Court Houses In Ontario:

The Court Houses of a Century: A Brief Historical Sketch of the Court Houses of London District, the County of Middlesex and County of Elgin Kenneth W. McKay, 2011-01-01 Early Canadian Court Houses Margaret Carter, Parks Canada. National Historic Parks and Sites Branch, 1983 *Looking for Old Ontario* Thomas F. McIlwraith, 1997-01-01 The slogan on Ontario's licence plates Yours to Discover was designed to promote travel opportunities within the province Every year thousands of tourists drive along country roads past farmyards and through hamlets en route to popular vacation spots In *Looking for Old Ontario* Thomas McIlwraith shows that many destinations are closer at hand than one might imagine and invites travellers to rediscover familiar countryside landmarks by reading them as chapters in a rich historical narrative Surveyors long ago scored Ontario's land and generations have since inscribed it with residences businesses and institutions This book the result of thirty years of field work and archival research is a reflection on and an interpretation of the ways in which the land and its inhabitants interrelate *Looking for Old Ontario* guides readers through the vernacular landscape of the province examining barns fences jails post offices inns mills canals railways roadsides cemeteries and much more McIlwraith emphasizes ordinary features of the cultural landscape which communicate social meaning to the observant eye The landscape tells us that Ontario has been inhabited by thrifty people this we can conclude by looking at the economical use and reuse of construction materials Yet the landscape also tells us that Ontario's residents have been inclined to show off consider the province's unusually large number of elegant brick dwellings To read a landscape is to think about such connections and McIlwraith's contemplative style differentiates his work from manuals or handbooks Since landscape interpretation is a highly visual subject *Looking for Old Ontario* is extensively illustrated with photographs drawings and maps It will be useful to general readers interested in recognizing the broader meanings of their communities heritage as well as to students of geography history and planning **The Law Society of Upper Canada and Ontario's Lawyers, 1797-1997** Christopher Moore, 1997-01-01 It is an authoritative and lively history of the Law Society of Upper Canada and of Ontario's lawyers from the founding of the Society by ten lawyers in 1797 to the crises which shook the society and the legal profession in the mid 1990s **Ontario's Parliament Buildings** Frank Yeigh, 1893 Criminal Justice Agencies in Region 2 United States. maintained regionally or even locally and aren't widely known. This reference work serves as a guide to both beginning and experienced genealogy researchers. The sourcebook is easily accessible and usable, featuring approximately 270 entries on all aspects of genealogical research and family history compilation. The entries are listed alphabetically and cross-referenced so any researcher can quickly find the information he or she is seeking. Each state and each of the provinces of Canada has its own entry; other countries are listed under appropriate headings. The author also provides more than 700 addresses from all over the world so that the genealogist or general researcher may contact any one of these organizations to obtain specific information about particular births, deaths, marriages, or other life events in order to complete a family tree.
