Public Theology Gnana Patrick, 2020-04-07 This book situates public theology within the genre of political theology Drawing upon the distinct strands of political theologies identified by Daniel M Bell Jr Gnana Patrick treats public theology as the form of political theology for our contemporary era and takes special care to relate these strands of political theologies to the Indian context thereby opening up the theological horizon for Indian public theology Further Public Theology dwells upon certain prominent features of our contemporary global world and discerns the human need for experiencing transcendence today Taking faith to be the catalyst for this experience of transcendence it points to civil society as the interstice through

Discovering the Bible in the Non-Biblical World Pui-Lan Kwok,2003-09-16 As a Chinese woman a feminist theologian and a biblical scholar Pui lan Kwok brings a new perspective and voice to the task of hermeneutics Her multidimensional reading of the Bible draws on a tradition much older than that of the West while it simultaneously incorporates the insights of contemporary feminist and Third World theologies Seeing herself as wanderer between the worlds of East and West Pui lan Kwok draws on the work of contemporary biblical scholars as well as the millennia old commentaries on the Book of Change the Dao de Jing and the Bhagavad Gita Her creativity and imagination come into play as she gradually inseparably links reader text and context The first three chapters locate the context from which she approaches the Bible as an Asian woman Pui lan considers Asian traditions as well as the social biography of Asian peoples and discusses the complex issues of using the Bible in feminist theology Chapters Four and Five approach the unique Asian context with its long traditions of orality and exegesis of ancient scriptures Chapter Six analyzes the challenges of Asian critics to western interpretations of scripture and raises sharp issues of colonial oppression Finally Discovering the Bible in the Non Biblical World shows how the multiple oppressions of women provide a context for rediscovering the Bible s liberating message Must reading for anyone engaged in biblical studies cross cultural education and feminist theology I highly recommend this richly instructive and powerful book Elisabeth Schassler Fiorenza Harvard Divinity School An important addition to the fast growing literature on Asian biblical discourse R S Sugirtharajah University of Birmingham A significant contribution to the hermeneutical conversation arising from the global context of reading of the Bible Sharon H Hinge Wesley Theological Seminary [A History of Christianity in Asia, Vol. II](#) Samuel Hugh Moffett,2014-07-30 This second volume of Samuel Moffett s acclaimed History of Christianity in Asia illustrates the advance of the modern missionary movement in the continent of its birth Like the first volume it makes available immense research in a readable and engaging narrative Moffett brings into dramatic relief events that illustrate both the broad patterns and the vital details of the spread of Christianity on a continent [Christianity and Cultures](#) David Emmanuel Singh,Bernard C. Farr,2008 This volume on Christianity and Cultures is a way of marking an important milestone in the relatively short story of the Oxford Centre for Mission Studies OCMS The papers here have been exclusively sourced from Transformation a quarterly journal of OCMS and seek to provide a tripartite view of Christianity s engagement with

cultures by focusing on the question how is Christian thinking forming or reforming through its interaction with the varied contexts it encounters As Christianity has taken and still takes shape in multiple contexts it naturally results in a variety of expressions and emphases One can gain an appreciation of these by studying different strands of theological missiological thinking socio political engagements and forms of family relationships in interaction with the host cultures BOOK JACKET

Toward a Theology of Struggle Eleazar S. Fernandez, 2009-02-01 The Theology of Struggle is a genuinely popular Filipino theology rooted in the history and culture of a people who have endured colonial oppression at the hands of Spain North America and Japan as well as neo colonialism and home grown dictatorship Because Christianity has played a role in assisting the history of oppression in the Philippines a theology of struggle must include a struggle in theology to wrest Christian symbols from the hands of the oppressors and return them to the poor This theology which is otherwise expressed in articles poems art and action receives its first systematic treatment in Toward a Theology of Struggle In Part One Fernandez establishes the historical and cultural context out of which the Theology of Struggle has emerged Part Two represents Fernandez's own constructive work in which he shows how a theology of struggle must address the quest for identity and peoplehood In Part Three Fernandez explores the question of theological method outlining

the areas of convergence and distinction between the Theology of struggle and other Third World theologies as well as setting forth the distinctive challenge that this theology of the Philippines poses to the authority and dominance of Western theology as a whole
