LGBTQ Parents and Their Children during the Family Life Cycle Nicola Carone, Henny Bos, Geva Shenkman, Fiona Tasker, 2021-03-26

Couple Relationships in a Global Context Angela Abela, Sue Vella, Suzanne Piscopo, 2020-04-03 This book examines the significance of the couple relationship in the 21st century exploring in depth how couple relationships are changing in different parts of the world It highlights global trends and cultural variations that are shaping couple relationships The book discusses diverse relationships such as intercultural couples same sex couples long distance couples polygynous marriages and later life couples In addition chapters offer suggestions for ways to best support couples through policy clinical practices and community support The book also investigates aspects of a relationship that help predict fidelity and stability Topics featured in this book include Couple relationships when one partner has an acquired physical disability Impact of smartphones on relationships Online dating and its implications for couple relationships Assessment and intervention in situations of infidelity and non monogamy Parenting interventions for the transition from partnership to parenthood Online couple psychotherapy to support emotional links between long distance partners Couple Relationships in a Global Context is an essential resource for researchers professors and graduate students as well as clinicians and practitioners in family therapy clinical psychology general practice family medicine social work and related psychology and medical disciplines

Living Apart Together Transnationally (LATT) Couples Rashmi Singla, 2024-05-18 This book provides deep insight into intimacy and distance in the complex globalised world through the newly coined concept of couples living apart together transnationally LATT Based on a review of the past four decades seminal studies and narratives from a qualitative empirical study including both heterosexual and same sex couples it shows intimacy can be maintained without geographical proximity The book has a rich layered and nuanced exploration of LATT couples experiences of relationship maintenance across distance and time through diverse ways such as digital emotions online sexual activity and meaning making through spirituality which challenge existing Eurocentric conceptualisations of intimacy and relationships It also reveals an array of good practices for relationship maintenance across countries which can inspire other couples and practitioners Thus the book is an important resource not only for academics in the disciplines of psychology anthropology cultural studies family science sociology migration and communication but particularly useful for

practitioners dealing with couple relationships such as counselors social workers and mental health advisors It is also relevant for international organizations and multinational corporations working with couples living apart together transnationally The implications of this book for how we live now are clear in a more closely connected and mobile world the possibility of living our most intimate relationships across distance will affect increasing numbers of us the book's informative theoretical and practical messages have valuable lessons for many of us now and in the future Dr Lucy Williams University of Kent the UK Living Apart Together Transnationally LATT Couples Promoting mental health and intimacy gives us insights into the everyday lives of couples living apart together LAT in a contemporary world characterized by globalisation and pandemics that have affected border controls and migration policies in different countries Rashmi Singla invites us to challenge the way we understand intimate relationships that are connected to physical proximity and provides us with innovative ways to maintain emotional and physical intimacy despite geographical separation Sayaka Osanami Trngren Associate Professor of International Migration and Ethnic Relations Malm University Sweden Dr Rashmi Singla's book Living Apart Together Transnationally addresses a very important problem many modern couples encounter living apart in different countries The increasing globalization of the job market and mass migration in the past four decades have made this topic more important than ever before However research about love and life in such conditions is still limited The research presented in this book reveals some new qualitative research findings about how partners maintain health and intimacy in such challenging conditions This book presents novel and invaluable research for scholars in the area of love and couple relationships Victor Karandashev Ph D Professor of Aquinas College Michigan The U S A Dr Rashmi Singla's work Living Apart Together Transnationally LATT stands as a profoundly empirical exploration of long distance couples spanning international borders The book provides captivating revelations into the lives intimacies and spiritual dimensions of such relationships Offering an interdisciplinary approach it establishes a robust groundwork for further investigations in this emerging field Lise Paulsen Galal PhD Associate Professor in Intercultural Studies Roskilde University Denmark How important is proximity in intimate relationships when partners live apart in different countries This question sits at the core of this timely book which offers new insights in part through the range of areas considered but also through its challenge to existing Eurocentric conceptualisations of intimacy and relationships Using narratives collected in in depth interviews including through the period of Covid 19 Dr Rashmi Singla provides rich accounts of living apart together LAT but vitally adding a transnational perspective LATT Dr Tina Miller Professor of Sociology Oxford Brookes University UK Author of Motherhood Contemporary Experiences and Generational Change Cambridge University Press 2023 The book Living Apart Together Transnationally LATT Couples Promoting Mental Health and Intimacy is based on an empirical study on couples living apart transnationally Collecting data on couples is difficult and for that alone I appreciate the work done by the author Given that migration and mobility of families and couples is not likely to come to an end with the pandemic a study that brings

together experiences of couples compelled to live apart would be illustrative The book refers to using social media for couples to connect with each other This is useful information in the social and digital worlds that we live in The phenomenon of migration and couples having to live apart is an ongoing one which is likely to be of interest to many academics and practitioners from host and receiving countries Professor Sujata Sriram Dean School of Human Ecology Tata Institute of Social Sciences Mumbai India This ground breaking book provides new knowledge of how the increasing number of couples living apart together in different countries the so called LATT couples cope with their situation and how they can maintain intimate relationships despite the distance Based on in depth interviews with heterosexual and same sex couples spread all over the world and including the author s own lived experiences the book convincingly challenges the conventional wisdom that cohabitation is a necessary condition for intimacy Through a novel theoretical framework Rashmi Singla highlights changing gendered orders and the challenges that meet long distance relationships crossing the Global North Global South divides Drude Dahlerup Professor of Political Science Stockholm and Roskilde Universities Sweden and Denmark Living Apart Together is a timely book that addresses the complexities of love sex marriage intimacy and transnational distancing Through qualitative research this excellent book offers answers to current and enduring questions of immigration migration and border crossings Dr Rashmi Singla s research and scholarship open new ways of understanding how intimate relationships are governed by post modern capitalism which challenges socio economic geo political and cultural forms of being intimate Thebook takes us on a journey of intimate discoveries which unfold through its various chapters on how people can nurture desire intimacy and love even while living apart either as a matter of personal choice or out of professional necessity In essence Living Apart Together is a critical text in answering the larger question of what it is to be human in today s digital world Roy Moodley Associate Professor Ontario Institute for Studies in Education Department of Applied Psychology and Human Development University of Toronto Canada Living Apart together is a timely book that addresses the complexities of love sex marriage intimacy and transnational distancing Through qualitative research this excellent book offers answers to current and enduring questions of immigration migration and border crossings Dr Rashmi Singla s research and scholarship open up new ways of understanding how intimate relationships are governed by post modern capitalism which challenges socio economic geo political and cultural forms of being intimate The book takes us on a journey of intimate discoveries which unfold through its various chapters on how people can nurture desire intimacy and love even while living apart either as a matter of personal choice or as professional necessity In essence Living Apart Together is a critical text in answering the larger question of what it is to be human to today digital world

The Role of the Father in Child Development Michael E. Lamb, 2010-04-05 The Definitive reference on the important role fathers play in child development today Edited by Dr Michael Lamb the recognized authority on the role of fathers in child development The Role of the Father in Child Development Fifth Edition brings together contributions from international experts on each subject to

provide a thorough and current summary of the state of fatherhood across cultures classes economic systems and family formations This classic guide offers a single source reference for the most recent findings and beliefs related to fathers and fatherhood This thoroughly updated new edition provides the latest material on topics such as The effects of divorce Fathers from low income backgrounds Stepfathers lives exploring social context and interpersonal complexity Social policy Gay fathers Fatherhood and masculinity The definitive book on when why and how fathers matter to their children and families The Role of the Father in Child Development Fifth Edition is an essential reference for all mental health professionals who endeavor to understand and support fathers in becoming positive influences in their children s development **Family Life, Family Law, and Family Justice** Marsha Garrison,2022-10-28 Family Life Family Law and Family Justice Tying the Knot combines history social science and legal analysis to chart the evolution and interdependence of family life and family law portray current trends in family life explain the pressing policy challenges these trends have produced and analyze the changes in family law that are essential to meeting these challenges The challenges are large and pressing Across the industrialized West nonmarital birth relational stress multi partner fertility and relationship dissolution have increased producing a dramatic rise in single parenthood poverty and childhood risk This concentration of familial and economic risk accelerates socioeconomic inequality and retards intergenerational mobility Although the divide is most pronounced in the United States the same patterns now affect families throughout the Western world Across the European Union there are 9 2 million lone parents and just under half of their families live in poverty Tying the Knot demonstrates how today s family patterns are deeply rooted in long standing class based differences in family life and explains why these class based differences have accelerated It explains how the values that guide family law development inevitably reflect the world in which families live and develops a new family law capable of meeting the needs of twenty first century families The book will be of considerable interest to family specialists from a number of fields including law demography economics history political science public health social policy and sociology *Family Life Now* Kelly J. Welch,2024-11-22 Written with a down to earth and student focused approach Family Life Now 4th edition delivers a comprehensive examination of interaction among family members and intimate partners With an emphasis on today s diverse and complex individual family and the evolving impact of societal issues this text engages students through a balanced integrated approach of the human development and family science disciplines Author Kelly Welch uses a first person narrative style of writing to engage readers encourage them draw upon their own background and experiences to understand theories and concepts and to paint a realistic view of families and intimate relationships This text lays the foundation to understanding relationships better applying research and theory and promotes the ways in which those considering a helping profession career such as social worker therapist psychologist teacher early childhood childcare provider or healthcare provider can employ strengths oriented best practices to create and deliver effective quality couple and family life education **Understanding Human Development and Families**

Chandrabhaga Desai,2025-01-03 Understanding Human Development and Families offers a clear explanation of key concepts related to human development We emphasize the importance of researching families and children covering the ethics of such research causal inference and effective methods for data measurement Our book provides a comprehensive view of the politics of family and child research program evaluation in human development and family science and advanced topics in family data analysis We analyze data on children adolescents and older adults within family contexts interpreting quantitative data through surveys and experiments This book is an invaluable resource for students in behavioral and social sciences including social welfare sociology nursing human services education psychology and human development It offers a multidisciplinary perspective suitable for both undergraduates and postgraduates ensuring a broad understanding of human development and family dynamics

The Free-market Family Maxine Eichner,2020 US families have been pushed to the wall At the bottom of the economic ladder poor and working class adults aren t forming stable relationships and can t give their kids the start they need because of low wages and uncertain job prospects Toward the top professional parents lives have become a grinding slog of long hours of paid work Meanwhile their kids are overstressed by pressure to succeed and get into good colleges In this provocative book Maxine Eichner argues that these very different struggles might seem unconnected but they share the same root cause the increasingly large toll that economic inequality and insecurity are taking on families It s government rather than families that s to blame Eichner persuasively contends Since the 1970s politicians have sold families out to the wrongheaded notion that the free market alone best supports them In five decades of free market family policy they ve scrapped government programs and gutted market regulations that had helped families thrive The consequence is the steady drumbeat of bad news we hear about our country today the opioid epidemic skyrocketing suicide and mental illness rates deaths of despair and mediocre student achievement scores Meanwhile politicians just keep telling families to work a little harder The Free Market Family documents US families impossible plight showing how much worse they fare than families in other countries It then demonstrates how politicians free market illusions steered our nation wildly off course Finally it shows how using commonsense measures we can restructure the economy to work for families rather than the reverse Doing so would invest in our children s futures increase our wellbeing reknit our social fabric and allow our country to reclaim the American Dream

Inner Life of a Happy Christian Marriage and Family, A Personal Perspective ,

Family Life Education With Diverse Populations Sharon M. Ballard,Alan C. Taylor,2012 Family Life Education with Diverse Populations is a T2 for courses in Family Life Education Family Studies and Social Work students often go through the additional certification of becoming Family Life Educators FLEs As a family life educator the student will help educate families in and outside the traditional classroom environment on how to strengthen relationships in the home and foster positive individual couple and family development Such education comprises many topics including marriage education parenting skills anger management to strategies in adjusting to divorce This book takes the content delivered in

courses on FLE a step further by examining and presenting key strategies for working with diverse populations. Diverse is defined broadly in terms of race and ethnicity but also by setting such as military families, rural families, families with loved ones in prison, and more. The book is unique in defining the group and presenting their strengths and then prescribing treatments and strategies for working with each group. In addition, the book takes an evidence-based practice approach and demonstrates proven strategies in working with the populations listed above.

Sharon M. Ballard, Ph.D., CFLE, CFCS is an Associate Professor in the Department of Child Development and Family Relations at East Carolina University. Alan C. Taylor, Ph.D., CFLE is an Assistant Professor in the Department of Child Development and Family Relations at East Carolina University.

Beloved and Blessed: Biblical Wisdom for Family Life Kimberly Hahn, 2021-10-19. What is the secret to a strong marriage and family? The answer is simple and difficult at once. Proverbs 31 tells us that a wife who loves the Lord with all her heart can fully give herself to her spouse and children. In *Beloved and Blessed: Biblical Wisdom for Family Life*, Kimberly Hahn provides insight into the most important relationships in a woman's life. In this six-part Bible study, discover Scripture, Catholic teaching, and practical wisdom that will shape your understanding of Marital intimacy, Responsible Parenthood, Financial Planning, Discipline, Faith Formation, and Educating Children. Perfect for personal or group use, *Beloved and Blessed* will help you transform your home into a place of deep and abiding love.

[Love and Intimate Relationships](#) Norman M. Brown, Ellen S. Amatea, 2013-06-17. Using a style that draws students into the ongoing inquiry into how intimate relationships work, *Love and Intimate Relationships* investigates the life cycle of relationships, influences that affect them, theories behind them, and ways to improve them. Dozens of stories from students themselves, case examples, and over 150 tables, figures, and the cartoons of Don Edwing of *Mad Magazine* help bring the material alive. The book is also unique in exploring aspects of human relationships not covered in other textbooks on the subject. *Love and Intimate Relationships* helps bring the complex issues surrounding intimate relationships into focus for students from diverse backgrounds. The multidisciplinary perspective of the textbook makes it ideal for introductory courses in psychology, marriage counseling, human relations, and sexuality and interpersonal relationships.

Working Families and Growing Kids Institute of Medicine, National Research Council, Division of Behavioral and Social Sciences and Education, Board on Children, Youth, and Families, Committee on Family and Work Policies, 2003-06-15. An informative mix of data and discussion, this book presents conclusions and recommendations for policies that can respond to the new conditions shaping America's working families. Among the family and work trends reviewed: Growing population of mothers with young children in the workforce; Increasing reliance of nonparental child care; Growing challenges of families on welfare; Increased understanding of child and adolescent development. Included in this comprehensive review of the research and data on family leave, child care, and income support issues are the effects of early child care and school-age child care on child development; the impacts of family work policies on child and adolescent well-being and family functioning; the impacts of family work policies on child

and adolescent well being and family functioning the changes to federal and state welfare policy the emergence of a 24 7 economy the utilization of paid family leave and an examination of the ways parental employment affects children as they make their way through childhood and adolescence The book also evaluates the support systems available to working families including family and medical leave child care options and tax policies The committee s conclusions and recommendations will be of interest to anyone concerned with issues affecting the working American family especially policy makers program administrators social scientists journalist private and public sector leaders and family advocates

Haas,2004-08-19 This handbook is designed to provide authoritative information to the psychologist working in primary care settings and to those seeking to learn about clinical issues in such settings Scholarly and at the same time practical this volume offers both the clinician and the researcher a wide ranging look at the contexts in which psychological services become of paramount importance to the health of the patient The handbook will cover the prevalent psychological conditions in the primary care setting depression anxiety somatization eating disorders and alcoholism illnesses in which psychological disorders play a major role such as heart disease diabetes cancer pain management headache asthma low back pain sleep disorders among others and issues of concern to psychologists treating children ADHD disciplinary problems etc treating women abuse infertility menopause sexual dysfunction treating men workaholism alcoholism sexual dysfunction and treating the older patient death and dying cognitive impairment late life depression Other important topics include psychological side effects of common medications resistance to treatment spiritual concerns in the treatment of patients cultural differences in healing suicide AIDS prevention of disease and many others Leonard Haas is a noted authority in the area of primary care psychology and has recruited expert contributors for the 41 chapters and two appendices that make up this definitive handbook for a growing and important subspecialty in clinical psychology The work may also be used in graduate courses in health psychology

Parental Stress and Early Child Development Kirby Deater-Deckard,Robin Panneton,2017-05-14 This book examines the complex impact of parenting stress and the effects of its transmission on young children s development and well being e g emotion self regulation executive functioning maltreatment future parenting practices It analyzes current findings on acute and chronic psychological and socioeconomic stressors affecting parents including those associated with poverty and cultural disparities pregnancy and motherhood and caring for children with developmental disabilities Contributors explore how parental stress affects cognitive affective behavioral and neurological development in children while pinpointing core adaptation resilience and coping skills parents need to reduce abusive and other negative behaviors and promote optimal outcomes in their children These nuanced bidirectional perspectives on parent child dynamics aim to inform clinical strategies and future research targeting parental stress and its cyclical impact on subsequent generations Included in the coverage Parental stress and child temperament How social structure and culture shape parental strain and the well being of parents and children The

stress of parenting children with developmental disabilities Consequences and mechanisms of child maltreatment and the implications for parenting How being mothered affects the development of mothering Prenatal maternal stress and psychobiological development during childhood Parenting Stress and Early Child Development is an essential resource for researchers clinicians and related professionals and graduate students in infancy and early childhood development developmental psychology pediatrics family studies and developmental neuroscience **Two Plus Two** Geoffrey L.

Greif, Kathleen Holtz Deal, 2012-04-23 Friendships are undeniably important to an individual's health longevity and wellbeing but they can be equally important for the health and happiness of a couple Just as a friend can provide a mirror to the self another couple can provide a reflecting team that supports or impedes a relationship's growth Two Plus Two Couples and Their Couple Friendships offers an important framework for helping couples to have conversations about their friendships with other couples and to enrich their own relationships When couples agree about how to spend their time alone and with others they are more likely to have a happy marriage or relationship Couple friendships have not been researched previously despite their numerous benefits Authors Geoffrey Greif and Kathleen Deal take an in depth approach to this important topic Based on interviews with more than 400 people some of whom were interviewed with their partners some who were interviewed alone and some who have divorced they find that couples fall into three general categories of making couple friendships Seekers Keepers and Nesters Drs Greif and Deal discuss the different styles of interaction they've observed in couples as well as the findings from their research Readings from their interviews illustrate what characteristics define Seekers Keepers and Nesters Couples at any stage of their relationship will get a fresh understanding of how to seek foster and sustain positive healthy friendships Family Communication Beth A. Le Poire, 2006 What's the most common family

form today In what ways can we define family that ensure it is inclusive of all family forms Despite the current diverse nature of family forms which functions are fulfilled by the family regardless of its makeup In what ways do family members function to nurture and control each other through their changing roles and rules to maintain their family identity Family Communication examines the role communication plays in family development and maintenance from a consideration of what constitutes a family according to various governmental religious and social science orientations to the initiation of dating relationships and romantic commitment to adding and raising socio emotionally competent children Also explored are the roles that communication plays in maintaining intimacy and closeness in the family and in managing family conflicts and tensions In addition unique emphasis is given to how cognitions and emotions influence communication outcomes in the family Despite the diversity of family forms today families all share one thing in common they all include some form of nurturing and control support and development and behavior control and limitations nurturing communication to encourage intimacy development and maintenance and controlling communication to resolve conflict and change undesirable behavior By organizing the study of family communication around the concepts of nurturing and control author Beth Le Poire

emphasizes the central role that communication plays in both families of origin and newly formed families
