the North Atlantic challenges the idea that national origin for instance Italianness constitutes the only significant feature of a group s identity revealing instead the multifaceted personalities of the people involved in these exchanges **America and the Reconstruction of Italy, 1945-1948** John Lamberton Harper,2002-05-16 An exploration of the American role in Italy prior to the decisive elections of 1948

Celebrating Ethnicity and Nation Jürgen Heideking,Geneviève Fabre,Kai Dreisbach,2001 Arising out of the context of the re configuration of Europe new perspectives are applied by the authors of this volume to the process of nation building in the United States By focusing on a variety of public celebrations and festivities from the Revolution to the early twentieth century the formative period of American national identity the authors reveal the complex interrelationships between collective identities on the local regional and national level which over time shaped the peculiar character of American nationalism This volume combines vivid descriptions of various public celebrations with a sophisticated methodological and theoretical approach Alfieri's Ode to America's Independence Vittorio Alfieri,1976 **Waymarking Italy's Influence on the American Environmental Imagination While on Pilgrimage to Assisi** Robert Lawrence France,2020-09-10 Undertaking a peripatetic pilgrimage that is equal parts a daily description of a 200 kilometre walk from the wounded mountain of La Verna to the tortured river in Assisi and an examination of the debt owed to Italy in terms of ecocultural and environmental scholarship this book provides an innovative addition to the nascent field of ecocritical narrative scholarship

Through a process that has been referred to as deep travel or mind walking the text fulsomely reviews how time spent in Italy influenced the writings of notable North American environmental historians geographers scientists nature writers landscape architects and restoration theorists about the conception and manipulation of the natural world This literary field study highlights how the phenomenological co traversing of texts and trails can be a valued methodology for undertaking environmental criticism

Founding Father Michael F. Lombardo, 2017-03-27 In *Founding Father* Michael F. Lombardo provides the first critical biography of John J. Wynne S. J. 1859-1948 One of the most prominent American Catholic intellectuals of the early twentieth century Wynne was founding editor of the *Catholic Encyclopedia* 1907 and the Jesuit periodical *America* 1909 and served as vice postulator for the canonization causes of the first American saints the Jesuit Martyrs of North America and Kateri Tekakwitha Lombardo uses theological inculturation to explore the ways in which Wynne used his publications to negotiate American Catholic citizenship during the Progressive Era He concludes that Wynne's legacy was part of a flowering of early twentieth century American Catholic intellectual thought that made him a key forerunner to the mid century Catholic Revival

Beyond Ethnicity : Consent and Descent in American Culture Werner Sollors Professor of American Literature and Afro-American Studies Harvard University, 1986-02-27 Nothing is pure in America and indeed the rich ethnic mix that constitutes our society accounts for much of its amazing vitality Werner Sollors's new book takes a wide ranging look at the role of ethnicity in American literature and what that literature has said and continues to say about our diverse culture Ethnic consciousness he contends is a constituent feature of modernism not modernism's antithesis Discussing works from every period of American history Sollors focuses particularly on the tension between descent and consent between the concern for one's racial ethnic and familial heritage and the conflicting desire to choose one's own destiny even if that choice goes against one's heritage Some of the stories Sollors examines are retellings of the biblical Exodus stories in which Americans of the most diverse origins have painted their own histories as an escape from bondage or a search for a new Canaan Other stories are American made tales of melting pot romance which may either triumph in intermarriage accompanied by new world symphonies or end with the lovers death Still other stories concern voyages of self discovery in which the hero attempts to steer a perilous course between stubborn traditionalism and total assimilation And then there are the generational sagas in which as if by magic the third generation emerges as the fulfillment of their forebears dream Citing examples that range from the writings of Cotton Mather to *Liquid Sky* a post punk science fiction film directed by a Russian emigre Sollors shows how the creators of American culture have generally been attracted to what is most new and modern About the Author Werner Sollors is Chairman of the Afro American Studies Department at Harvard University and the author of *Amiri Baraka: The Quest for a Populist Modernism* A provocative and original look at ethnicity in American literature DT Covers stories from all periods of our nation's history DT Relates ethnic literature to the principle of literary modernism DT Grave and hilarious tender and merciless The book performs a public service Quentin Anderson

Italy in the American Imagination Ian J. Bickerton, 2023-10-04 It is almost impossible to imagine the United States without making reference to Italy There is scarcely any aspect of American culture untouched by Italy its history art architecture fashion film music the mafia or even more viscerally its food Italy occupies a space of near mythical proportion in the American imagination When many Americans think of or dream about and imagine the good life how and where they would like to live they think most often of Italy the beauty the life style the romance the excitement and sense of adventure that Italy offers By looking at the fluid and multi dimensional imaginative interactions Americans have with Italian culture and society this comprehensive and robust volume offers a new and novel way of exploring the influence of Italy upon the United States University of New South Wales historian Ian James Bickerton argues that if we wish to understand the United States and how Americans define themselves and their nation it is vital to examine how they imagine themselves and he demonstrates that throughout U S history one of the most powerful stimulants shaping the imaginary world of Americans has been Italy

Hollywood Italians Peter Bondanella, 2005-12-29 A celebration of images of Italians in American motion pictures and their often under appreciated underpraised and truly remarkable contribution to popular culture This book covers the careers of dozens of stars like Al Pacino and Robert De Niro and reviews the works of Italian American directors like Francis Ford Coppola and Martin Scorsese

Intellectual Life and the American South, 1810-1860 Michael O'Brien, 2010 A great achievement It is hard to imagine anyone matching it for depth scope and subtlety of analysis as a whole or in its parts

Right here, we have countless book **Americas Italian Founding Fathers** and collections to check out. We additionally manage to pay for variant types and with type of the books to browse. Americas Italian Founding Fathers Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Americas Italian Founding Fathers PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and

empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Americas Italian Founding Fathers PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Americas Italian Founding Fathers free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Americas Italian Founding Fathers Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Americas Italian Founding Fathers is one of the best book in our library for free trial. We provide copy of Americas Italian Founding Fathers in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Americas Italian Founding Fathers. Where to download Americas Italian Founding Fathers online for free? Are you looking for Americas Italian Founding Fathers PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Americas Italian Founding Fathers. This method for see exactly what may be included and adopt these ideas to your book. This site will almost

certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Americas Italian Founding Fathers are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Americas Italian Founding Fathers. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Americas Italian Founding Fathers To get started finding Americas Italian Founding Fathers, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Americas Italian Founding Fathers So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Americas Italian Founding Fathers. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Americas Italian Founding Fathers, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Americas Italian Founding Fathers is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Americas Italian Founding Fathers is universally compatible with any devices to read.
