HEART TALK: TETE-A-TETE WITH SHASHI DESHPANDE Dr.Geeta Janet Dkhar, **The Heart Is**

Unknown Country L. A. Rebhun,1999 This is a study of love specifically of men s and women s emotional roles vis vis one another in Northeast Brazil of how people form conjugal relationships in this region and of the impact of rapid socioeconomic change on courtship marriage cohabitation and infidelity Rapid urbanization and expansion of the cash economy have transformed the region in a few decades Among the transformations are shifts in how people conduct courtship form marriages view the proprieties of sexual behavior and assess the proper social and economic roles of men and women These changes have altered the relative importance of physical economic and emotional intimacy in conjugal relationships transforming the nature of marriage once defined as a largely economic relationship into a largely emotional relationship as ideas of romance once associated with infidelity concubinage and courtship are increasingly attached to marriage The book is largely based on interviews with men and women who talked about their often complicated love lives with wit and passion and the book is rich in personal stories and quotations Women were asked to discuss the nature of men and women and men were asked to talk about women Both sexes were questioned about their views on prostitution concubinage and promiscuity as well as their definitions of love Parents were asked for their views about marriage and child rearing especially differences in raising boys and girls their relations with their own parents lovers spouses and friends and their views on virginity and sexual propriety The bluntness and articulateness of the informants about their motivations and experiences not only demonstrated that men and women viewed conjugal relationships very differently but enabled the author to specify and explore these differences in unusually interesting ways

The Joy of Love Pope Francis,2016-04-08 Amoris Laetitia Latin for The Joy of Love is the post synodal apostolic exhortation by Pope Francis Dated 19 March 2016 and released on 8 April 2016 It follows the Synods on the Family held in 2014 and 2015 Its introduction and nine chapters comprise 325 numbered paragraphs Quotations are drawn from earlier popes documents of the Second Vatican Council and regional bishops conferences St Thomas Aquinas and Rev Martin Luther King Jr It includes what is thought to be the first reference to a film in a papal document Babette s Feast 1987 along with references to works by Jorge Luis Borges Octavio Paz Antonin Sertillanges Gabriel Marcel and Mario Benedetti The Joy of Love has an Introduction and 9 Chapters INTRODUCTION Francis begins by noting a division of opinion during the synods The debates carried on in the media in certain publications and even among the Church s ministers range from an immoderate desire for total change without sufficient reflection or grounding to an attitude that would solve everything by applying general rules or deriving undue conclusions from particular theological considerations He did not propose to resolve those differences by imposing unity Unity of teaching and practice is certainly necessary in the Church but this does not preclude various ways of interpreting some aspects of that teaching or drawing certain consequences from it This will always be the case as the Spirit guides us towards the entire truth paragraph 3 He warns the reader that the document addresses many issues in many different ways and therefore says I do not

recommend a rushed reading of the text He asks the reader to consider the text patiently and carefully paragraph 7 Another called it a rich reflection and a response to criticism of the 2015 synod's report which opened with sociological concerns rather than Scripture CHAPTER ONE In the Light of the Word CHAPTER TWO The Experiences and Challenges of Families CHAPTER THREE Looking to Jesus The Vocation of the Family CHAPTER FOUR Love in Marriage CHAPTER FIVE Love Made Fruitful CHAPTER SIX Some Pastoral Perspectives CHAPTER SEVEN Towards a Better Education of Children CHAPTER EIGHT Accompanying Discerning and Integrating Weakness CHAPTER NINE The Spirituality of Marriage and the Family *The Power of a Praying Couple* Stormie Omartian, 2025-01-07 Safeguard Your Marriage with Prayer Prayer can bring peace to your marriage by upholding your future and preserving you in times of crisis When couples submit themselves to spending time together in prayer they invite the Lord to transform their marriage into a wellspring of peace and joy Bestselling author Stormie Omartian provides heartfelt wisdom and biblical guidance to help you and your spouse pray together in unity With insights prayers and Scripture in each chapter *The Power of a Praying Couple* will help you experience greater harmony through tips for growing in your understanding of one another deepen your levels of closeness and trust as you learn to pray out loud with your partner exchange conflict and division for peace and connection through prayers that address the most frequent obstacles every couple will face Uplifting powerful and refreshingly honest this open and sincere guide will help you to strengthen your relationship through agreeing together in prayer to establish a marriage that lasts
